## FAREWELL TO OUR PIONEER BATCH

**“Wishing you much joy, happiness and success as you begin a new chapter in your life”**

**Bikaner April 1, 2017:** This was the mantra for the day and the wish of the hour as it was, “The Hasta La Vista” Farewell party of the very first batch of RNBGU (MBA IV SEM.) The campus was abuzz for quite some time and the excitement for this day grew. But such days always come with mixed feelings and this was no different. While we RNBian’s are happy for our pioneering batch we are also sad as they leave us now.

Today’s program started with the ceremonial ribbon cutting by the students of MBA 4th semester as the MBA II Sem. warmly welcomed them by the Tilak ceremony. The event was hosted Nikita Soni and Divyaraj Singh Rathore. After a witty and cheerful welcome, Kamakshi gave a song performance. Now it was time for some fun filled games. The first one was “Mittens and More” the participants struggled to open gifts with gloved hands. The next one was called, “wrapped” in this the girls had to drape their boy partner in a saree. Deeksha Bhura won the first event while Shubham Phugalia looked dapper in a saree. The last game was, “Marbles fun” where the participants had to dunk their faces in a bowl full of biscuit pieces and try and find 5 candies. Sachin Sarada did a fine job and won this game.

To make the event even more upbeat, there were two dance performances one was a FLASH MOB dance and the other was by the very stylish and talented, “AJ STYLE’ group.

Towards the end seniors were given a token of remembrance in the form of a 'Mementos' with a title for each one of them and their hand prints were taken on a large board reminding us all, that they came as strangers and leave us as friends.

Every student participated and contributed towards the success of the event for their seniors.

On this day the entire RNBGU family wishes each one of our outgoing students a sparkling career and an equally spectacular life ahead.
