Introduction

The advent of computer and information technology thereafter has been making such conspicuously remarkable changes in every aspect of life that its importance cannot be over accentuated. Biological sciences are not an exception in the profit made from IT. This study aims to investigate the impact of information technology in biological sciences. Information systems are the lifeblood of the new century and the integration of information systems with high-content and high-throughput detection systems in biotechnology has transformed biological research.

Importance

Information technology (IT) has dramatically reduced the costs and increased the speed of research and development (R&D) in life sciences and in turn life sciences R&D, has opened up new challenges and opportunities for IT professionals. This virtuous cycle has contributed to a whole new frontier for knowledge generation e.g. the confluence of IT and biological advances have improved our ability to understand the root causes of human, animal and plant diseases and find new cures along with creation of new innovations for Agriculture and Environmental sciences.

Technical Session-I

In the first session, Dr. Tarun Kumar Sharma, Associate Professor, Amity University, Jaipur discussed the meaning of optimization and swarm intelligence. He sighted various current research topics from different fields like Pure Sciences, Engineering, Biology etc. where these computational techniques are applied. Dr. Shailesh Kumar, Associate Professor, Amity University, Jaipur explained about "Bioinformatics and tools for data analysis"

Technical Session-II

Dr. Anil Saroliya, Associate Professor, Mody University, Laxmangarh taught about "Internet of things and fog computing". He shown some videos on IOT to more understand about IOT and he explained the students that what the use of Internet is in our daily life for smartness. This seminar

was an opportunity for Students to learn how to mix programming with biology and use it efficiently

International Industrial Visit Singapore- 2018

DOC201803160001

Date: 16th March 2018

RNB Global University organized Third International Industrial visit to provide an exposure to the students for cross cultural environment. After Dubai visit in 2016 and Malaysia Visit in 2017, this time in 2018, it was Singapore, a sovereign city-state and island country in Southeast Asia. The exciting 4 days trip began with visit of Gourmet East Kitchen is a six-storey industrial complex with 205 units suitable for food-related trades where they learned many managerial concepts.

Students also visited Universal Studios, Southeast Asia's first and only Universal Studios theme park, featuring 24 rides, shows and attractions in seven themed zones. Light-Camera-Action (Special effects show), Transformer ride, Roller coaster ride, Water world show, the mummy ride & Jurassic park caught student's attention over there.

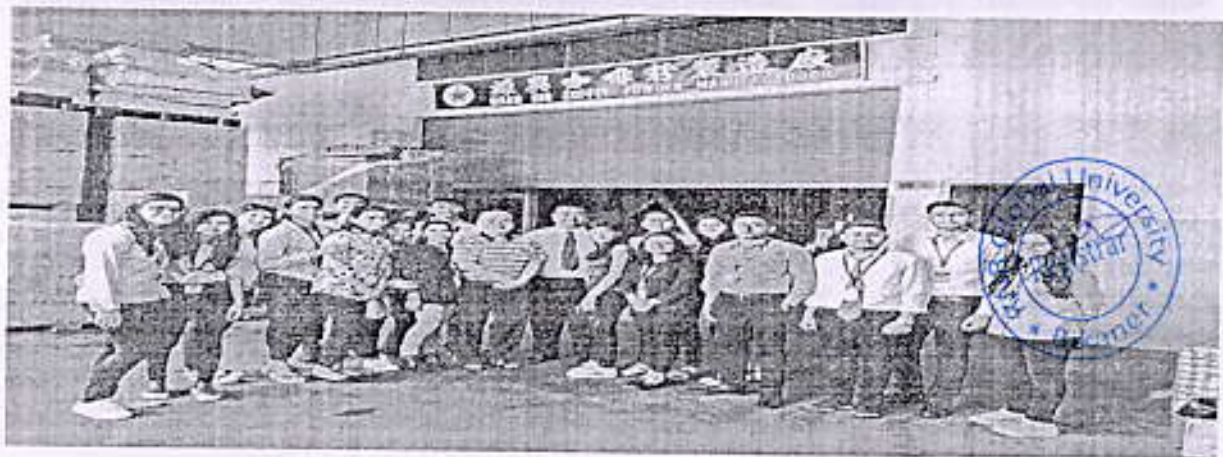

Students also visited "NEWater" where students learned the process of recycling of used water into ultra-clean, high-grade reclaimed water, cushioning water supply against dry weather and moving Singapore towards water sustainability.

