Bikaner Theatre Festival-2019

Date:14th-18th March 2019

Faculty Co-Ordinator: Dr. Vikas Sharma (SOCM) & Mr. Ashok Prem (SOL)

(RNB Global University, Bikaner)

Venue: Hansha Guest house, TM Auditorium, Railway Auditorium, Town Hall, Ravindra Rangmanch in Bikaner

About the Bikaner Theatre Festival

This year, the 4th edition of the festival was held from 14th to 18th March, 2019 in Bikaner at four different places.

This festival was started in 2016 by the prestigious cultural non-for-profit organization "Anurag Kala Kendra". The festival is a magnificent hub of audiences and Theatre performances from all over the country. First started in 2016, this was a 5-day festival held in the cultural capital of Rajasthan that hosts regional, national, independent and experimental works of contemporary Theatre. This year, festival was hosting more than 15 premier plays in 7 different languages like Punjabi, Malayalam, Konkani, Assamees, Rajasthani, Marathi and Hindustani.

If we look at the line-up of renowned Theatre artists at last year's festival, we see Sanjana Kapoor, Rajender Gupta, Bhanu Bharti, Akhilendra Mishra and Makrand Deshpandey who have been part of this festival in past.

More than 300 artists from across the country have gathered in Bikaner. 26 plays have been staged in this Festival under the joint collaboration of West Zone Cultural Center (Udaipur), North Region Cultural Center (Patiala), North Central Cultural Center (Ahmedabad), North Western Railway, Urban Improvement Trust, Virasat Samvardhan Sansthan, Shri Tularam Hansraj Daga Charitable Trust and Anurag Arts Center.

Speaker TM Lalani told that this time the Bikaner Theater Festival has been grand and entertaining. This time this festival was dedicated to Dr. Nand Kishor Acharya, a renowned name, famous for his varied forms of theatre plays.

During All 5 Days the BTF 4 celebrity visited our University. Detail are following

1. **Ms. Sanjana Kapoor** : Co-founder & Director. Sanjna spearheads the Arts at Play for Schools programme, loves the sheer energy and excitement of the arts and is brilliant at curating this for eager audiences. She instigated the creation of the India Theatre Forum (ITF) because she was feeling lonely, and is currently part of the core team as well as a core team member and facilitator for SMART - Strategic Management in the Art of Theatre. Many of you will remember her for building Prithvi Theatre into a warm, inviting cultural hub, some of you will remember her for her earnest Amul India Show questioning, and some of you apparently loved her in Hero Hiralal - a confession which never fails to embarrass her. She believes in multi-tasking, and will one day possibly achieve being in multiple places at once - so that she can always be with theatre and always be with her son at one and the same time. When you don't find her messing about with the arts, you'll probably find her in the jungles of Africa or scuba-diving in some beautiful ocean somewhere, talking to the manta-rays.

2. **Ashok Banthia**- Famous by the name Ashok Banthia is a Hindi film actor as well as director. Ashok was born in Udaipur in a traditional business family. In the year 1932, after earning a diploma in theatre and dramatics from Punjab University, Chandigarh, Ashok went to the National School of Drama in New Delhi followed by a course in the direction at the National Institute of Dramatic Arts (NIDA), in Sydney.

3. **Michel Lestrehan**- Demonstration of Kathakalli He is Expériences with contemporary choreographers in Paris from 1977 (Carolyn Carlson, Karine Saporta, Yano Hideyuki) Michel Lestréhan entered into the Indian dance in 1984 with Kathak in Ahmedabad with Kumudini Lakhia and Arjun Mishra. After one year, he went to Kerala where he was fascinated by the Kathakali dance-theater. He started to study in Kerala Kalamandalam with great master Vazhenkada Vijayan. He returned to Kerala in 1987 for six years to continue the practice of Kathakali in Kalamandalam, and then with Sadanam Krishnankutty. All these years were under the support of Indo-French Cultural Exchange scholarships. Beside Kathakali, Michel practiced also Kalaripayatt martial art in P.K.B. Kalari Sangham with Balan Gurukkal. In India, Michel was participating in Kalamandalam's troupe for programs, and performed several major roles of Kathakali in India and Europe. He organizes also regular tours with great Kathakali artists. His research is based on his early experiences with Western contemporary dance and the inspiration from Indian techniques. He worked on several choreographic pieces, mainly with Indian dancers and musicians.

