## FOUNDER'S DAY

RNB Global University annually observes Founders Day on **3rd of September**. This day is traditionally a very important day in the University calendar when all the members of the University meet to commemorate Late Sh. Jagannath Bajaj Ji who founded the University and who have bequeathed resources for its development.

The Chief Guest for the day was **Shri Bihari Lal Bishnoi -MLA -NOKHA**. On this occasion **Hon'ble Chairman - RNB Global University Dr. Ram Narayan Bajaj Sir, Hon'ble Vice Chairman - Mr. K. K. Bajaj & Hon'ble Vice Chairman - Mr. Pramod Kumar Bajaj** were also present.

Following the tradition, the event began by garlanding the idol of **Late Seth Shri Jagannath Bajaj ji**, the founder of the University by our esteemed Chief Guests. The garlanding was followed by lightening the lamp by **Shri Bihari Lal Bishnoi** and later was felicitated by **President- RNB Global University, Prof.(Dr.)G.S. Karkara**.

The main aim of University is to actively develop the ambition and potential sphere of every student, whether academic or non-academic. The University believes that a student can achieve anything with focus, perseverance and confidence.

RNB Global University strives and initiate for the betterment of its students. To promote the culture of innovation and young start-ups', a motivating initiative step was taken by the university by awarding **Rs. 10,000 to the young incubates** and the young business minds of RNB Global University. The University also gave an opportunity to the incubatee, **Ms.Rajul Banthia - student of BBA-V, a platform to launch to her product "KHOYA CITY" on the occasion of Founder's Day.**

Awards were also disturbed to the faculties for their contribution towards the university.

The two-day program began with an introduction about the faculties; make the students aware of their academic aspects, scope of the course, achievements of the department. The departmental curricular and co-curricular activities were emphasized in detail. One by one interaction with faculty member was also held. At the end of the event the senior students performed various cultural activities, including dance and drama to end the day on a fun-note!

# NAVRATRI CELEBRATION @ RNB

Navaratri is an annual Hindu festival observed in the honour of the goddess Durga. It spans over nine nights (and ten days), first in the month of Chaitra (March/April of the Gregorian calendar), and again in the month of Sharada. It often ends with the **Dussehra (also called Vijayadashami)** celebration on the 10th day. It is observed for different reasons and celebrated differently in various parts of the Hindu Indian cultural sphere.

RNB Global University not only focuses on providing educational knowledge to its students, but also, at the time of festivals ensures that the students get their fair share of enjoyment. The RNB Global University organized two events on the occasion of Navratri. The first event **"Dholida"** was organized on **30<sup>th</sup> September 2022** and the second event **"Dandiya Night"** was organized for the hostellers of RNB Global University on **01<sup>st</sup> October 2022**.

*The Glimpse of both the events are shown below.*

## Dholida

## Dandiya Night

## THE INDIAN ANTARCTIC BILL, 2022

The bill was introduced in Lok Sabha on **April 1, 2022**. The Bill seeks to give **effect to the Antarctic Treaty, the Convention on the Conservation of Antarctic Marine Living Resources, and the Protocol on Environmental Protection to the Antarctic Treaty**. It also seeks to **protect the Antarctic environment and regulate activities in the region**.

### Key features of the Bill include:

**Applicability:** The provisions of the Bill will apply to any person, vessel or aircraft that is a part of an Indian expedition to Antarctica under a permit issued under the Bill. Areas comprising of Antarctica include: (i) the continent of Antarctica, including its ice-shelves, and all areas of the continental shelf adjacent to it, and (ii) all islands (including their ice-shelves), seas, and air space south of 60°S latitude.

**Central committee:** The central government will establish a Committee on Antarctic Governance and Environmental Protection. The Committee will be chaired by the Secretary of the Ministry of Earth Sciences. 10 members, not below the rank of joint secretary, will be nominated from various Ministries and organisations such as defence, external affairs, National Centre for Polar and Ocean Research, and National Security Council Secretariat. In addition, two experts from Antarctic environment and geo-political fields will be nominated by the central government.

**The functions of the Committee include:** (i) granting permits for various activities, (ii) implementing and ensuring compliance of relevant international laws for protection of Antarctic environment, (iii) obtaining and reviewing relevant information provided by parties to the Treaty, Convention, and Protocol, and (iv) negotiating fees/charges with other parties for activities in Antarctica.

**Need for permit:** A permit by the Committee or written authorisation from another party to the Protocol (other than India) will be required for various activities such as: (i) an Indian expedition to enter or remain in Antarctica, (ii) a person to enter or remain in an Indian station in Antarctica, (iii) a vessel or aircraft registered in India to enter or remain in Antarctica, (iv) a person or vessel to drill, dredge or excavate for mineral resources, or collect samples of mineral resources, (v) activities which may harm native species, and (vi) waste disposal by a person, vessel or aircraft in Antarctica.

**Prohibited activities:** The Bill prohibits certain activities in Antarctica including: (i) nuclear explosion or disposal of radioactive wastes, (ii) introduction of non-sterile soil, and (iii) discharge of garbage, plastic or other substance into the sea which is harmful to the marine environment.

**Offences and penalties:** The Bill specifies penalties for contravention of its provisions. For instance, conducting a nuclear explosion in Antarctica will be punishable with an imprisonment of 20 years which may extend to life imprisonment and a fine of at least Rs 50 crore. Drilling for mineral resources or introducing non-native animals or plants in Antarctica without a permit will be punishable with imprisonment up to seven years and a fine between Rs 10 lakh and Rs 50 lakh. The central government may notify one or more Sessions Courts to be the Designated Court under the Bill and specify its territorial jurisdiction to try offences punishable under the Bill.

### **Maxim: Boni judicis est ampliare jurisdictionem**

**Meaning:** It is the part of a good judge to enlarge his jurisdiction, i.e. remedial authority.

### **Maxim: De Minimis Non Curat Lex**

**Meaning:** The law does not govern trifles (unimportant things). Or law is not concerned with small or insignificant things/matters.
