# RNBGU Annual Tech Fest "INSPIRE - 2017" Glimpses

# INSPIRE 2017: INAUGURAL CEREMONY

Besides quality education, RNB Global University offers a perfect platform to the students to excel and achieve success in life. INSPIRE, the annual techno-cultural fest of RNB Global University, is the celebration of today's youth - to dream, perform and achieve. INSPIRE is a celebration which brings hidden talents of the students to the forefront. The Fest - a zenith of music, art, literature, science and technology, attempts to uncover the intellectual, artistic and creative skills of the students.

INSPIRE 2017 was celebrated with great pomp and show on January 28<sup>th</sup> & 29<sup>th</sup>. The day started with a grand inaugural ceremony in the Open Air Theatre presided by Mrs. Sarla Bajaj as the Hon'ble Chief Guest, Mr. Radhey Shyam Meena, General Manager, Airports Authority of India, Bikaner, was the Guest of Honour along with other dignitaries. The Inaugural function began with the lighting of the lamp ceremony to seek blessings of *Maa Saraswati*. Prof. Mahendra K. Ghadoliya, Registrar, RNBGU extended his gratitude to the esteemed guests in his welcome note.

The ceremony witnessed a thrilling dance performance by the students of II Semester -Jaishree, Renu Sharma, Vaishali Jangir, Toshita and Chanchal; the audience enjoyed this. Further, to exhibit the theme of INSPIRE 2017 and to brief the audience about the plethora of events which were to be conducted during the fest, students of IV semester (SOCM & SOBAS) presented an exciting performance with glimpses of all the 24 events planned for the fest. Later, to pulse the crowd with energy and enthusiasm there was a blasting musical performance by Mudit Khajanchi (BBA IV semester).

Mr. Radhey Shyam Meena, the Guest of Honour, in his address highlighted the significance of college fests in students' life as a great opportunity to unveil the hidden talents of youth. INSPIRE 2017 was declared 'open' by releasing a bunch of balloons in the air as a symbol of hope by all of our esteemed guests.

Competitions were held in the fields of Dance, Music, Indoor Sports, Dramatics, Fine Arts, Film and Photography (Digital), Literature, Debating and Quizzing. Teams from various colleges actively participated in these events to showcase their talents. The inaugural function was a promise of great things to come.

## LAUGH-O-MANIA

*"Life is too short to be serious all the time and if you can't laugh yourself, call us, The RNBians."*

On the first day of INSPIRE 2017 various cultural events and competitions were organized, and 'Inquisitive' was one among them. 'Inquisitive', a quiz competition, was conducted at the moot court, Academic Building-2. Professor A. K. Mitra and Mr. Mayank Agarwal from the School of Commerce and Management were the coordinators. Before the event commenced, Prof. Mitra addressed the participants and commended their enthusiasm. Mr. Agarwal explained the rules and regulations of Inquisitive to the participants. The event was planned in two rounds, the Preliminary and the Final round. Twenty teams competed in the preliminary round and out of them ten teams qualified for the finals. In the final round the participants were quizzed on the topics ranging from history and business to literature and trivia. The trophy was bagged by Shubham Pugalia (MBA – IV Semester), followed by the runners up Rahul Katria (B.Sc – II Semester), and the Sandeep Kumar ( B.Com – II Semester) stood third.

Anmol Baid and Nikhil (MBA – IV Sem.) along with other volunteers smoothly conducted the event. The event was concluded with a vote of thanks given by Mr. Mayank Agarwal. This was a great way for all participants to test their knowledge.

-Shubham Pugalia (MBA IV Semester)

## INQUISITIVES

*"We make our world significant by the courage of our questions and by the depth of our answers" - Carl Sagan*

On the first day of INSPIRE 2017 various cultural events and competitions were organized, and 'Inquisitive' was one among them. 'Inquisitive', a quiz competition, was conducted at moot court, Academic Building-2. Professor A. K. Mitra and Mr. Mayank Agarwal from the School of Commerce and Management were the coordinators. Before the event commenced, Prof. Mitra addressed the participants and commended their enthusiasm. Twenty teams competed in the preliminary round and out of them ten teams qualified for the finals. In the final round the participants were quizzed on the topics ranging from history and business to literature and trivia. The trophy was bagged by (name of the winners), followed by the runner ups (name of the 2nd winners), and the (name of the 3rd winners) stood third.

