## RNB Global University

Notes on Accounts for the year ended on 31st March, 2021

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.a Accounting Convention

The financial statements are prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India. The accounting policies have been consistently applied by the University and are consistent with those used in previous year.

#### 1.b Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the subsequent period.

#### 1.c Revenue Recognition

The University generally follows cash system of accounting and recognizes significant items of income and expenditure on cash basis.

#### 1.d Property, Plant and Equipment

Tangible Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, pre-operative expenses including financial charges and adjustments on account of foreign exchange fluctuations, wherever applicable.

Intangible assets are stated at cost less accumulated amortisation.

Constructed value of the works under construction/ongoing works or works of which bills have not been raised, are not capitalized up to close of financial year are treated as capital work in progress. The unfinished contracts on infrastructure development account are considered in the balance sheet to the tune of payment made less bill raised for such contracts. The unbilled amount would be considered in year of billing by executants of such contracts.

Impairment, if any, in the carrying value of Property, Plant and Equipment is assessed at the end of each financial year in accordance with the accounting policy given below on "Impairment of Assets".

#### 1.e Depreciation and Amortisation

Depreciation is provided as per the provisions of the Income Tax Act, 1961.

#### 1.f Investment

Investments are classified into long term and current investments.

Long-term investments are carried at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

#### 1.g Inventories

Inventories are valued on first in first out basis and are stated at cost. Inventories of Lab Consumables or other consumables which are practically very difficult to keep due to number of items, its types as well as items having very less in value is debited to Income and Expenditure Account.

#### 1.h Borrowing Cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are considered as part of the cost of such assets (net of income on temporary investment out of such borrowings). A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2021

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.i Taxation

The income of the university is exempted from income tax under section 10(23C) of the Income Tax Act, 1961, as such no provision for taxation is made in the books of accounts.

#### 1.j Foreign Currency Transactions

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or as at the year end, as applicable, and gain or loss arising out of such translation is adjusted to the profit and loss account.

#### 1.k Contingencies

Contingent Liabilities are not recognized but disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

#### 1.l Impairment of Assets

At each balance sheet date, the University assesses whether there is any indication that an asset may be impaired. If such indication exists, the University estimates the recoverable amount and where carrying amount of the asset exceeds such recoverable amount, an impairment loss is recognised in the profit and loss account to the extent the carrying amount exceeds recoverable amount. Where there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, the University books a reversal of the impairment loss not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2020

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.a Accounting Convention

The financial statements are prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India. The accounting policies have been consistently applied by the University and are consistent with those used in previous year.

#### 1.b Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the subsequent period.

#### 1.c Revenue Recognition

The University generally follows cash system of accounting and recognizes significant items of income and expenditure on cash basis.

#### 1.d Property, Plant and Equipment

Tangible Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, pre-operative expenses including financial charges and adjustments on account of foreign exchange fluctuations, wherever applicable.

Intangible assets are stated at cost less accumulated amortisation.

Constructed value of the works under construction/ongoing works or works of which bills have not been raised, are not capitalized up to close of financial year are treated as capital work in progress. The unfinished contracts on infrastructure development account are considered in the balance sheet to the tune of payment made less bill raised for such contracts. The unbilled amount would be considered in year of billing by executants of such contracts.

Impairment, if any, in the carrying value of Property, Plant and Equipment is assessed at the end of each financial year in accordance with the accounting policy given below on "Impairment of Assets".

#### 1.e Depreciation and Amortisation

Depreciation is provided as per the provisions of the Income Tax Act, 1961

#### 1.f Investment

Investments are classified into long term and current investments.

Long-term investments are carried at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

#### 1.g Inventories

Inventories are valued on first in first out basis and are stated at cost. Inventories of Lab Consumables or other consumables which are practically very difficult to keep due to number of items, its types as well as items having very less in value is debited to Income and Expenditure Account.

#### 1.h Borrowing Cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are considered as part of the cost of such assets (net of income on temporary investment out of such borrowings). A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2020

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.i Taxation

The income of the university is exempted from income tax under section 10(23C) of the Income Tax Act, 1961, as such no provision for taxation is made in the books of accounts.

#### 1.j Foreign Currency Transactions

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or as at the year end, as applicable, and gain or loss arising out of such translation is adjusted to the profit and loss account.

#### 1.k Contingencies

Contingent Liabilities are not recognized but disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

#### 1.m Impairment of Assets

At each balance sheet date, the University assesses whether there is any indication that an asset may be impaired. If such indication exists, the University estimates the recoverable amount and where carrying amount of the asset exceeds such recoverable amount, an impairment loss is recognised in the profit and loss account to the extent the carrying amount exceeds recoverable amount. Where there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, the University books a reversal of the impairment loss not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods.