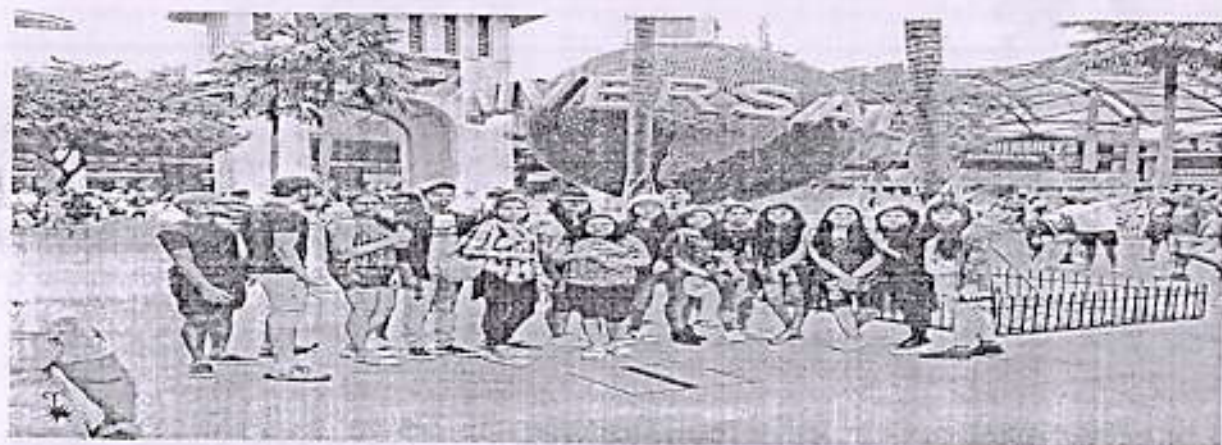

Such industrial visits really enhance value-added learning for the students. It is an important module of the programme, and more are planned to other countries to expose the students to other industries.

Guest Lecture on Relevance of Theatre in Present Context

DOC201802280004

Date: 28th February 2018
Venue- Seminar Hall, RNBGU

Mr. Gurcharan Singh Channi, Documentary Maker, TV Filmmaker, Actor, Eminent Theatre Personality, Playwright and activist, alumnus of Department of Indian Theatre, National School of Drama (NSD), Recipient of Sangeet Natak Academy award for community theatre, interacted with the students of RNB Global University in which he highlighted the importance and relevance of Theatre in Present Context.

During the session, Mr. Channi said that studying Drama and Performing Arts not only engages the students with the creative side of the brain, it also provides an ideal balance in students' patterns of study. He further elaborated that Drama and the performing arts serve to generate a rich array of reciprocal benefits like discipline, punctuality and awareness for both students and our community. It's easy for children to become swamped in a sea of theory, which is why subjects that offer practical learning are essential.

The ultimate aim of such interactions is to provide students with a well-rounded education, which means Drama and Performing Arts will be a strong focus into the future.

Learning from Theatre

DOC201802260004

Date: 26th February 2018
Venue- Seminar Hall, RNB Global University

Time: 11:00 AM

Mr. Vijay Kumar Naik, Veteran Director and Writer, having more than 40 years experience in theatre, shared his experiences with the Students of RNB Global University, in which he highlighted that the theatre helps in developing a problem solving, critical thinking approach in an individual and artist.

