THIRD INTERNATIONAL CONFERENCE ON ADVANCES AND CURRENT ISSUES IN AGRICULTURE AND ALLIED SECTORS

April 22-23, 2024

School of Agriculture, RNB Global University

RNB Global City, Sri Ganganagar Road, Bikaner

Rajasthan-334 601

About Conference

The conference is dedicated to the discussion, exchange of ideas & views, propelling creative approach and the advancement of theory & practices in the field of agriculture with a multi-disciplinary approach including all sectors associated with agriculture. All technical sessions are predominantly related to agriculture and allied sectors including animal husbandry, agribusiness management, laws and cultural aspects of farmers' life etc. In this conference, papers are invited related to advances and current issues related to agriculture and allied sectors. All papers, submitted for possible presentation and publication in the proceedings, are subject to the peer review process. All accepted papers will be included in the conference proceedings published with ISBN.

About RNB Global University

The RNBGU was established by the Act 20 of 2015 passed by the Rajasthan Vidhan Sabha and notified by the state of Rajasthan on 27/04/2015. RNB Global University is conceptualized with a philanthropic vision of education given by the Late Seth Sh. Jaganathji Bajaj, is a globally recognized university committed to excellence in higher education with a strong emphasis on knowledge sharing, multidisciplinary research and entrepreneurial skills to produce professional leaders to serve society and to bring a better future for all. It aspires to be a reputed "Temple of Learning" to play a significant role in serving the higher educational needs of the state of Rajasthan, India and the Global arena by emerging as a Centre of Academic Excellence, known for providing a healthy learning environment, predominantly developing in every student a trait of Innovation, Leadership & Entrepreneurship skills so that they shine bright like a "Star" and be adjudged champion of humanity and a responsible citizen. RNB Global University follows a progressive learning approach: Industry Oriented Syllabus, Multi-Disciplinary Approach, International Methodologies and Choice Based Credit System. The University follows a comprehensive pedagogical approach to enhance students' learning experience and nurture them to take the lead in future evolving as winners in all respects through the Centre for Leadership Development, Skill Enhancement Program, Tailor-made Personality Development Programs and cultural activities.
