Maintaining a healthy work-life balance can help to avoid "burn-out" and support good physical health and mental wellbeing.

**Venue- Bikaner Theatre Festival**

Students of RNB Global University rendered their voluntary services during all the four days of Bikaner Theatre Festival-2018 (24 Feb-27 Feb 2018), from setting up the Stage and to manage the day to day affairs of this entire theatre festival. It was really a lifetime experience for our students to work and spend time with world famous Celebrities and Artists. During the festival, students learned that how Discipline and focused dedication towards the work makes these people not only perfectionist in their respective field but also a great artist and a great human being as well.

During the four days festival, Students also got an opportunity to interact with renowned artists like Ms. Ratana Shah Pathak, Ms. Seema Bishwas, Om Ji, Ms. Preetha Thakur and many more. Students interacted with them in which they asked many queries like their journey and experience as an artist.

Such Meaningful interactions are really helpful for the students to develop their personality, in contrast to workbook exercises or oral drills which enables them to be spontaneous in real life. These types of festivals really develop the culture and values amongst the new generation as well.

RAINBOW: EMPOWERMENT THROUGH FREE CHILD EDUCATION

DOC201711010003

Date: 01<sup>st</sup> November 2017  
Venue- RNB Global University Campus

Time: 11:30 AM

Education is one of the most powerful weapons in fighting poverty.

Resident Students of RNB Global University initiated the Mission "RAINBOW" under the umbrella of 'Manavata Ki Unchi Udaan' from 1 Nov 2017 in which they are providing free education to the children of the labourers working at our university campus in order to provide the primary education. The province of RNBGU is hoping a scheme to distribute the slates and pencil to all the children.

Doubtless, education is the most powerful catalyst for social transformation. But child education cannot be done in isolation. A child will go to school only if the family, particularly the mother, is assured of healthcare and empowered. Moreover, at the initial phase of the mission, the RNBian's are providing free education to the children of the workers which are working in university premises. Under this social initiative, the expenses of their study will be borne by the University itself.

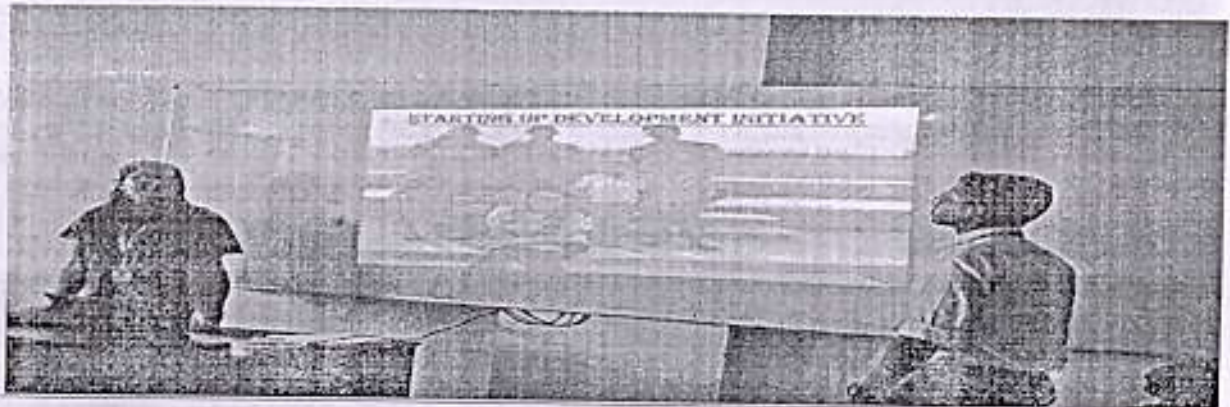

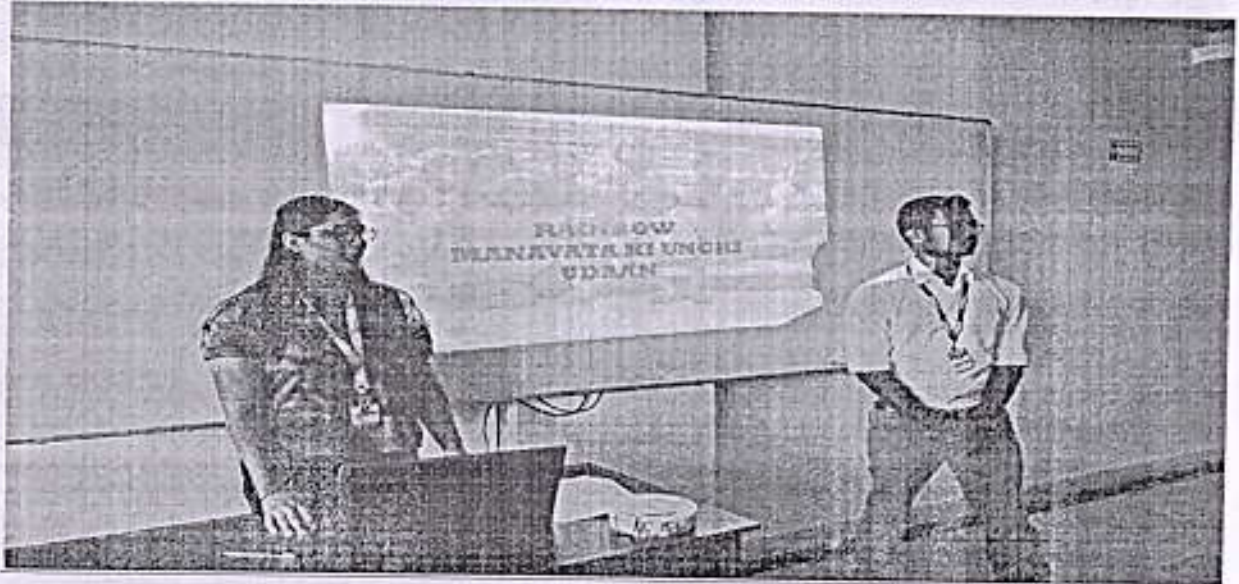

We salute their initiative for this Nobel cause.

*Nukkad Natak on World Food Day to Stop Food Wastage*

"Take What You Eat, Eat What You Take"

RNB Global University has embarked on an extensive drive to educate and inspire residents of Bikaner to do their bit to stop food wastage. "Manavta ki Unchi Udhaan", a social initiative by RNB Global University, organized a series of Nukkad Natak to create social awareness in the different parts of Bikaner on 15th October 2017 on the eve of world food day.

In a bid to enhance awareness about the importance of food, on daily life among the common people, RNBian's decided to use visual medium to draw everyone's attention. Elaborating on this, one of the organisers of this awareness endeavour, says, "We have organized many street plays today at different locations of the city of Bikaner. The idea is to strike a connect with the people through these plays and that's the reason why we have chosen some of the busiest streets in the city to stage these plays." The theatrical campaign begins at 10am and ends at 1pm. Each play highlighted different issues related to food wastage. Students communicated the message that we all should be mindful of the perishable food and plan meals to fit in with their 'use-by' dates. This will prevent unnecessary waste.

These apart, students are also planning to reach to people and market places to create awareness against food wastage and inculcate healthy habits.