21 Restricted funds are funds setup by the University to meet general fund requirement mainly short term. The University has setup one fund under this category name by RNBGU Revolving Funds which consists of funds from donors/entities which is returnable after regular intervals/time period as mutually agreed. This is not considered as loan as they are funds given by donors/entities under social initiatives and are interest free.

22 Designated/Earmarked fund of Rs.24,21,00,000.00 transferred to General fund.

23 Restricted funds consists of RNBGU Revolving Fund which has balance from following entities as on 31st March, 2020.

RNBGU Revolving Fund	Balance
RNB Merchantile Pvt. Ltd.	1,49,00,000.00 (Cr.)

24 The university being not for profit has been helped by many donors especially the RNB Group (Promoters) by allowing utilization of resources owned by such entities. The financial cost involved/incurred for utilization of such resources is paid by the University to the tune of its utilizations.

- 25 Based on information available with the University, there are no dues to Micro enterprises and Small Enterprises as defined in the Micro, Small and Medium Enterprises Development Act, 2006 as at 31st March, 2020
- 26 There is no contingent liability against the university.
- 27 In the opinion of the management the Current Assets, Loans, Advances & Deposits and Other Current Assets have a value on realisation in the ordinary course of business and provisions for all known liabilities have been made.
- 28 The accounts of loans, advances & Deposits, Current Liabilities, Other Current Assets are subject to confirmation and reconciliation.
- 29 Bank balances are subject to confirmation and reconciliation.
- 30 The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary.
- 31 Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2019

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.a Accounting Convention

The financial statements are prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India. The accounting policies have been consistently applied by the University and are consistent with those used in previous year.

#### 1.b Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the subsequent period.

#### 1.c Revenue Recognition

The University generally follows cash system of accounting and recognizes significant items of income and expenditure on cash basis.

#### 1.d Fixed Assets

Tangible Fixed Assets are stated at cost less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, pre-operative expenses including financial charges and adjustments on account of foreign exchange fluctuations, wherever applicable.

Intangible assets are stated at cost less accumulated amortisation.

Constructed value of the works under construction/ongoing works or works of which bills have not been raised, are not capitalized up to close of financial year are treated as capital work in progress. The unfinished contracts on infrastructure development account are considered in the balance sheet to the tune of payment made less bill raised for such contracts. The unbilled amount would be considered in year of billing by executants of such contracts.

Impairment, if any, in the carrying value of fixed assets is assessed at the end of each financial year in accordance with the accounting policy given below on "Impairment of Assets".

#### 1.e Depreciation and Amortisation

Depreciation is provided as per the provisions of the Income Tax Act, 1961

#### 1.f Investment

Investments are classified into long term and current investments.

Long-term investments are carried at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

#### 1.g Inventories

Inventories are valued on first in first out basis and are stated at cost. Inventories of Lab Consumables or other consumables which are practically very difficult to keep due to number of items, its types as well as items having very less in value is debited to Income and Expenditure Account.

#### 1.h Borrowing Cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are considered as part of the cost of such assets (net of income on temporary investment out of such borrowings). A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2019

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.i Taxation

The income of the university is exempted from income tax under section 10(23C) of the Income Tax Act, 1961, as such no provision for taxation is made in the books of accounts.

#### 1.j Foreign Currency Transactions

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or as at the year end, as applicable, and gain or loss arising out of such translation is adjusted to the profit and loss account.

#### 1.k Contingencies

Contingent Liabilities are not recognized but disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

#### 1.m Impairment of Assets

At each balance sheet date, the University assesses whether there is any indication that an asset may be impaired. If such indication exists, the University estimates the recoverable amount and where carrying amount of the asset exceeds such recoverable amount, an impairment loss is recognised in the profit and loss account to the extent the carrying amount exceeds recoverable amount. Where there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, the University books a reversal of the impairment loss not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods.

*(Note: This space has been intentionally left blank.)*

21 Designated/Earmarked funds are funds set up by the University for specific purposes or to meet specific current or future commitments. The University has setup RNBGU Infrastructure Development Fund to be used for development of University Infrastructure. The funds consists of both conditional and unconditional funds given by donors. The transaction and balances in the fund are maintained donor/entity/purpose wise and later are recognised in General fund on completion of specific purpose. If the purpose is not met within time period then these funds would be returnable to donor/entities without interest.

