Legal Aid Camp by School of Law

Date: 15.11.2020

Legal aid is the practise of giving underprivileged individuals free legal representation in all types of legal disputes, including judicial, administrative, and quasi-judicial ones. It serves as a torchbearer for those who cannot afford court proceedings yet must pay substantial sums at each stage of the legal process in order to seek justice.

Legal aid is a plan to give the poor and illiterate people easy access to the legal system so that their illiteracy and poverty do not prevent them from seeking justice. This service's sole goal is to grant equitable justice to the underprivileged and oppressed. This covers not only the free availability of legal representation from an advocate in court proceedings but also services like LokAdalats, Legal Awareness, Legal Advice, Public Interest Litigation, Legal Mobilizations, and many others that could stop injustice. By considering it as a social responsibility, School of Law of RNB Global University has been organizing the legal aid camps in nearby villages for enlightening the villagers for their rights.

This year it is more important, since alumni also joined the cause and was the part of

legal aid camp. It is more insightful for the attendees since these alumni are practicing with the Advocates and can provide good handful information.

Mr. Yashpal Chauhan were the part of this legal aid camp organized for villagers of Khara village. They talked about SC/ST act and Rights of Speedy trials in Dowry cases, etc.

Report of Cancer Day

Date:06.02.2020

World Cancer Day every 4 February is the global uniting initiative led by the Union for International Cancer Control (UICC). By raising worldwide awareness, improving education and catalysing personal, collective and government action, we're working together to reimagine a world where millions of preventable cancer deaths are saved and access to life-saving cancer treatment and care is equal for all - no matter who you are or where you live.

Created in 2000, World Cancer Day has grown into a positive movement for everyone, everywhere to unite under one voice to face one of our greatest challenges in history.

Each year, hundreds of activities and events take place around the world, gathering communities, organizations and individuals in schools, businesses, hospitals, marketplaces, parks, community halls, places of worship - in the streets and online - acting as a powerful reminder that we all have a role to play in reducing the global impact of cancer.

Ms. Ajoshweta Periwal, Mr. Rahul Kagdiyal & Ashish Bucha, alumni's of RNB Global University, initiated the activity of showing empathy towards cancer patients and inspire the current students of RNBGU to be the part of this activity. RNBGU students as a part of social activity for visited Cancer Patients admitted in PBM Hospital Bikaner. The students shall have little conversation with doctors and patients.

This activity is a little service to the mankind and it is also the why of inculcating the values & making the students socially responsible.

Report on SPREE- Annual Sports Event

Date of Event: 09.02.2019

The task of forming teams for a number of sports, including table tennis, cricket, football, basketball, volleyball, and badminton, falls to the sports club.

The club will recognise gifted athletes in their chosen sports and help them succeed at all levels of competition. It will also be in charge of organising contests at the collegiate level right there in our arena.

The university is dedicated to building a distinctive podium for competing athletes and actively supporting teams in many sports. The University must also sufficiently encourage a variety of outdoor sporting events to continue. The annual SPREE sports festival, which includes both indoor and outdoor sporting events, is also organised by the Sports Club. High-level sports competition, in our opinion, fosters the development of a strong feeling of chivalry among students.

Both indoor and outdoor sports events are held throughout the event, and during these events, university alumni play a very important role in fostering a positive atmosphere and assisting the student organising team.

Mr. Sanjeevan Sharma visited the institution to encourage the participants, interacted with them, and persuaded them to play activities because doing so would assist to develop their personalities and teamwork.

Report on Tree Plantation of Independence Day with Alumnus

Date: 15.08.2018

RNB Global University celebrated 72nd Independence Day with great enthusiasm and feeling of patriotism. To commemorate the sovereignty of the nation, Honourable Chief Guest, Prof. (Dr.) Col. A. K. Gahlot, Former Vice-Chancellor RAJUVAS, unfurled the tricolor flag and all in unison sang the National Anthem, and expressed the joy of our freedom.

Dr. Gahlot addressed the students and enlightened them with inspirational speech, he said that the identity of being an independent country brings about a huge responsibility on our shoulders the founding fathers of this nation and numerous freedom fighters who sacrificed their lives deserve a worthy tribute. So, every student should contribute to make this country taking it to pinnacle.

