Venue- Bhraman Path, Bikaner

Time: 09:30 AM onwards

Maanavta Ki Unchi Udan (a social initiative by RNB Global University) organized its maiden Nukkad Natak (Street Play) by the students of RNB Global University at Bharaman Path, Civil Lines on 8 Jan 2017 at 8:00 am.

RNBGU, the harbinger of social development took this initiative to inspire it's students to make their own mark in the world of social responsibility. This initiative aimed to reform the social system by simple yet effective expression of youth. A change in true sense could only be achieved if message transcends the confined walls of ego and reaches to the hearts of common people. Two Nukkad Natak were performed on themes like "Food Wastage" and "Swachh Bharat Abhiyan" which stirred up emotions, created awareness and led the way for positive change in society.

The Registrar Prof. Mahendra Ghadoliya, Deputy Registrar Dr. Manjoo Saraswat, Deans and Faculty Members of the RNBGU graced this event as audience along with other members of the city.

Clothes Distribution Drive

DOC201701260002

Date: 26<sup>th</sup> January 2017

Time: 11:30 AM

Venue- Main Gate, RNB Global University Campus

RNB Global University strongly believes knowledge, competence & resources should be utilized for the welfare and upliftment of society. True to their core values RNBians set out to make this Republic day meaningfully patriotic by organizing a Clothes Donation Drive scheduled for the 26th of Jan 2017.

The seeds of which were sown a month earlier when Times of India on its web page reported cold wave conditions intensifying across the state of Rajasthan, where majority of the places recorded minimum temperatures below the normal notch. Bikaner reported a temperature of 6.5 degrees and a further dip in temperature was predicted.

In the New Year extreme cold gripped the region, it was tough enough for people snuggling under heavy coats and jackets to fight the cold leave alone the ones who had only, but a ripped blanket to protect them.

Therefore as planned moving past symbolic gestures on the 68th Republic Day the students and staff of RNB under its social initiative arm "Maanavta Ki Unchi Udaan" carried out the "Clothes Donation Drive" in an effort to help the needy.

Experiencing the act of giving firsthand, the students recognized that there exists an invisible gap in our society. They also realized their role as future responsible citizens and leaders to bridge this gap in their relevant field. Not only did students pledge to be a part and organize such events in future but many of them also decided to associate voluntarily and work on building various Social Development Projects at the University level.

This drive that was meant to mark our Republic day in a meaningful way by giving back to the community became much more than that, it became a life-changing event for many and has kindled the Samaritan spirit amongst the RNBGU campus members.

DOC201611210003

Date: 21<sup>st</sup> November 2016  
Venue- RNB Global University Campus

Time: 10:30 AM onwards

The RNB Global University is committed that the students be well educated, trained and become responsible citizens and useful members of the society. To encourage the spirit of social service, a Blood Donation Camp was organized at RNB Global University in collaboration with Rotary Club, Bikaner and PBM Government Hospital on November 21, 2016 at its campus at Bikaner. The aim of the drive was to collect 100 units of blood. Enthusiastic students, faculty members and staff voluntarily donated blood. The program witnessed the august presence of the President, Rotary Club Mr. Pradeep Lath, the Secretary Rotary Club, Mr. Pradeep Gupta, Dr. Shaina from PBM Government Hospital, the Registrar, RNB Global University Professor Mahendra Ghadolia, Dr. Manjoo Saraswat (Deputy Registrar, RNBGU), along with the Deans and Faculty members of various schools and forums.

It was the University's endeavor to teach students' their duty towards the society for uplifting the life of thousands and the overwhelming response of the students was testimony of it. All the donors were acknowledged with the certificate. Arrangements were made for the refreshment and juice for the donors. Blood bank team of PBM Hospital Bikaner, worked to make this event a success.

School students commonly experience stress because of increased responsibilities, a lack of good time management, changes in eating and sleeping habits, and not taking enough breaks for self-care. Transitioning to college can be a source of stress for most first-year students. Students were given counseling session about stress that when we feel overwhelming stress related to school it not only demotivates us to do the work, it reduces our overall academic achievement and can lead to increased dropout rates. Not to mention the negative health implications, including depression, poor sleep, substance abuse, and anxiety.

The speaker emphasized that the simplest and most natural way of prevention of soil erosion is through planting vegetation. Erosion of soil from barren land is more, hence the soil must be kept covered by growing grass and planting trees on it. The grass reduces the speed of flow of water and minimizes direct contact of water with soil.

Session gave the importance that the world's forests absorb a third of global emissions every year. Particles, odors and pollutant gases such as nitrogen oxides, ammonia and sulfur dioxide settle on the leaves of a tree. Trees absorb these toxic chemicals through their stomata, or 'pores', effectively filtering these chemicals from the air.