4. **Bishoy Aniyani**- Bamboo & Saxophone Performance - Famous Music composer, who had also worked at Mathalam: A Ethnic Music Band amazed the audience with his classical flute and saxophone performance.

1. Plan the schedule- BTF is about creating a ~~calendar~~ towards achieving a specific organizational objective. When you are planning, you are identifying the tasks, which are required to achieve the desired goals, outlining how the tasks should be performed, and identifying when and by whom they must be performed. Such as

- When celebrity will arrive
- When the event/ Natak/Show will start
- When breaks will occur
- When meals or refreshments will be served
- When the event will end

2. **Discipline of audience** - Maintained Discipline during the plays at respective venues.

3. **Organizing** - You'd use the above plan and information about the resources you have or which you need, and arrange the resources to the right tasks. Work division, work assignment, Stage handling and assist the various artist teams.

Our university students as a volunteer partner and assigns the following responsibility.

1. Receiving the celebrity from station and airport & take care of them during whole festival.
2. Stage handling and assist the various artist teams.
3. Provide transportation and Logging & Boarding with different venue.
4. Maintained Discipline during the plays at respective venues.

Learning outcome

1. Develop applied skills beyond the classroom environment by testing them in a real-world cultural environment.
2. Develop discipline, organizational skills, confidence and problem-solving etiquette—all capacities that can be fruitfully applied to a wide range of professions including-Theatre acting.
3. Increase abilities in self-reflection, multicultural sensitivity, and the comparison of social values and ethical systems through interaction with other communities and cultures.
4. Demonstrate an understanding of theatre history in the context of world and cultural events.
5. Demonstrate the ability to think critically and analytically to evaluate theatre text, performance and production.
6. Integrate an understanding of diversity, multiculturalism, and identity in the process, practice and study of theatre.

Introduction:

The students arrived at the Green Garden nursery at 10:30 am on 12 September 2019 where they visited all the components of the nursery like the shade net house there they came across pots, hanging baskets, Floral vases preparation of nursery beds, portrays, and the material that is to be filled in the pots, annual flowers such as chrysanthemum, ageratum. The main focus is on learning about the ornamental flower habitat and the suitable weather and soil conditions. Main flower crop from the Asteraceae family and flowers like gladiolus and Rose were used for seedling bed was the primary goal. Students learned the media preparation that is suitable for Floral growth. After the media preparation, they filled the media into pots, portray, and later the seed or seedling was sown. By doing this activity, students develop a clear understanding of the seedling raising of the Flowers and came to know the benefits of the seedling raising of flowers in the nursery. some of them were like it prevents the floral seedlings from the pest and diseases in the Early-Stage growth, it provides that only healthy seedlings were sown so that the maximum beauty and fragrance can be taken. This practice develops the understanding among the students regarding floral seedling raising and its beneficial effects in Floriculture to meet the nation's demand of flower and fragrances such practices must be followed. Later vote of thanks given by Dr. Pradeep Pilania.

Outcomes:

1. To develop the understanding and distinguish between different flowers.
2. To understand the floral seedling raising of the various floral and ornamental plants.
3. To know the benefits of flower and ornamental trees in landscaping.
4. To protect the flower and ornamental trees from various pests and diseases.
5. To understand the role of Floral plants in gardening and landscaping.

During the Nursery visit, students are able to understand all the above activities and they were enthusiastic to perform such activities.

Introduction

A Shade house is a structure enclosed by agro nets or any other woven material to allow required sunlight, moisture and air to pass through the gaps. It creates an appropriate micro climate conducive to the plant growth. It is also referred as shade net house or net house

It refers to a land, which is made free from weeds, stumps, stones, pebbles, etc., and is used for sowing of seeds to raise seedlings and multiplication of different species of plants through asexual means.

Objectives

1. Helps in cultivation of flower plants, foliage plants, medicinal plants, vegetables and spices.
2. Used for fruit and vegetable nurseries as well as for raising of forest species etc.
3. Helps in quality drying of various agro products.
4. Used to protect against pest attack.
5. Protects from natural weather disturbances such as wind, rain, hail and frost.
6. Used in production of graft saplings and reducing its mortality during hot summer days.
7. Used for hardening tissue culture plantlets

MATERIALS REQUIRED-

Digging and hoeing implements, seed, measuring tape, rope and wooden pegs, organic manures (FYM), mulching material.

