Sub: Sanction Letter regarding your proposal for Grant of Seed Money

Dear Madam ,
Congratulations!!

We are pleased to inform that project proposal entitled "Physico-chemical characterization of Moringa oleifera seeds and extracted oil", submitted by you has been approved. As per your proposal, a sum of Rs. 1,00,000-has been sanctioned as Grant for Seed Money for 01 year under seed funding scheme.

This approval is subject to the following conditions:

1. General purchase / Finance rules will be followed for all purchases as per University norms.
2. The grant will be released as per the requirement sent by PI from time to time and review of progress report submitted.
3. A project submission report along with the details of all expenditure should be submitted by the PI to the accounts department at the end of the project tenure detailing the outcomes i.e, proposed.
4. The Innovation / Patent generated out of the proposed research shall be shared with the University as per the IPR Policy.
5. The PI will be required to present project progress report every six months before the University research board.
6. As one of the expected outcome, the faculty should further approach to get relevant funding for the research work conducted.
7. All equipment or software purchased under the project will be the asset of the University. After completion of project, it is to be handed over to the concerned department.

It bears the approval of competent Authority.