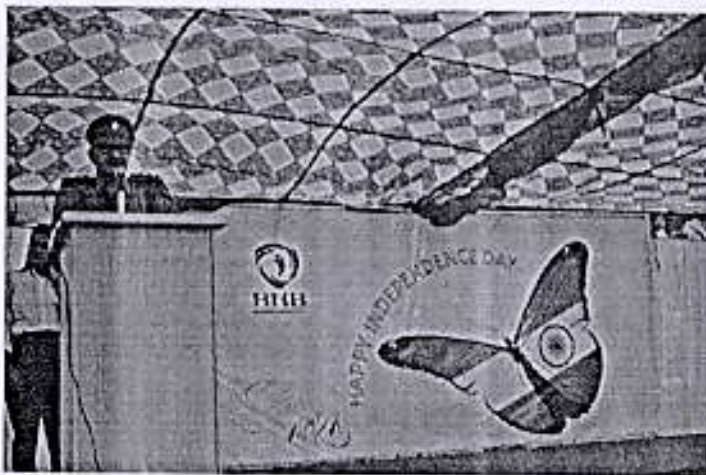

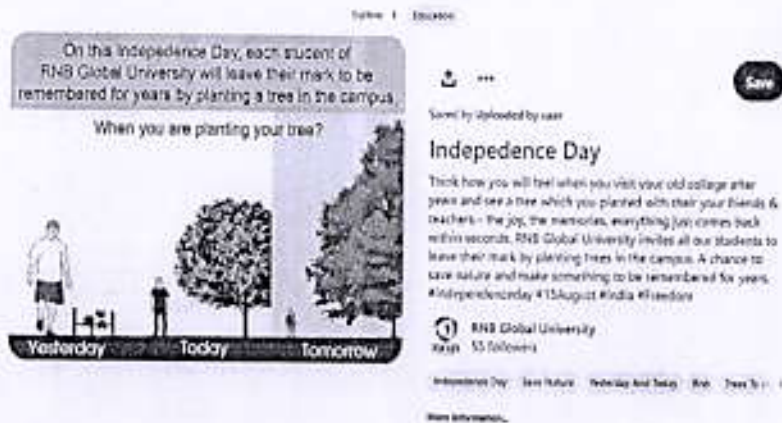

The campus echoed with patriotic fervor as the students' portrayed scenes of Independence Day celebration and sang patriotic songs. Energetic solo dance performance added cultural hues to the celebration. The University ground reverberated with patriotism and vitality.

This day was also marked with the presence of alumni in the campus. RNB Global University invited all our students and alumni to leave their mark by planting trees in the

campus. A chance to save nature and make something to be remembered for years. Alumnus were very thrilled to be the part of this initiative taken by the university.

Ms. Rajshree Vyas, Ms. Shubham Pugalia, Ms. Uma Sharma, and many more were the part of this initiative offered by RNB Global University.

Report on RAINBOW a social initiative

Date: 01.11.2017

Less than half of India's youngsters, who make up 40% of the population under 18, attend school. And barely 33% of students complete eighth grade. School dropouts among children are a typical occurrence. Due to parents' disregard for education, lack of access to school supplies, and limited financial resources, children drop out of school.

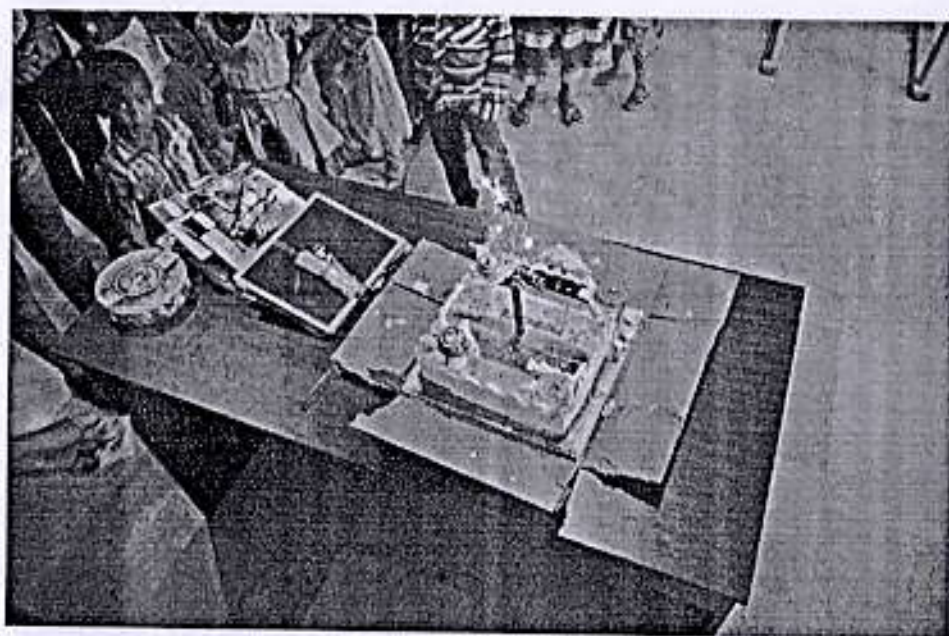

Ensuring that each child attends school in a respectful manner. By giving each child a Slate, chalk pencil, colors, etc., the aim is to motivate them to take the first step toward attending school. An initiative was an idea of alumni but has been crafted by students of RNB Global University. Alumni were the part of this event and motivated and praised the initiative. Ms. Sunita Siyag, Mr. Vikas Sharma, Ms. Arti Rathi, Ms. Sonali Bhansali were the part of the event and inspired the students to do these types of events in the future as well.

It is important to have a noble idea, and at the same time it is equally important to construct the idea into reality, this synchronization has always been they're in the students and alumni. It is the way of enhancing the networking and ensuring the bond between the students for a better working pattern for future endeavors.

Children the part of the RAINBOW event.

Celebration for the children.

Report on Manavta Ki Uchi Udaan – World Food Day

Date of Event: 15.10.2017

“Take What You Eat, Eat What You Take”

RNB Global University has embarked on an extensive drive to educate and inspire residents of Bikaner to do their bit to stop food wastage. “Manavta ki Unchi Udhaan”, a social initiative by RNB Global University, organized a series of Nukkad Natak to create social awareness in the different parts of Bikaner on 15th October 2017 on the eve of world food day.

In a bid to enhance awareness about the importance of food, on daily life among the common people, RNBian’s decided to use visual medium to draw everyone’s attention. Elaborating on this, one of the organisers of this awareness endeavour, says, “We have organized many street plays today at different locations of the city of Bikaner. The idea is to strike a connect with the people through these plays and that’s the reason why we have chosen some of the busiest streets in the city to stage these plays.” The theatrical campaign begins at 10am and ends at 1pm. Each play highlighted different issues related to food wastage. Students communicated the message that we all should be mindful of the perishable food and plan meals to fit in with their ‘use-by’ dates. This will prevent unnecessary waste.

Students and alumni’s of RNB Global University started this initiative as a part of social responsibility & according to our alumni Ms. Kajal Soni, it is also a way to enhance management skills like team work, good communication, presentation skills, etc.

These apart, students are also planning to reach to people and market places to create awareness against food wastage and inculcate healthy habits.

Alumni & students of RNB Global university participating in the initiative enthusiastically.