Anmol Baid and Nikhil (MBA – IV Sem.) along with other volunteers smoothly conducted the event. Event was concluded with a vote of thanks given by Mr. Mayank Agarwal. It was a great experience for all the participants to test their knowledge.

-Sakshi Bishnoi (BA LLB – II Semester)

## CREATIVE PALETTE

In this era of multitalented minds, all round development of a student has become the order of the day. To teach the youth the skills of multitasking and to prepare them to compete in this cut throat competitive world educational institutes provide various opportunities for them to learn, to exhibit and to explore their skills. The scenario of RNB Global University is not an exception to this. By the means of the annual techno cultural fest INSPIRE, RNB gives a huge platform to its students to bring out the best in them.

A plethora of events were organized during INSPIRE 2017, one of them was the CREATIVE PALETTE – an event of delineation of the inner self through vibrant colours and creativity. Many students from RNBGU and other institutes participated enthusiastically in this event. Everyone had to make a piece of art (painting/creative art) of his or her choice. I was amazed to see, each one attentively painting their hearts and minds very beautifully and flawlessly.

All the paintings were marvelous, so it became very difficult to even guess, who would win. Soon the awaited moment came, when the judge Mr. Mohan Dudi announced "The Flower" composition as the best painting of the competition. I jumped out of excitement; my happiness was inexplicable, as I had won the First Prize winner for my creation "The Flower". Pranay Kachhawa from M. N. Institute of Applied Sciences, Bikaner, was the runner up of the competition. Prof. Sanjoy Pal SOBAS and Dr. Amit Joshi, SOASS were the coordinators of the event. Mr. Dudi appreciated all the paintings and gave some important tips on paintings. In this way INSPIRE 2017 has left me with everlasting memories to cherish; memories of a moment when I discovered the artist in me.

-Garima Jain (BBA - IV Semester)

## TECH WAR (LAN Games)

LAN gaming has blossomed into one of the most profitable entertainment industries in the world. The mobile technology boom in recent years has revolutionized the industry and opened the doors to a new generation of gamers. Gaming has become integrated with modern popular culture that now even grandmas know what Angry Birds is. RNB Global University organized 'Tech War' (LAN Games) on the first day of INSPIRE 2017 to develop and enhance the essential skills of decision making, team building, coordination, strategic planning, quick response, etc. Dr. Praveen Gupta and Mr. Sunil Bhardwaj, SOBAS were the coordinators of the event. Two games were played under 'Tech War'- Counter Strike (Team) and Need for Speed (Solo). Need for Speed was won by Praduman Singh (B. Sc. II Sem.) and Rishiraj Singh (BCA II Sem.) was the runner up. In Counter Strike was Sachin & Team, took the first position while Chandraveer & Team got second position in the same.

-Rahul Kagdiyal (B. Sc. II Sem.)

## TABLE WAR

*With a Paddle, Tennis Stars find They're Up the Creek*

INSPIRE 2017 was a gala celebration, aimed to bring talents to the forefront. On 28<sup>th</sup> January, Table War (Table Tennis) competition was organized under the coordinator ship of Dr. Praveen Gupta & Mr. Sunil Bhardwaj from the School of Basic and Applied Sciences. 'Girls are not less than boys' was once again proved correct here in RNB Global University, during INSPIRE 2017, as it was observed that the game of Table Tennis was enthusiastically welcomed by girls. Although, girls participated in almost all the events actively like Billiards, Chess, etc., but their significant participation in Table Tennis was commendable. The competition was divided into two categories i.e. girls and boys. There was a cut throat competition in semifinals and finals. Bhavya Gupta (B.Com. IV Sem.) Was the winner and Megha Singhi (BBA IV Sem.) was the runner up in the category of Girls Single. In the Boys Single category Diwanshu Gaur (MBA IV Sem.) & Piyush Chandak (BBA IV Sem.) were the winner and runner up respectively. In the Boys Doubles category Diwanshu Gaur & Piyush Chandak were the winners and, Jayant Lodha & Bhanu Pratap Singh (B. Sc. IV Sem.) were the runners up. Continuous cheering by the students made this event more lively & energetic. I feel privileged to be a part of this University because it gives me a plethora of opportunities to explore my hidden potential.