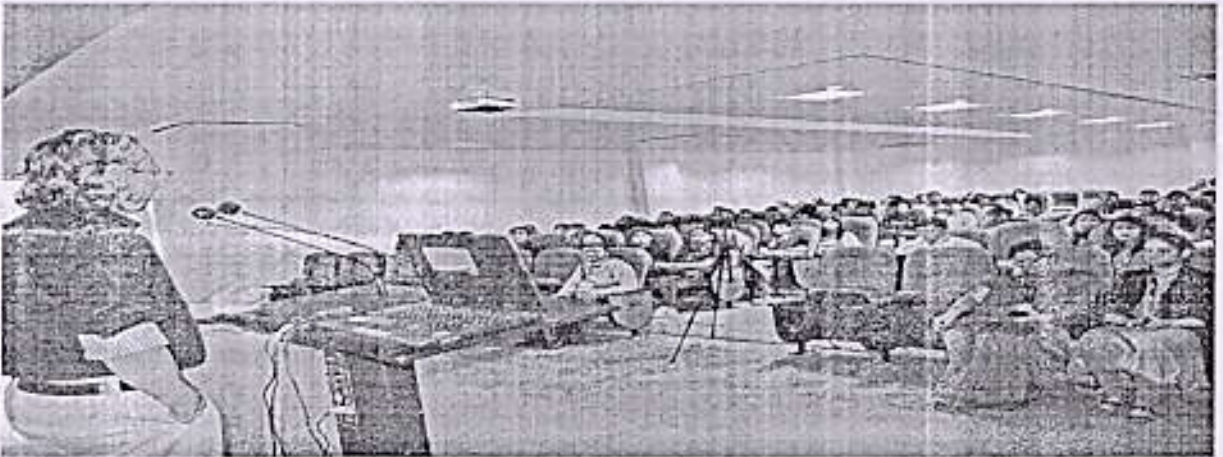

The veteran actor said that Acting on stage teaches you how to be comfortable speaking in front of large audiences and some of your theatre classes will give you additional experience talking to groups. Furthermore, your work on crews has taught you that clear, precise, and well-organized oral communications are best. He also said that being involved in theatre productions and classes' demands commitment and motivation. These are qualities that college theatre faculty members and, in some measure, you and your fellow students, probably already possess.

Mr. Naik concluded his lecture by stating that theatre training teaches you confidence in yourself. Your accomplishments in theatre show you that you can handle a variety of jobs, pressures, difficulties and responsibilities. You develop a "Yes, I can!" attitude. Of course an employer will treasure that.

District Court Visit

Date: 21th February 2018
Venue- District Court Bikaner

Time: 11:00 AM

Students of School of Law, RNB Global University visited the District Court of Bikaner. The purpose of the visit was to understand the working of a court, the nature of duties of the judicial officers. The visit was to help us understand the role of court in dispensing justice in any case, the role of prosecutors in a case, the way cases proceed in a court, the way judges, prosecutors and defence lawyers handle the case, the relationship of the prosecutors and the police which gave an opportunity to the students to understand the actual need of co-ordination in the four pillars of the criminal justice system.

Students expressed their gratitude to the School of Law for arranging such wonderful aspect of clinical legal education linked with the judiciousness of the red judicial building. Being an infant among the law fraternity of the country, the School of Law is optimistic to repeat such type of learning programme for its learners by learning from the mistakes and screening the positives out of negatives with an eye t giving birth to a 'learned community' having a point of their learning in RNB Global University, Bikaner, Rajasthan.

Venue- Academic Building, RNB Global University

Two Social Surfers Mr. Amitabh Kumar, Head, Media and communication, Centre for Social Research and Ms. Arnika Singh, Project, Co-ordinator, center for Social research, conducted an interactive workshop at RNB Global University Bikaner.

The trainers had fun interacting with students on the topic of Online Safety. The discourse on safe and healthy online interaction was weaved into the theme of freedom of expression, intricacies of communication - both online and offline and healthy perception towards people from all genders and social strata. The students were both undergraduates and post graduates and mostly in the age group of 18 to 21 years. They had fun participating in Tangram exercise and enjoyed the video clip from the movie 'pk' which is an exciting way of discussing communication techniques. The trainers emphasized upon the importance of enabling Two Factor Authentication, choosing Trusted Contacts, checking on servers that Facebook has retained a log of and creating strong passwords.

The trainers discussed the problems women face when they use social media and the female students in the colleges could relate to the discussion. Being stalked and victimized by fake account creation and being vulnerable to being judged by regressive people were the common grouses. The male students were sensitized on respectful conduct on social media and extending support and encouragement to their female friends for using the same.