22 Designated/Earmarked funds consists of RNBGU Infrastructure Development Fund which has balance from following entities as on 31st March,2019.

Designated/Earmarked funds	Balance
RNB Infrastructure Pvt. Ltd.	24,21,00,000.00 (Cr.)

23 Restricted funds are funds setup by the University to meet general fund requirement mainly short term. The University has setup one fund under this category name by RNBGU Revolving Funds which consists of funds from donors/entities which is returnable after regular interval/time period as mutually agreed. This is not considered as loan as they are funds given by donors/entities under social initiatives and are interest free.

24 Restricted funds consists of RNBGU Revolving Fund which has balance from following entities as on 31st March, 2019.

RNBGU Revolving Fund	Balance
RNB Merchandise Pvt. Ltd.	₹ 37,50,000.00 (Cr.)

25. The Sponsoring body of the University is in process of transfer of assets both movable and immovable as per the provision of the RNB Global University, Bikaner Act 2015. The assets of which ownership is transferred to the University are considered in the year of such transfer, however expenses incidental to use of such assets is considered in the year of expenditure.
26. The university being not for profit has been helped by many donors especially the RNB Group (Promoters) by allowing utilization of resources owned by such entities. The financial cost involved/incurred for utilization of such resources is paid by the University to the tune of its utilizations.
27. Based on information available with the University, there are no dues to Micro enterprises and Small Enterprises as defined in the Micro, Small and Medium Enterprises Development Act, 2006 as at 31st March, 2019
28. There is no contingent liability against the university.
29. In the opinion of the management the Current Assets, Loans, Advances & Deposits and Other Current Assets have a value on realisation in the ordinary course of business and provisions for all known liabilities have been made.
30. The accounts of Loans, Advances & Deposits, Current Liabilities, Other Current Assets and bank balances are subject to confirmation and reconciliation.
31. The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2018

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.a Accounting Convention

The financial statements are prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India. The accounting policies have been consistently applied by the University and are consistent with those used in previous year.

#### 1.b Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the subsequent period.

#### 1.c Revenue Recognition

The University generally follows cash system of accounting and recognizes significant items of income and expenditure on cash basis.

#### 1.d Fixed Assets

Tangible Fixed Assets are stated at cost less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, pre-operative expenses including financial charges and adjustments on account of foreign exchange fluctuations, wherever applicable.

Intangible assets are stated at cost less accumulated amortisation.

Constructed value of the works under construction/ongoing works or works of which bills have not been raised, are not capitalized up to close of financial year are treated as capital work in progress.

Impairment, if any, in the carrying value of fixed assets is assessed at the end of each financial year in accordance with the accounting policy given below on "Impairment of Assets".

#### 1.e Depreciation and Amortisation

Depreciation is provided as per the provisions of the Income Tax Act, 1961

#### 1.f Investment

Investments are classified into long term and current investments.

Long-term investments are carried at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

#### 1.g Inventories

Inventories are valued on first in first out basis and are stated at cost. Inventories of Lab Consumables or other consumables which are practically very difficult to keep due to number of items, its types as well as items having very less in value is debited to Income and Expenditure Account.

#### 1.h Borrowing Cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are considered as part of the cost of such assets (net of income on temporary investment out of such borrowings). A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2018

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.1 Taxation

The income of the university is exempted from income tax under section 10(23C) of the Income Tax Act, 1961, as such no provision for taxation is made in the books of accounts.

#### 1.2 Foreign Currency Transactions

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or as at the year end, as applicable, and gain or loss arising out of such translation is adjusted to the profit and loss account.

#### 1.3 Contingencies

Contingent Liabilities are not recognized but disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

#### 1.4 Impairment of Assets

At each balance sheet date, the University assesses whether there is any indication that an asset may be impaired. If such indication exists, the University estimates the recoverable amount and where carrying amount of the asset exceeds such recoverable amount, an impairment loss is recognised in the profit and loss account to the extent the carrying amount exceeds recoverable amount. Where there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, the University books a reversal of the impairment loss not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods.

(Note: This space has been intentionally left blank.)

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2018.

