International Yoga Day at RNB Global University

21st June 2017

Time: 09:30- 11:00 AM

Maharishi Patanjali created yoga in the pioneering nation of India. Nowadays, the importance of yoga is no longer a secret. Everyone is aware of yoga's health advantages as well as how it helps to purify and alleviate our minds and souls.

The instructor outlined how regular yoga practice will improve the pupils' mental and physical wellness. Yoga prayers were said before each presentation by the instructor. The participants then joyfully completed a few warm-up and basic Asanas while being guided through their significance at the same time.

Yogasanas like Tadasan, Vrikshasan, Katichakrasan, Vakrasan, Mtsyasan etc were instructed.

The entire session radiated happiness and piety. By the end of the session, everyone had had a good sense of relaxation and energization.

Lecture on Environment Day

DOC201703200008

Date: 20th March 2017

Time: 09:30 AM onwards

Venue- Seminar Hall, RNB Global University Campus

Dr. Arundeeep Ahluwalia is an Environmental and Geosciences activist. He is a Professor of Eminence, Environmental Sciences, Shoolini University, Solan. Prof. Ahluwalia delivered a guest lecture entitled: Excitements of Mother Earth & its environmental issues & disasters, on 20 March, 2017 at RNB Global University. The lecture was interactive in nature and all the students and staff present in the room enjoyed the presentation which continued for almost 90 minutes. The lecture comprised of various aspects related to environment. Important and pertinent issues concerning 'Pollution' and 'Global Warming' and their consequences were the central theme of the talk. Firstly, Dr. Arundeeep Ahluwalia, explained about Antarctica's habitat and the effect of pollution in the region. He then introduced the concept of 'Geoparks' and its various aspects. He explained the definition of 'geopark' and the possibilities of creating geoparks in India. He also said that Rajasthan has great possibilities of creating geoparks due to its rich culture and glorious history. He also explained the economic impacts of creating geoparks and participation of youth in this step. He then switched to the biggest problem of the global world, i.e. pollution. He talked about pollution briefly. He enumerated about the effects of pollution on health with some examples. He particularly mentioned the case of Delhi to explain the effects of pollution in the Capital and added that it is increasing at an alarming rate in other major cities of India as well! He showed some statistics of pollution in India and the steps taken by the government as wells as media in making people aware about it. He also shared some posters made against pollution and awareness toward it.

Then he explained the duties of a student towards society as well as towards curbing pollution. He highlighted the steps we can take to minimise it and how we can make people aware of it.

Thus the most important issue about what an individual can do to save Mother Earth was discussed. He again stressed on the importance of opening of new ecological parks in Rajasthan to attract foreign tourist. The lecture ended with his warm blessings to all the students present there and a vote of thanks by the students.

Women Day Celebration

DOC201703080006

Date: 8th March 2017

Time: 09:30 AM onwards

Venue- Seminar Hall, RNB Global University Campus

RNB Global University, Bikaner celebrated International Women's Day on March 8, 2017. The day is noted across the world to commemorate the political, social and economical achievements of women. It is a celebration of appreciation, respect and love towards women. Organization of such events provides an opportunity to the students to acquaint themselves with the significance of the specific day. The Hon'ble President Lt. Gen. R. K. Karwal, in his presidential address congratulated all the female faculty members and students on this historic day. He stated that the world does need the contribution of the female fraternity in all spheres of life whether it be a home or office and the real celebration of womanhood is to acknowledge her contribution.

Master of Ceremony Mr. Prahlad Singh (B.Sc. II Sem.), in his speech highlighted the successful females in the various fields of life. He also stated the role of woman in modern society. During the celebration, Dr. Amit Joshi conducted an 'Open house session' for females in which the female students and faculty members shared their bold and open views on various issues pertaining to gender equality, women empowerment, present condition of females in India etc. The session was followed by 'One Minute Game' show conducted by Ms. Shalini Joshi, Mr. Akhand Pratap Singh and Mr. Suhail Tomar. Students along with faculty members enthusiastically participated in the games. Meghna Bagree (MBA II Sem.) was the winner of 'Hand Sewing' competition and Pragya Shubha Ramawat (BSc II Sem) was the winner of 'Knotting the tie' game. A song highlighting the indomitable role of women sung as women anthem by Mr. Rahul Kagadiyal (B. Sc. II Sem.), which was another attraction of the function. The program ended with the vote of thanks proposed by Dr. Manjoo Saraswat, Deputy Registrar with the pledge to celebrate and salute women.

National Science Day

DOC201702280002

Date: 28th February 2017

Time: 09:30 AM onwards

Venue- Seminar Hall, RNB Global University Campus

28th February is celebrated as National Science Day each year to mark the discovery of the "Raman Effect" by Indian physicist Dr. C V Raman, on this very day. Dr. Chandrasekhara Venkata Raman was knighted in 1929 and in 1930, was awarded the Nobel Prize for this remarkable discovery. It was the first Nobel Prize won by an Indian or, for that matter, an Asian in the field of Science.

The idea behind celebrating this day as, "National Science Day" is not only to credit Dr CV Raman's discovery but also to generate interest and passion amongst the youth for the subject of science and for our youth to question, rethink, analyze "the existing" and push the frontiers of what can be done and achieved in the field of science in the coming years. National Science Day aims to recognize the achievements of a fellow Indian, so as to instill pride and confidence amidst our scientific community and to widely spread the message of the significance of scientific applications in the daily life of the people.