-Megha Singhi (BBA IV Semester)

## MASTER MINDS (CHESS)

Understanding the need to promote healthy competitive spirit amongst the youth, RNB Global University organized its second annual fest INSPIRE on 28<sup>th</sup> & 29<sup>th</sup> January, 2017. During these two days various cultural and sports events were organized. Although, I participated in both kinds of events but I had my very own favorite event - Master Minds, because chess has always been considered as a game played by intellectuals with critical thinking abilities and the fact remains that Chess is extremely helpful in the development of brain, when played regularly.

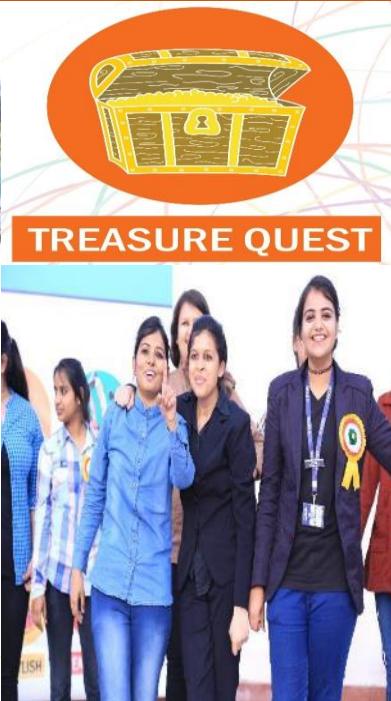

Dr. Praveen Gupta and Mr. Sunil Bharadwaj, coordinators of the event, briefed the rules and regulations to all the participants. I had been preparing for this game for last one year and to be applauded by the spectators on each and every move of mine during the game was delightful. The enthusiastic participation of the students and encouragement of the audience was admirable.

Sanuj Yadav from BBA IV Semester showcased exceptional Chess moves and won the competition. The event left everyone with wonderful memories to be cherished for years to come.

-Bhavya Gupta [B.Com. (Hons.) IV Semester]

## TREASURE HUNT

Amid clear sunshine TREASURE HUNT, the event of brains and dedication was organized during the annual techno-cultural fest of RNB Global University - INSPIRE 2017. The objective of the game was to increase the creativity levels using mind, body and strategy to solve the given clues. A total 8-10 teams participated in this event. The team leaders along with their teams gathered to start the event. Each team leader was given an envelope having three hints. The hints were about the description of the object, location/whereabouts of the object and a number written on the object. Each team was challenged to solve the clues and find the object in order to win the prize. Dr. Jaipal Dhoable and Mr. Suhail Tomar, SOET were the coordinators of the event.

Our winning team comprised of me as the Team Leader and, Chhavi Verma, Savi Sethia and Naman Chhalani as its valuable members. As soon as we got the envelope we took our time to decipher what it actually meant. We examined one clue at a time and finished first. It was a great experience almost like something out of a movie. A movie with us solving clues looking for something we only had heard of and never seen before. We were surprised to see that even though being the last ones to start, we were the first to finish. It was fun and I felt good, being the team leader.

-Khushi Parakh (B. Com. - IV Semester)

## RNB MASTERS (Snooker Competition)

'Where you look is where the ball will go'

- Ronnie O'sullivan,  
5 times world champion of 'Master Snooker'

The Snooker competition 'RNB Masters' was organized on January 28<sup>th</sup>, during INSPIRE 2017. Snooker is one of the popular games played by the youth of the 21<sup>st</sup> Century. A lot of patience and concentration is required to play and sway the game in ones favour. Overwhelming participation of the RNBIans and students from other schools and colleges made this event very interesting. The students of RNB were over enthusiastic to showoff their talent on this platform. The competition was quite challenging and throughout the event the atmosphere was quite thrilling. Mudit Khajanchi (BBA IV Sem.) was the runner up and I was the winner of the competition. Prizes were distributed in the closing ceremony of the fest on January 29<sup>th</sup>, 2017.

