Report on 2nd Alumni Online Meeting

Date: 06.11.2021

A framework for an interactive session was created by organising the 2nd Alumni Online Meeting. The RNB Global University Alumni Association Convener convened the meeting to talk about how alumni may be involved in future events and to plan an alumnus gathering for the new academic session.

Convener congratulated the alumni on their successful careers, talked about how to boost industry connection, requested them to mentor current students via interactive sessions concerning internships and placements, and explored ways to inspire future managers and engineers.

Convener also complimented the alumni for participating in activities like Inspire, an annual cultural event, SPREE, an annual sporting event, and Walkathon, among other social initiatives.

Convener wanted to have a formal engagement with the alumni as it will pave the path for future associations, therefore this meeting is a help to organise the subsequent

sessions. These connections will take the shape of interactive meetings with current students, career advising seminars, job placement help, and many other things.

The convener thanked the alumni for attending the conference and extended an invitation to visit campus when all the students returned to school.