Particulars		As at 31 March, 2018	As at 31 March, 2017
<b>2 UNRESTRICTED FUNDS</b>			
<b>Corpus</b>			
Balance as at the beginning of the year		11,000.00	11,000.00
Additions to the Funds		-	-
Utilisation of the Funds		-	-
Balance as at the end of the year	A	11,000.00	11,000.00
<b>General Fund</b>			
Balance as at the beginning of the year		(96,241,151.47)	(29,835,711.51)

22 Designated/Earmarked funds are funds set up by the University for specific purposes or to meet specific current or future commitments. The University has setup RNBGU Infrastructure Development Fund to be used for development of University Infrastructure. The funds consists of both conditional and unconditional funds given by donors. The transaction and balances in the fund are maintained donor entity/purpose wise and later are recognised in General fund on completion of specific purpose. If the purpose is not met within time period then these funds would be returnable to donor/entities without interest.

23 Designated/Earmarked funds consists of RNBGU Infrastructure Development Fund which has balance from following entities as on 31st March, 2018.

Designated/Earmarked funds	Balance
RNB Infrastructure Pvt. Ltd.	31,78,41,500.00 (Cr.)

24 Restricted funds are funds setup by the University to meet general fund requirement mainly short term. The University has setup two funds under this category name by RNBGU Revolving Funds which consists of funds from donors/entities which is returnable after regular intervals/time period as mutually agreed. The second fund setup under this category is RNBGU Expenses Management fund which consists of fund of donor/entities which is used for meeting regular University expenses and are returnable after time period as mutually agreed. These are not considered as loan as they are funds given by donors/entities under social initiatives and are interest less.

25 Restricted funds consists of RNBGU Revolving Fund which has balance from following entities as on 31st March, 2018.

RNBGU Revolving Fund	Balance
RNB Merchantile Pvt. Ltd.	5,12,50,000.00 (Cr.)

26. The Sponsoring body of the University is in process of transfer of assets both movable and immovable as per the provision of the RNB Global University, Bikaner Act 2015. The assets of which ownership is transferred to the University are considered in the year of such transfer, however expenses incidental to use of such assets is considered in the year of expenditure.
27. There are unfinished contracts on infrastructure development account and hence the amount considered in the balance sheet is to the tune of payment made less bill raised for such contracts. There are certain unbill amount which would be considered in year of billing by accountants of such contracts.
28. The university being not for profit has been helped by many donors especially the RNB Group (Promoters) by allowing utilization of resources owned by such entities. The financial cost involved incurred for utilization of such resources is paid by the University to the tune of its utilizations.
29. Based on information available with the University, there are no dues to Micro enterprises and Small Enterprises as defined in the Micro, Small and Medium Enterprises Development Act, 2006 as at 31st March, 2018
30. There is no contingent liability against the university
31. In the opinion of the management the Current Assets, Loans, Advances & Deposits and Other Current Assets have a value on realisation in the ordinary course of business and provisions for all known liabilities have been made.
32. The accounts of loans, advances & Deposits, Current Liabilities, Other Current Assets and bank balances are subject to confirmation and reconciliation.
33. The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2017

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.a Accounting Convention

The financial statements are prepared under the historical cost convention in accordance with Generally Accepted Accounting Principles in India. The accounting policies have been consistently applied by the University and are consistent with those used in previous year.

#### 1.b Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the subsequent period.

#### 1.c Revenue Recognition

The University generally follows cash system of accounting and recognizes significant items of income and expenditure on cash basis.

#### 1.d Fixed Assets

Tangible Fixed Assets are stated at cost less accumulated depreciation. Cost includes all incidental expenses related to acquisition and installation, pre-operative expenses including financial charges and adjustments on account of foreign exchange fluctuations, wherever applicable.

Intangible assets are stated at cost less accumulated amortisation.

Constructed value of the works under construction/ongoing works or works of which bills have not been raised, are not capitalized up to close of financial year are treated as capital work in progress.

Impairment, if any, in the carrying value of fixed assets is assessed at the end of each financial year in accordance with the accounting policy given below on "Impairment of Assets".

#### 1.e Depreciation and Amortisation

Depreciation is provided as per the provisions of the Income Tax Act, 1961.

#### 1.f Investment

Investments are classified into long term and current investments.

Long-term investments are carried at cost. Provision for diminution, if any, in the value of each long-term investment is made to recognize a decline, other than of a temporary nature.

Current investments are carried individually at lower of cost and fair value and the resultant decline, if any, is charged to revenue.

#### 1.g Inventories

Inventories are valued on first in first out basis and are stated at cost. Inventories of Lab Consumables or other consumables which are practically very difficult to keep due to number of items, its types as well as items having very less in value is debited to Income and Expenditure Account.