Guest Lecture on "Equal Rights of Hindu Daughters over Ancestral Property"

DOC201802120005

Date: 12th February 2018

Time: 11:00 AM

Venue- Academic Building , RNB Global University

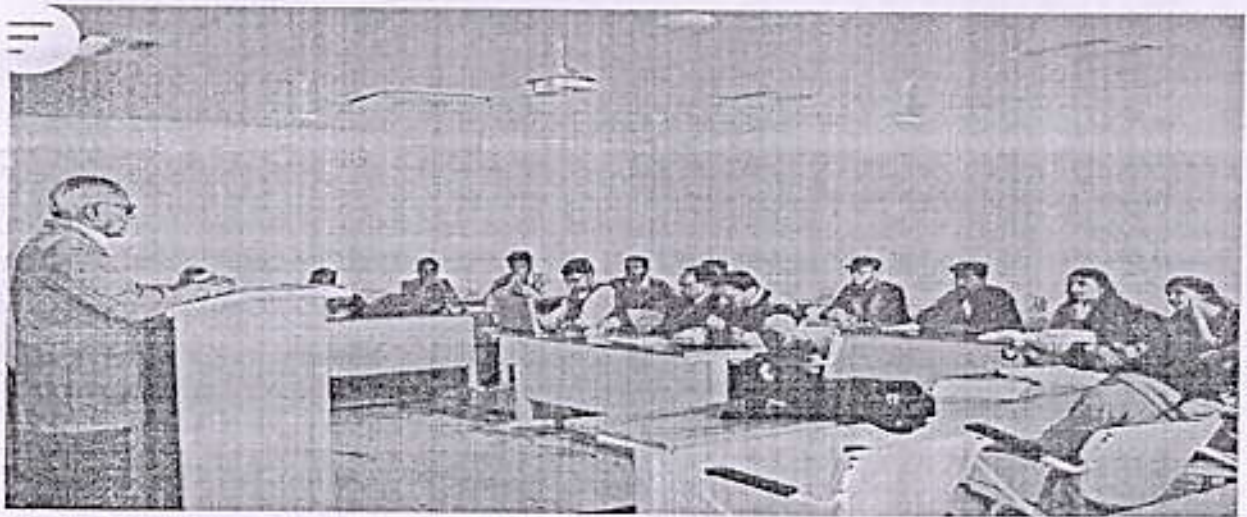

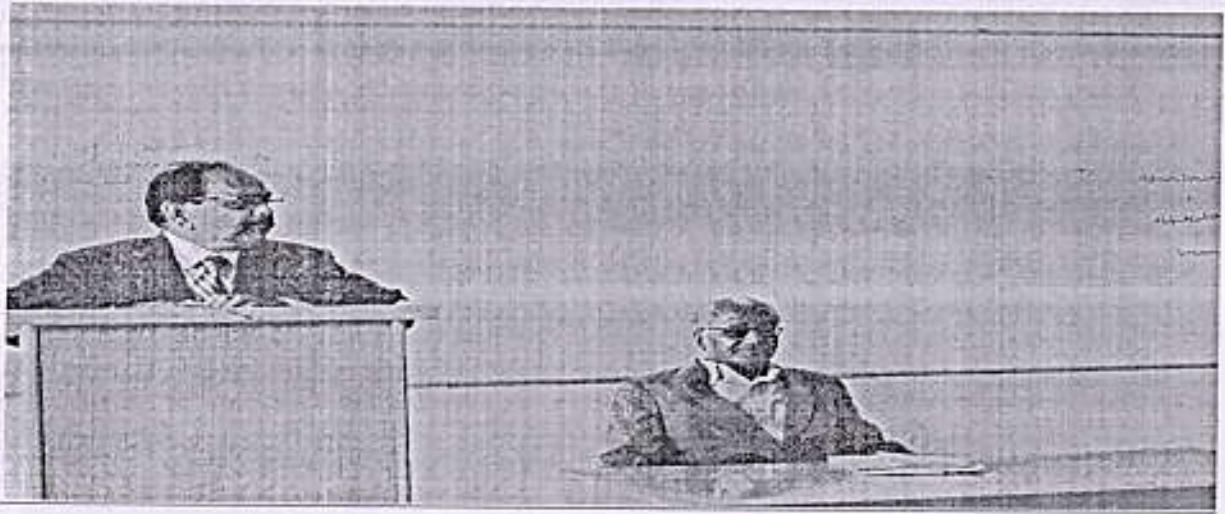

Prof. Kanti Kumar Kochar, Retired Dean of Law, MDS University, Ajmer delivered a Guest Lecture on "Law on equal rights of Hindu daughters over ancestral property under Hindu succession act 1956" at RNB Global University, Bikaner. During the discussion Prof. Kochar discussed many concepts of Hindu Succession Act with special ref. to equal rights of Hindu daughters over ancestral property. She also emphasized on judgment of Supreme Court of India in the case of Prakash & ors. Vs. Phulavati & ors. (2016)2 SCC 36 in which Apex Court of our country held that the rights under the amendment are applicable to living daughters of living coparceners as on 9-9-2005 irrespective of when such daughters are born.