PREPARATION OF THE NURSERY BED

1. Students prepared the Flat bed
2. The soil of the seedbed must be sterilised by soil solarisation and with Formaldehyde to avoid contamination by pests and diseases.
3. After soil preparation, the recommended dose of manure and fertilisers is mixed in the nursery bed.
4. The area selected for nursery is well prepared till the pulverization of land and well rotten FYM at the rate of 10 kg per square meter area and is thoroughly mixed in the soil.
5. For efficient management, the whole area is divided into uniform size of small beds.
6. Flat bed of 1 meter wide and 15 meter long were prepared.
7. Ridges are prepared around each bed, which facilitate the cultural practices
8. Drip pipelines are laid between the rows of the beds for proper irrigation
9. Seedlings of the Chilly, Bitter guard, Tomato and Brinjal are planted at the distance as per the distance of dripper
10. First watering is done with help of Water cane

All were happy and experienced proud during the preparation of seed beds because it feels great to do positive things.

Such little steps taken together by the faculty and students will surely help in fostering strong mental and social health amongst today's children and elders, so that they connect with their peers, their community and their environment.

Visit to District and Session Court, Bikaner for Lok Adalat

14.09.2019

Visit to District and Session Court Bikaner for Lok Adalat: Students from School of Law, RNB Global University attended Lok Adalat, District and Session Court Bikaner on 14th September, 2019. The Purpose of the visit was to understand the working of courts and the nature of duties of judicial officers in the matter of Lok Adalat. The visit was to help the students understand the role of Lok Adalats in dispensing justice. The role of prosecutors in a case, the way cases proceed in the court, the way judges and defence lawyers handle the cases. The relationship between prosecutors and the police. The visit gave students, an opportunity to understand the actual need of coordination in the four pillars of Procedural Justice. "Lok Adalat (People's Court) is one of alternative dispute resolution mechanisms in India.

A Report on Tree Plantation Drive at RNBGU

Introduction

To celebrate the onset of monsoons and in order to foster the importance of forest, biodiversity and conservation of ecosystem, RNB Global University organized a plantation drive at the University Campus in association with Rotary Club Aadhya, Bikaner. Over 500 saplings were planted by the students, Staff members of RNB Global University and Rotary Club Aadhya officials.

Staff members of RNBGU actively participated in the programme by planting tree saplings includes fruit bearing, flower bearing and shade bearing varieties to develop a healthy, eco-friendly environment in the University campus. Students not only planted these young saplings but also volunteered to nurture them till the time they get firmly rooted in the ground. The students gained an invaluable experience from this small expedition. They gained knowledge about the different species of plants and also got to know about the procedure of planting trees. The students displayed exemplary enthusiasm in contributing towards this important environmental cause.

One can see the success of previous year's plantation drives inside the University campus with the plants having grown sizably tall. Tree planting event connected the students to the benefits of trees and fostered environmental sensitivity in them. It also brought them closer to the environment.

Report
On
2nd Blood Donation Camp

DOC201801130001

Date: 13th January 2018
Venue- Foyer Academic Building

Time: 03:30 PM onwards

The NSS unit of RNB Global University under the umbrella of "Manavta ki Unchi Udan" organized a Blood Donation camp, in collaboration Rotary Club, Bikaner and PBM Government Hospital, Bikaner on 13th January 2018. The program witnessed the august presence of the Mr. Anil Maheshwari, Past District Governor, Rotary Club, and Dr. Vikas Kaler, Medical officer, PBM Government Hospital and Prof. Mahendra Ghadolia, Registrar, RNB Global University along with the Deans and Faculty members of various #schools and forums of the University.

Dr. Vikas expressed his gratitude to the RNB Global University for its continuous endeavour in this regard. He also stressed on the growing need of blood in the state and commended the young volunteers for their noble act.

More than hundreds volunteers came forward to donate blood during the camp which included teaching & non-teaching staff, students & non-student donors. The blood bank collected for 65 units with higher number of A+ and B+ blood groups. The blood donors were given banana, Biscuits and fruit drink after donating the blood in order to reenergize themselves. The blood donors were provided with a blood donation certificate card by Rotary Club, Bikaner. They also got a credit card where one unit of blood is available free from Govt. Blood Bank in next one year.

This was the 2nd camp conducted by the NSS Unit of the University. The first Blood donation camp was being conducted on 21st November 2016. NSS Unit was honoured and feels privileged to make Blood Donation an annual event.