#### 1.h Borrowing Cost

Borrowing cost that are attributable to the acquisition or construction of qualifying assets are considered as part of the cost of such assets (net of income on temporary investment out of such borrowings). A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

## RNB Global University

Notes on Accounts for the year ended on 31st March, 2017

### 1. SIGNIFICANT ACCOUNTING POLICIES

#### 1.i Taxation

The income of the university is exempted from income tax under section 10(23C) of the Income Tax Act, 1961; as such no provision for taxation is made in the books of accounts.

#### 1.j Foreign Currency Transactions

Foreign exchange transactions are recorded at exchange rates prevailing on the date of the transactions. Monetary assets/liabilities are translated at exchange rates prevailing on the date of settlement or as at the year end, as applicable, and gain or loss arising out of such translation is adjusted to the profit and loss account.

#### 1.k Contingencies

Contingent Liabilities are not recognized but disclosed in the notes. Contingent Assets are neither recognized nor disclosed in the financial statements.

#### 1.l Impairment of Assets

At each balance sheet date, the University assesses whether there is any indication that an asset may be impaired. If such indication exists, the University estimates the recoverable amount and where carrying amount of the asset exceeds such recoverable amount, an impairment loss is recognised in the profit and loss account to the extent the carrying amount exceeds recoverable amount. Where there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased, the University books a reversal of the impairment loss not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods.

- 22 Designated/Earmarked funds are funds set up by the University for specific purposes or to meet specific current or future commitments. The University has setup RNBGU Infrastructure Development Fund to be used for development of University Infrastructure. The funds consists of both conditional and unconditional funds given by donors. The transaction and balances in the fund are maintained donor/entity/purpose wise and later are recognised in General fund on completion of specific purpose.

- 23 Designated/Earmarked funds consists of RNBGU Infrastructure Development Fund which has balance from following entities as on 31st March,2017

Designated/Earmarked funds	Balance
Ram Bajaj Foundation	5,00,00,000.00 (Cr.)
Ram Bajaj Foundation Society	3,03,85,969.97 (Cr.)
RGU Edu Infra Services Trust	82,067.75 (Dr.)
RNB Infrastructure Pvt. Ltd.	1,65,00,000.00 (Cr.)

- 24 Restricted funds are funds setup by the University to meet general fund requirement mainly short term. The University has setup two funds under this category name by RNBGU Revolving Funds which consists of funds from donors/entities which is returnable after regular intervals/time period as mutually agreed. The second fund setup under this category is RNBGU Expenses Management fund which consists of fund of donor/entities which is used for meeting regular University expenses and are returnable after time period as mutually agreed. These are not considered as loan as they are funds given by donors/entities under social initiatives and are interest less.

- 25 Restricted funds consists of RNBGU Expenses Management Fund & RNBGU Revolving Fund which has balance from following entities as on 31st March,2017.

RNBGU Expenses Management Fund	Balance
RGU Educational Services Trust	1,28,076.00 (Dr.)

RNBGU Revolving Fund	Balance
Kishan Kumar Bajaj	11,07,605.00 (Cr.)
Vikram Kumar Bajaj	6,07,605.00 (Cr.)
Pramod Kumar Bajaj	5,70,525.00 (Cr.)
RNB Merchantile Pvt. Ltd.	5,17,50,000.00 (Cr.)
Ram Narayan Bajaj	15,00,000.00 (Cr.)
SIB Impex	15,00,000.00 (Cr.)
Ram Bajaj Foundation Revolving Fund	32,798.00 (Dr.)

26. The Sponsoring body of the University is in process of transfer of assets both movable and immovable as per the provision of the RNB Global University, Bikaner Act 2015. The assets of which ownership is transferred to the University are considered in the year of such transfer, however expenses incidental to use of such assets is considered in the year of expenditure.
27. There are unfinished contracts on infrastructure development account and hence the amount considered in the balance sheet is to the time of payment made less bill raised for such contracts. There are certain unbilled amount which would be considered in year of billing by executants of such contracts.
28. The university being not for profit has been helped by many donors especially the RNB Group (Promoters) by allowing utilization of resources owned by such entities. The financial cost involved/incurred for utilization of such resources is paid by the University to the time of its utilizations.
29. Based on information available with the University, there are no dues to Micro enterprises and Small Enterprises as defined in the Micro, Small and Medium Enterprises Development Act, 2006 as at 31st March, 2017.
30. There is no contingent liability against the university.
31. In the opinion of the management the Current Assets, Loans,Advances & Deposits and Other Current Assets have a value on realization in the ordinary course of business and provisions for all known liabilities have been made.
32. The accounts of loans,advances & Deposits, Current Liabilities, Other Current Assets and bank balances are subject to confirmation and reconciliation.
33. The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.