Disposition or alienation including partitions which may have taken place before 20-12-2004 as per law applicable prior to the said date will remain unaffected. This gave a sound footing to this philosophy which can be considered to be golden move in the direction of gender justice in so far as the Indian scenario is concerned.

The speech of Prof. Kochar was followed by an interactive session with students as well as faculty members. Students were overwhelmed to gain the knowledge of law. The insightful session was concluded with vote of thanks to the speaker. Such a informative sessions, packed with statistical figures, acts as an inspiration for the budding law professionals to work towards such dimensions.

Introduction

Technology in the classroom is changing education with different learning styles so as we at RNB Global University broadcasted LIVE, the Finance Minister's speech on Union Budget 2018, in all the classrooms which are equipped with modern technology. This move is indeed a good exposure for the students to understand more about the Budget and other financial aspects. Students' enthusiasm for watching the live budget was at a higher note since they were simultaneously trying to evaluate the outcome of speech.

The Live Speech was followed by Round Table Discussion by the students in Management Lab in which they discussed various issues pertaining to the Budget like Taxation, Education, Infrastructure, Railways, MSME, Digital India, Priority Sector lending and many more. The Post Budget discussion was later followed by the question and answers session and interaction where students came up with interesting queries, discussing various area pertaining to likely impact of GST on government earnings, status of fiscal discipline, encouragement to Make in India, Agriculture and rural development and Tax proposal to boost Demand and supply, which in turn stimulated further thinking among students. It was an excellent opportunity to interact with insightful experts and faculties, clarifying the doubts of students and help them understand budget.

Expression, gesture of students made a spectacular environment and the faculty members present along with the students, appreciated the healthy atmosphere created therein.

The discussion was ended with the thanks to all the students and faculty members by broadcasting forum members concluding the budget as a balanced one for the individual and the corporate.

The event witnessed an enthusiastic participation from the students, faculty members and Information and Broadcasting media. RNBGU is happy to be part of this positive trend!

Sub: Permission for Industrial Visit - Reg.

Dear Sir

Greetings from RNB Global University!

At the outset it gives me immense pleasure to introduce our university to you.

The RNB Global University has been established by Act No. 20 of 2015 passed by the Rajasthan Vidhan Sabha and notified by state of Rajasthan on 27/04/2015. The University is a perfect backdrop for your pursuit of quality education. The University is committed to train the young graduates as responsible citizens, useful members of the society and as the leaders of tomorrow. Our quest is for seeking excellence by making learning an enjoyable process.

As a part of the curriculum, the MBA students are required to undertake Industrial Visits to a few industries of repute. We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In the above background, we are sending a batch of 15 students of MBA I year accompanied by Dr. Amit Upadhyay to visit your esteemed industry on 8 November 2017.

I request you to kindly accord the necessary permission for the above visit and arrange for guiding the students.

We assure you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company during their visit.

We shall be grateful for a favourable response.

Thanking you

In his talk with students, he mentioned various policies relating to SME start-ups being initiated by the Government of India.

It was followed by the panel discussion in which the students gathered knowledge on the emerging trends of new enterprises and start-ups being established in the economy and their fund raising issues. They learnt the technical aspects of listing an enterprise either on the main board of NSE or for new start-ups on NSE Emerge (SME board of NSE) including the capital requirements, initial listing obligations on the Emerge.

The students gained useful information from the panel discussion regarding how an entrepreneur can raise the initial capital by listing at the SME board of the Stock Exchanges with a small amount of initial funding and how the business can gradually be expanded to reach the Main Board of a stock exchange. How the funds can be raised and utilised by the young enterprises for meeting their CAPEX requirements, working capital requirements.
