Prof. Kanti Kumar Kochar, Retired Dean of Law, MDS University, Ajmer delivered a Guest Lecture on "Law on equal rights of Hindu daughters over ancestral property under Hindu succession act 1956" at RNB Global University, Bikaner. During the discussion Prof. Kochar discussed many concepts of Hindu Succession Act with special ref. to equal rights of Hindu daughters over ancestral property. She also emphasized on judgment of Supreme Court of India in the case of Prakash & ors. Vs. Phulavati & ors. (2016)2 SCC 36 in which Apex Court of our country held that the rights under the amendment are applicable to living daughters of living coparceners as on 9-9-2005 irrespective of when such daughters are born.

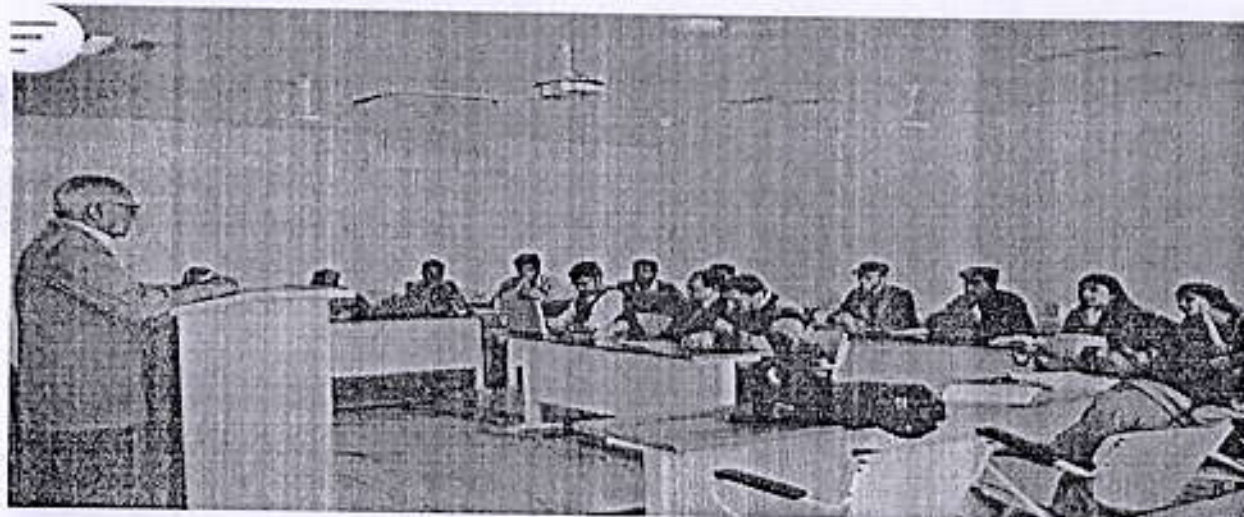

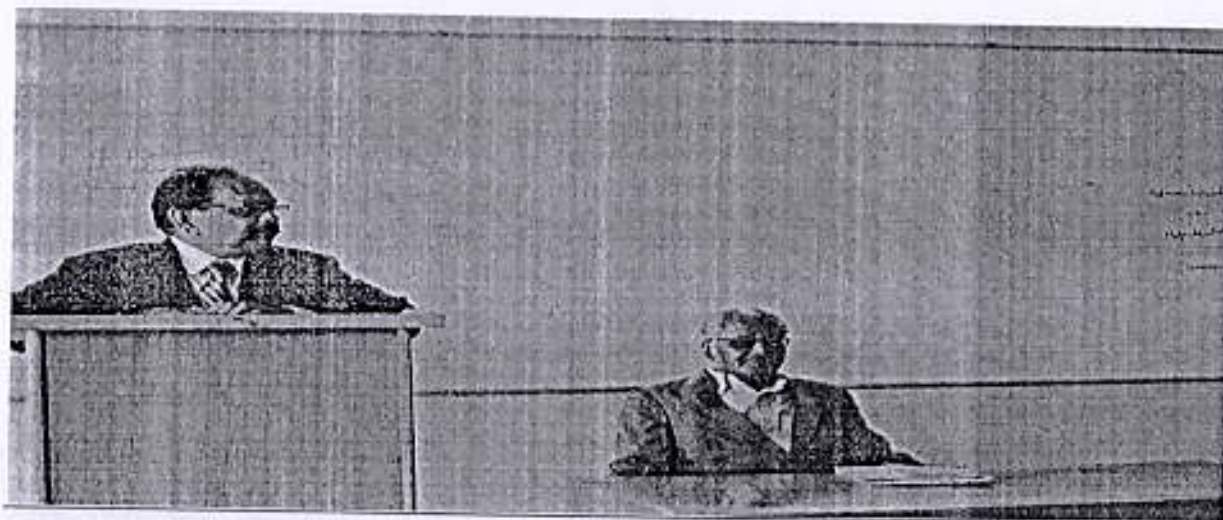

Disposition or alienation including partitions which may have taken place before 20-12-2004 as per law applicable prior to the said date will remain unaffected. This gave a sound footing to this philosophy which can be considered to be golden move in the direction of gender justice in so far as the Indian scenario is concerned.

**Venue- RNB Global University Campus**

Education is one of the most powerful weapons in fighting poverty.

Resident Students of RNB Global University initiated the Mission "RAINBOW" under the umbrella of 'Manavata Ki Unchi Udaan' from 1 Nov 2017 in which they are providing free education to the children of the labourers working at our university campus in order to provide the primary education. The province of RNBGU is hoping a scheme to distribute the slates and pencil to all the children.

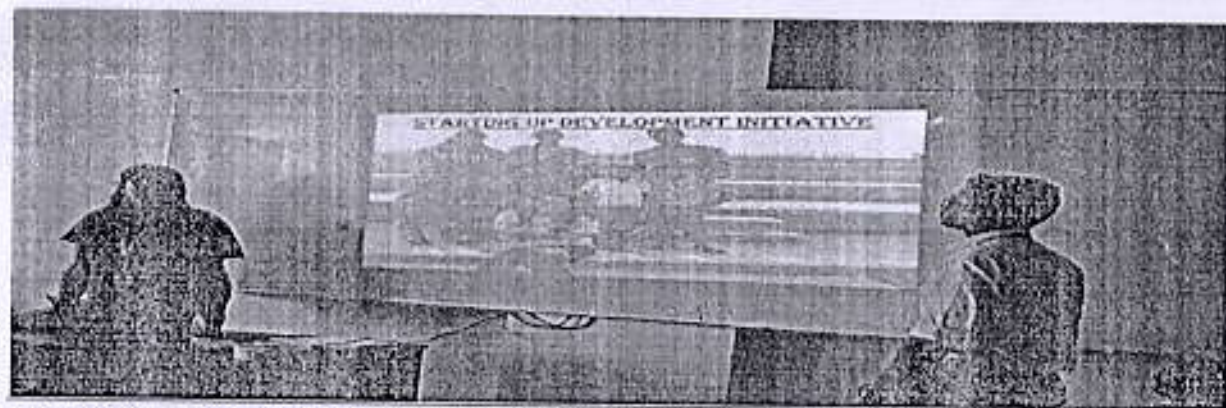

Doubtless, education is the most powerful catalyst for social transformation. But child education cannot be done in isolation. A child will go to school only if the family, particularly the mother, is assured of healthcare and empowered. Moreover, at the initial phase of the mission, the RNBian's are providing free education to the children of the workers which are working in university premises. Under this social initiative, the expenses of their study will be borne by the University itself.

We salute their initiative for this Nobel cause.