-Keshav Mimani (BBA IV Semester)

## PAPARAZZO

Photography allows one to capture the world around with a click of a shutter. It is an art of observing and of finding something interesting in an ordinary place. I believe it has everything to do with the way you see and perceive objects around you. RNB Global University organized a photography competition "PAPARAZZO" on the first day of INSPIRE 2017. Participants were instructed to capture the still images of the events, organized on the day one of INSPIRE 2017. The best-captured photograph was to be submitted on the next day i.e. 29<sup>th</sup> January for the competition. Students participated actively in this competition and spent their day to capture images of different events. Ms. Shalini Joshi, SOASS & Mr. Kshitij Jangir SOCM, were the coordinators of the event. Fortunately, I was the winner of the competition and got the first prize for my beautifully captured image of a chessboard during the Master Minds Competition. My experience while clicking the photographs was overwhelming because through this I got a chance to see the world around me with a different perspective.

-Arham Bothra (B. Com. II Semester)

## IMPRESSIONS

### *My Documentary: Unforgettable Children*

On the first day of INSPIRE 2017 a documentary making competition – IMPRESSIONS, was organized under the coordinator ship of Prof. Hansraj Arora (SOL) and Prof. Sanjoy Pal SOBAS. Mr. Gopal Singh, Director of Sand Dune International short film festival, judged the competition. The winners of the competition were Umang Khatri, Nagendra Singh & Lovepreet Thind (B. Sc. IV Sem.), and we, Priyanka Wadhwani & Abhay Chawla from B. Sc. and BBA – IV Sem. were the runner up.

For our documentary we chose the topic – *Unforgettable children*. The motto behind choosing this topic was to portray the difficulties a child faces when born on the streets. In India we have millions of children who do not have proper livelihood and at a very early age they have to start working which make their life even more miserable. After talking to children on the streets I got to know one thing that in spite of having so many hardships they still manage to smile. This just left an everlasting impression on my heart. This is the message that was conveyed to the audience by my documentary. My team succeeded in spreading awareness among our viewers on the same. All I would like to say is, Always remember "YOUR SMALL PENNY CAN ADD A MEAL TO THEIR DAY".

-Priyanka Wadhwani (B. Sc. IV Semester)

## KUISINER (Cooking without fire)

Among all the events which were held during INSPIRE 2017, 'Kuiziner' (Cooking without fire) was my favorite one. It was organized on the second day of the annual fest. Dr. Manjoo Saraswat, SOCM and Dr. Manish Pandit, SOBAS, were the coordinators of the event. We were instructed to prepare a dish without using fire/electric appliances. Participants made delicious desserts and snacks. For us, it was not only an opportunity to express our cooking skills but also a way of learning to work in a team and coordinate within given time limit to accomplish a task. It was an amazing experience. Everybody tried hard and put forward their best dish. Chefs from Hotel Narendra Bhavan and Hotel Lakshmi Nivas Palace were the judges of the competition. The First position was won by Apeksha Modi and Priyanka Baid (MBA II Sem.) and Vaishali Khajanchi, Resham Soni & Aarti Aggarwal (BBA IV Sem.) took the second position

-Vaishali Khajanchi (BBA IV Semester)

## ADVERTO

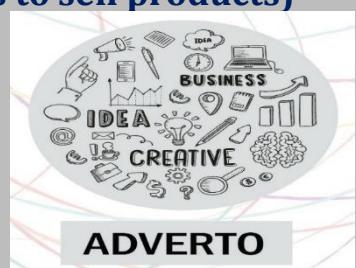

### (Fusing ingenious young minds with fresh strategies to sell products)

Undeniably, advertising is the best way to promote goods and services, and to communicate with the customers. It is said that, 'Great advertisement makes good food taste better'. They make a car run better, it changes the perception of everything. Like clothes make the man, advertisement makes the product. More importantly in this cutthroat competitive age, advertising has become indispensable for manufacturers, distributors, customers and society in general. Keeping in mind all these various points, 'Adverto' - the advertisement making competition was added in RNBGU's annual fest INSPIRE-2017.

