Course Name: Citizens, Laws and Rights**Course Code: BAGC32251****Course Objectives:**

The purpose of this module is to educate the students about the legal system of India which they need to know for discharging their responsibility as a common citizen of India where it would be possible to check on the arbitrary and illegal application of rules and laws leading to abuse of power. Such understanding makes citizens active and participatory and pushes the system towards responsible, accountable and transparent governance. Ignorance of laws and rights allow the system to exploit the citizens.
