Faculty Advisor

Instructions For Semester Registration

1. All roll sheets for classes and lists of examinees are from these registration forms. If you forget to mention a Course name here, you will not have another opportunity to attend classes and to sit in examination on that paper.
2. If you have 'F' grades in course registered in earlier semesters, please contact your Faculty Advisor who will guide you on choice of course and electives for Registration in the Current Semester.
3. If your SGPA / CGPA is low (as per regulations) you are advised to enter the Summer Semester. Do not load yourself excessively and get more 'F' grades in future.
4. You must complete the Program within stipulated maximum period as per regulations.
5. Follow the attendance rules & regulations of the University; otherwise you would be debarred from attending a particular paper.
6. If the form is submitted through official email id then in that case the signatures are not required.
