 Academic Session Jan - June 20
Teacher Feedback Form (Review and Design of Curriculum)

Dear Teacher,

We shall be thankful to you, if you can spare some of your valuable time to fill up this form and give us your valuable suggestions for further improvement in the design and review of syllabus.

 School: SOCM Name: Sunny Masand Academic Year(s):
(Asst. Professor)

Please rate the following parameters, based on your assessment of the quality and adequacy of curriculum offered for the program, on the scale from 1 to 5: (Strongly Agree: 5, Agree: 4, Neutral: 3, Disagree: 2, Strongly Disagree: 1)

S. No.	Parameters	1	2	3	4	5
Performance						
1	How do you rate Program you teach in terms of the curriculum syllabi in different semesters?					✓
2	How do you rate quality and relevance of the courses included into the program?				✓	
Planning						
3	The courses are well structured to achieve the learning outcomes. (Structure refers to combination of lectures, tutorials, practicals, assessment questions, quizzes, case study, survey, projects and learning resources)				✓	
4	The specified contact hours for lecture, tutorial and practical, stated in teaching scheme are sufficient to complete the coverage of syllabus.					✓
5	Reference material and books available in the library are relevant, sufficient and useful.				✓	
Design						
6	The syllabus is sufficient to fulfill the requirements of the society, economy and environment.					✓
7	The syllabus covered the fundamental as well as advanced topics.				✓	
8	The current syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.				✓	
9	The course empowered to build the opportunities in terms of employability/entrepreneurship/higher Studies amongst the students.				✓	
Suggestions						
10	To improve the program, suggest any course/topic in the syllabus to be included as per the requirements of the industry, society, economy and environment.					
11	To improve the program, suggest any course/topic in the syllabus to be changed as per the requirements of the industry, society, economy and environment.					
12	Any other Suggestions:

Teacher Feedback Form (Review and Design of Curriculum)

Dear Teacher,

We shall be thankful to you, if you can spare some of your valuable time to fill up this form and give us your valuable suggestions for further improvement in the design and review of syllabus.

 School: SocM Name: Dr. Meenakshi Sharma Academic Year(s):
 (Prof.)

Please rate the following parameters, based on your assessment of the quality and adequacy of curriculum offered for the program, on the scale from 1 to 5: (Strongly Agree: 5, Agree: 4, Neutral: 3, Disagree: 2, Strongly Disagree: 1)

S. No.	Parameters	1	2	3	4	5
Performance						
1	How do you rate Program you teach in terms of the curriculum syllabi in different semesters?				✓	
2	How do you rate quality and relevance of the courses included into the program?					✓
Planning						
3	The courses are well structured to achieve the learning outcomes. (Structure refers to combination of lectures, tutorials, practicals, assessment questions, quizzes, case study, survey, projects and learning resources)				✓	
4	The specified contact hours for lecture, tutorial and practical, stated in teaching scheme are sufficient to complete the coverage of syllabus.				✓	
5	Reference material and books available in the library are relevant, sufficient and useful.					✓
Design						
6	The syllabus is sufficient to fulfill the requirements of the society, economy and environment.				✓	
7	The syllabus covered the fundamental as well as advanced topics.				✓	
8	The current syllabus meets the expectations in terms of learning values, skills, knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.					✓
9	The course empowered to build the opportunities in terms of employability/entrepreneurship/higher Studies amongst the students.				✓	
Suggestions						
10	To improve the program, suggest any course/topic in the syllabus to be included as per the requirements of the industry, society, economy and environment.					
11	To improve the program, suggest any course/topic in the syllabus to be changed as per the requirements of the industry, society, economy and environment.