This competition was organized by the university to identify the future innovative advertisement geniuses among the students. Participants were given a task of preparing an advertisement video of not more than 5 minutes using notional products with unique features. Professor A. K. Mitra & Mr. Mayank Agarwal, SOCM were the coordinators and Mr. Nadeem Faisal, AGM, Narendra Bhavan, Bikaner, was the judge for this event. Conquering this tough competition Umang Khatri & team (B. Sc. IV Sem.) secured the first position.

For all the participants it was a substantial learning experience; as they showcased their skills with creative ideas, innovative techniques and strategies, to make a unique impression of their products.

-Resham Soni (BBA IV Semester)

ADVERTO

# BIZZ BEE

## (Business Plan)

'Bizz Bee' is an activity to articulate ones business idea into a plan; and for an entrepreneur it's essential to have a well-defined business plan, in-fact it is a must. Working on this logic, RNB Global University organized 'Bizz-Bee' competition on the first day of the annual fest INSPIRE 2017. The event was organized at the Moot Court, Academic Building 2. Professor A. K. Mitra & Mr. Mayank Agarwal from School of Commerce and Management were the coordinators.

To highlight the importance of such competitions (business planning) I like to quote few lines from Lewis Carroll's *Alice's Adventures in Wonderland*.

When Alice comes to a fork on the road and asks Cheshire Cat:

"Would you tell me, please, which way I ought to go from here?"

"That depends a good deal on where you want to get to," said the Cheshire Cat.

"I don't much care where—" said Alice.

"Then it doesn't matter which way you go," said the Cat.

I consider this as a perfect example of lack of vision/clear goal. Nowadays, youngsters have lots of ideas in their mind and are very passionate to become an entrepreneur, but they are not focused and lack a clear vision/goal and proper planning.

Keeping this fact in mind RNB Global University provided a platform to the young aspiring entrepreneurs to generate an idea and transform it into a well-defined business plan. Enthusiastic participants presented their ideas and business models through presentations. Mr. Nadeem Faisal, AGM, Narendra Bhavan, Bikaner, was the judge for this competition. Mr. Faisal appreciated the talent and potential of the participants. Varun & Team (MBA IV Sem.) was declared the winner, and Naman & Team (B. Com. IV Sem.) were the runners up of the competition.

# 20.17 FM: A Memorable Experience

In the beginning of this academic session I had planned to experience every new activity, be it sports, cultural, or academics. I knew well events to be organized during INSPIRE 2017, and decided to take part in almost all the events because I believe in participation is equally as important as winning.

It was 28th of January and just after the dance competition, the 20.17 FM was to be organized. I was very nervous about this event, as it was the first time I was performing as a radio jockey. As I reached the venue the competition was about to start. Coordinators of the event Dr. Amit Joshi & Ms. Shalini Joshi from School of Arts and Social Sciences familiarized the participants with rules and regulations of the competition. Participants were instructed to decide and prepare a topic of their choice in five minutes. The most exciting part of the competition was its judge - the very talented RJ Rohit from 92.7 Big FM, Bikaner.

When the competition began, I was amazed to see the performances of the participants. Their confidence and excellent command over the language made me very nervous. But eventually I got over my nervousness and regained confidence just in time. I started off with full confidence and went on pretty strong. I got a huge round of applause. Although it was just a random try, still I was happy that I tried a new thing. As the results were announced, I was not even counting myself in the race of winning but to my great surprise I was the winner of the event. I hugged my friends tight out of excitement when they congratulated me. Everybody complimented my performance. I felt on the top of the world at that moment.

I was proud of myself not because I won the 1st prize of Rs. 2100/- (Well, although that is one solid reason to be proud) but I was also proud of my genuine efforts that went in. It was a memorable experience, as I explored a new talent. It also bolstered my confidence as I imbibed a desire to challenge myself and push my limits.

## CASH THE TRASH (Junkyard)

Why don't you let your TRASH bring you some CASH??

Are you still throwing out those empty cans from last night's party?

Wait a minute!! I have something very exciting for you.

We all have heard the saying "One man's junk is another man's treasure". Well this holds true in RNB Global University.

Many multi-talented RNBIans participated in the 'Cash the Trash' competition organized on the second day of INSPIRE 2017. Coordinators of the event Professor Kumud Sarin, Dean and Dr. Praveen Gupta, Associate Professor, from the School of Basic and Applied Sciences briefed the participants on the rules of the competition.

The participants brought in their best ideas. I remember a group of students who made serving trays with broken photo-frames and waste yarns. Enthusiasm & excitement of the participants during the competition was remarkable. Everyone was deeply involved in transforming their trash into a beautiful, innovative & useful thing so that they can convert their *junk into cash*.

The winner of the competition was Abhilasha & Team, who showcased their exceptional talents followed by the runner up Gunjan & Team.

So friends, what are you waiting for?

Quit reading this, "Go give your unused stuff a new home- I promise it will make you feel good".  
😊

-Ajoshweta Periwala (MBA II Semester)

# IT'S - TYLISH

**ITS-TYLISH**

Style is not all about being fashionable or trendy but it is about one's comfort, grace, sophistication, simplicity, attitude and the way one carries oneself.

RNBGU organized 'IT'S- TYLISH' on the second day of the annual fest INSPIRE 2017. It was much more than a competition; it was a platform for the students to showcase their hidden talents and to show what sets them apart from others.

It is said, "You are what you wear". A formal dressing style signifies an executive. A traditional sense of style indicates a person who appreciates vintage, while a funky attire implies an easygoing, fun person with a laid back attitude.

The event was hosted in the hope of showcasing ethnic attire. The fashion show featured different outfits that students wear to parties and functions.

Judges are the integral part of every competition therefore; the esteemed judges for this stylish event were Ms. Bharati Daftari, Aaina Botique and Ms. Ekta (Embellish beauty parlour).

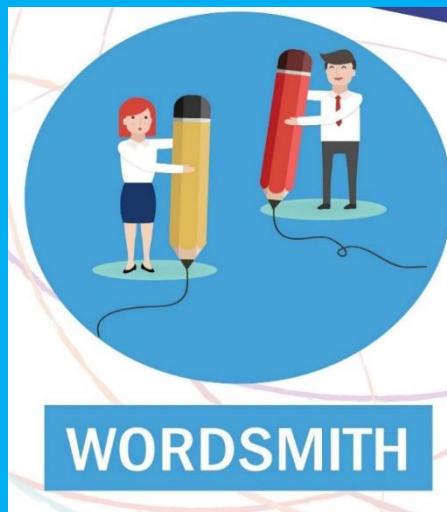

The competition comprises of two rounds- First was the introduction round where the participant wearing an ethnic attire ramp walked with their partners and introduced themselves. In the second round, talents of the participants were showcased.

The event was a grand success, as the young RNBIans liked it a lot. Because of this competition RNBIans got a new concept of style and fashion, as the competition emphasized not only on the outer beauty of a person but also focused on the beauty of inner self.

Ms. Khyati Jain and Ms. Deepali Sahoo, SOL were the coordinators of the event; and Muskan Chhajer and Paramdeep Singh (BBA II Sem.) were the winners of the competition.

-Priyanka Baid (MBA - II Semester)

## WORDSMITH: REMINISCENCES

I participated in Wordsmith, a contest for creative writing, held on the first day of the annual fest INSPIRES 2017 at RNB Global University. Dr. Awadhesh Pandey, SOBAS and Ms. Shalini Joshi, SOASS were the coordinators of the event. The esteemed judge for the event was Mr. Malchand Tiwari, a poet, writer, and translator, who received the coveted *Sahitya Academy* award in 1997 for his poetry.

A lot of students, from other colleges also participated in this event. Before the competition began the judge Mr. Tiwari gave us an insight on creative writing. In his address he explained how writing is a spontaneous act, and how one has to let go of oneself and drift with emotions to write something. We were given the liberty to write anything such as a character sketch or an event that one has experienced. Grabbing this opportunity to showcase my love for poetry, I wrote about a fictional character, I hope to see in my life as my partner. It was a moment of spontaneity; everyone was drifting away from the world of reality to his or her own world of imagination. Engrossed in themselves, each one exhibited different facial expression of satisfaction, sadness, pleasure, peace and pain etc. I saw how people here at RNB Global University like to express themselves without any restrain. Very soon the results were announced and despite having doubts on my verse, to my great astonishment I was declared first, the silver was grabbed by Palak Kocher (BBA IV Sem.) for her Prose. It was truly an experience of being in the moment.

-Soju Joseph (B. Sc. IV Semester)

## MYSTICAL RHYTHMS

Out of the several events that took place during INSPIRE 2017, Mystical Rhythms (singing competition) was one of the most memorable. Besides RNBians the event witnessed huge and active participation from various academic institutions/colleges of Bikaner. Mr. Anurag Harsh from National Rajasthan, Bikaner and Professor Hansraj Arora, SOL, were the judges. Dr. Amit Joshi, SOASS and Mr. Akhand Pratap Singh, SOBAS, were the coordinators of the event. The Stage was managed eloquently by Divyaraj Singh Rathore (BA LLB - II Sem.).

As the competition started, students came forward with their remarkable singing talents and the theatre was filled with melodies. While all students sang well, some rocked the stage. The judges Mr. Harsh and Prof. Arora, were lost in the classical singing of Akanksha Bhojak of Govt. Dungar College, Bikaner, who eventually got the first prize followed by the first and second runner up Pankaj Kumar Pandey from Govt. Engineering College, Bikaner and me respectively. All the three winning performances along with the others were fabulous and exhibited young singing talent at their best. Although, the 'duet' and 'group' category witnessed only a single participant, yet the overall event was remarkable and magnificent.

This was the only event for which I rehearsed a lot at home as well as in the University. My friends Rishabh and Pradhuman helped me a lot in my preparation. Finally, it was 29th Jan 2017, the day on which I had to perform. At first, I was very apprehensive that I might forget the lyrics but gradually I overcame my apprehensions. My name was announced for the performance. I started quite well and then I became confident and sang with my natural flare. Really, it was a thrilling and enjoyable moment for me. After the performance I was very happy as one all applauded me for my performance.

-Rahul Kagdiyal (B. Sc. II Semester)

## TWIST AND TURNS

Dance is more than just a sport it is a passion. Dance is something you work hard for, something you put all of your effort into. Out of the several events that took place during INSPIRE 2017, the technocultural fest of the university, held on 28th and 29th January. My favorite event was 'Twist and Turns'. This particular event was enjoyed a lot by the audience. Students from other schools and colleges enthusiastically participated in this event along with the RNBIans. This competition was organized in three categories - Singles, Duets and Groups. Coordinators of the event Ms. Khyati Jain & Ms. Deepali Sahoo, SOL briefed the participants on the rules and regulations of the competition. All the participants performed very well. They showcased their skill and talent in such a manner that the whole theatre was filled with cheers.

The judge Mr. Uttam Singh, a theatre artist, was amazed to see the fabulous dance performance given by Pranay Kachhawa of M. N. Institute of Applied Sciences, Bikaner, who secured first position in the (senior) Solo performance category. Aman (BBA LLB II Sem.) secured the second position in the same category. In the Junior Solo category Srishti Bajaj from Seth Tolaram Bafna Academy, Bikaner was the winner. In the Senior Duet category, Mukund Kanwar (LLB II Sem.) & Ajoshweta Periwal (MBA II Sem.) bagged the first position and we got second position in the same category. In the Junior Duet category Nisha & Monica from Vidhyaniketan Senior Secondary School, Bikaner, got first position. Garima & Team, and Deeksha & Team secured the first and second position respectively in the category of Senior Group category. Mr. Amit Tandon gave the prizes before his live performance during the closing ceremony. This event gave us an opportunity to sharpen our skills.

-Muskan Chhajer & Twinkle Surana  
(BBA II Semester)

## I AM KALAM (Working Model/Project)

RNB Global University is committed towards the holistic development of the students. 'I am Kalam' was an event organized on the first day of INSPIRE 2017. In this competition students were asked to prepare a working model/project based on the theoretical knowledge gained in the classroom. The competition was an attempt to provide a platform to the students to concretize their abstract theoretical concepts. Prof. Kumud Sarin and Prof. R N Gupta, SOBAS, were the coordinators of the event, and the judge for the event was Professor Dr. Vimla Meghwal from SKRAU, Bikaner.

I, along with my team of three members – Prabhjot Kaur, Pragya Shubha Ramawat & Vaishali Jangir (B. Sc. II Sem.), was at the venue to display our project. There were several more teams competing in this event. The project had various categories like mechanical, hydro, solar, etc. My project was on wastewater management and rainwater harvesting. After all the projects were assembled, the judges arrived and interacted with the students. The Judges asked several questions to the participants based on their respective projects. Judges reserved their opinion regarding the projects to be announced on the next day. The result was announced on the second day and as expected we were the winners of the competition. Kamlesh (B. Tech. II sem.) with his team secured the second position. My team, and me not only enjoyed this event a lot but also benefited by all the information provided by the teachers and other teams during the event.

-Simranleen Singh (B. Sc. II Semester)

## DRAMATIX

Shakespeare's renowned quote – "All the world's a stage, And all the men and women merely players" throws light on the importance of drama in one's life as it not only encourages us to be self confident, self reliant and proactive but also helps in the development of our concentration and communication skills. Keeping this in mind RNB Global University organized a drama competition – 'Dramatix' on 28<sup>th</sup> January during INSPIRE 2017 in the Open Air Theatre. Students from all the programs participated in the competition. The themes for the drama were unconventional social issues. Mr. Uttam Singh, a theatre artist & choreographer, was the judge of the competition.

Preeti & Team from MBA IV semester notched the first position for their stupendous enactment on the problems of women's distortion in our country. The first runner up was Kartik & Team from B. Sc. II semester, who by their emotional patriotic play on martyrs brought tears to everyone's eyes. Thus, 'Dramatix' event served as a ground for dispersion of diverse emotions of felicity, melancholy, patriotism, bravery, etc. Ms. Shalini Joshi, SOASS and Mr. Kshitij Jangir, SOCM were the coordinators of this event.

-Kartik Rajpurohit (B. Sc. II Semester)

## EARTHY ART (Sand Art & Clay)

### EARTHY ART

Earthy Art is also referred to as, "Land Art". It largely puts its focus on the natural landscape to create site-specific structures, art forms, and sculptures using material that can be extracted directly from nature, such as stones, water, gravel, and soil. Hence, to acquaint the students with this unique art and, with a purpose to prepare them to showcase their talent and creativity in any environment, RNB Global University organized Earthy Art competition on the second day of INSPIRE 2017. Mr. Anurag Harsh from National Rajasthan was judging the competition and Ms. Deepali Sahoo, SOL & Mr. Kshitij Jangir, SOCM were the coordinators of the events. Several teams participated in the competition. Our team consists of Khushi Parakh as team leader and Bhavya Gupta, Kalpana Agrawal, and me as members. When we began it seemed to be a challenge to complete the task in one hour, however, because of the team work and perfect synchronization we could complete it in prescribed time limit. Finally our strategy and hard work won, we won the first prize for the competition. The second prize went to Prabhjot and Team. Our Clay art was appreciated a lot by the judge and viewers.

# INSPIRE: CLOSING CEREMONY

On the second day of the annual techno-cultural fest INSPIRE 2017, the closing ceremony commenced with great zeal with the welcoming of dignitaries and guests. Everyone had gathered in the Open-Air Theatre to bid adieu to two days of success, learning's and fun as we start awaiting the next year's festivities. The special guest for the ceremony was none other than Mr. Amit Tandon, a famous television actor & singer. His singing created an ambience of vigour and melody. His performance was relished a lot by the youth and everyone was compelled to shake a leg with him. Winners and the runners up of various events were awarded prizes by the Honorable Vice Chairman Mr. Pramod Bajaj and Mr. Amit Tandon.

The ceremony ended with the award for the best programme going to the School of Commerce and Management. The runner up was School of Basic and Applied Sciences. Finally INSPIRE was declared, "closed" by Prof Chattar Singh, Dean, SOASS and SOCM. Everyone was delighted with the success of INSPIRE. Everyone had his or her own share of memories of the fest. We celebrated the successful passing of two days of competition with students and faculty dancing merrily. As the music stopped, each one of us took back a lot of memories in our hearts along with some new friendships that were forged during the fest.