While each year the National Science day has a set theme, this year the theme was, "Science and Technology for the Specially Abled Persons". At RNBGU to commemorate this day, the School of Basic and Applied Sciences and School of Engineering & Technology, organized a Science Quiz Competition in its campus. There were 10 teams that participated from different schools of RNBGU in the event. It was an informative, interactive and entertaining event, along with the stiff competition that existed amongst the teams. Finally the winning teams were as follows:

- Umang Khatri & Dalip Nai (B.SC. IV Sem) - Winners

- Lovepreet Singh & Soju Joseph (B.SC. IV Sem) – 1st runners up
- Simranleen Singh & Prabhjot Kaur (BSC II Sem) – 2nd runners up

On being asked how they felt winning the quiz, Soju Joseph cheerfully commented, "I feel like a genius". And that was the only purpose of this event - "creating scientific geniuses".
Congratulations to all of our participants and the very Best of Luck to our future scientist.

Republic Day Celebration

DOC201701260003

Date: 26th January 2017
Venue- RNB Global University Campus

Time: 09:30 AM onwards

The RNB Global University, Bikaner celebrated the 68th Indian Republic Day in the University premises on Thursday, 26th Jan 2017 with enthusiasm and patriotic fervor, in all its solemnity and grandeur. The celebration commenced with unfurling of the National Flag by Lt. General R.K Karwal, Hon'ble President, RNB Global University. This was followed by singing the National Anthem by all the students and staff of the university.

The celebrations were marked by short captivating cultural performances by the students. Ms. Divya Tulsiyani along with Mr. Divya Rajsingh Rathore from School of Law were the masters of the ceremony, who set the stage for a patriotic ambience quoting national heroes and their sacrifice for their motherland. They also narrated a brief history of 26th January, highlighting the significance that the Indian Constitution holds for every Indian citizen.

The Hon'ble President in his address paid tribute to the National Heroes. He also acknowledged the efforts of the Drafting Committee under the Chairmanship of Dr. B. R Ambedkar for giving us a grand book of law in the form of the largest constitution of the world. He also stated that this date i.e. 26th holds a great significance in the history of India as on this date in 1930, the national heroes took a pledge to achieve full freedom i.e. 'Puran Swaraj'. So to commemorate this on 26th January 1950 India claimed itself as a nation free from all external rules and its citizens are now the supreme power; independent in the true sense. He motivated students to work with sincerity and whole hearted devotion for our Motherland, and that will be the real tribute.

Thereafter, students of School of Basic and Applied Sciences namely Ankit, Saurabh, Shubham, Abdul, Sachin, Rishiraj, Hemant, Kamlesh, Vikas and Ajoyshweta exhibited the unique characteristic of India i.e. Unity in diversity through a skit which elevated the feeling of nationalism among the audience. Tandra Paul and Nikita Bhati of B.Sc. II Semester sang a patriotic song in the glory of the Nation in their melodious voice.

The entire RNBGU fraternity and students thus celebrated the Republic Day with full zeal and enthusiasm.

Makar Sankranti

DOC201701140007

Date: 14th January 2017
Venue- RNB Global University Campus

Time: 09:30 AM onwards

Makar Sankranti marks the end of Malmaas, an inauspicious month in the Hindu (Panchang) calendar, and the transition of the Sun to the zodiacal sign of Makar (Capricorn) to herald a change in season. It is celebrated in the north as Lohri, in Assam as Bhogali Bihu and in the south as Pongal.

On 14th Jan 2017, RNB Global University celebrated Makar Sankranti in university campus. The custom of flying kites is associated with Makar Sankranti. People fly kites on this day because by doing it unknowingly they receive the benefits of sun exposure. During winter, our body gets infected and suffers with cough and cold and the skin also gets dry during this season. When Sun moves in Uttarayana, its rays act as medicine for the body. During kite flying the human body is continuously exposed to sun rays, which eradicates most of the infections and insanitation. Thus a Kite flying competition was also organised at the university.

All the students from the different schools took part in the competition, these were different group for boys and girls and different prizes also given for 1st and 2nd winner. Mr Umesh Jain BBA II semester was the winner and Mr Saurabh Quadri B.Tech II semester was the winner. This was an opportunity for all the students and staff to reminisce this old tradition and enjoy it will full vigour in the open welcoming the sun with hues of kites!

All staff and faculty members were also the part of the competition, as all enjoyed the Indian festival of "Makar Sankranti".

Constitution Day

DOC201611260009

Date: 26th November 2016

Time: 09:30 AM onwards

Venue- Seminar Hall, RNB Global University Campus

Constitution Day, also known as Samvidhan Divas, is celebrated in India on 26 November every year to commemorate the adoption of Constitution of India. On this day in 1949, the Constituent Assembly of India adopted the Constitution of India, and it came into effect on 26 January 1950.

RNB Global University Bikaner celebrated Indian Constitution Day on Saturday, 26 November 2016. All the faculty members and students gathered in the Seminar Hall, Admin Block in order to celebrate the connection between the Constitution and citizenship. The function aimed to reflect on what it means to be a citizen of India; what are Fundamental Rights provided to every citizen residing on this glorious land and which Fundamental Duties expected from them. The Constitution plays a meaningful role in the life of every Indian. It not only establishes the rule of law, but also ensures that every citizen lives with the same rights, privileges and responsibilities as any other.

Ms Khyati Jain Assistant Professor (School of Law) discussed the Fundamental Rights highlighting the privilege an individual gets being an Indian. She applauded the devotion of Baba Saheb Bhimrao Ambedkar under whose counsel the Indian Constitution was drafted which is not just a legal document but a sacred book for every Indian. Further an extensive presentation on Fundamental Duties was done by Prof. G.S Karkare (Dean, School of Law). He showcased the importance of these duties which makes a true Indian.

Later on the Oath of Allegiance was vowed by all present there to support and defend the Constitution of the country. The Registrar (RNBGU) Prof. Mahendra Ghadoliya, Deputy Registrar Dr. Manjoo Saraswat, Deans of various Schools and all the erudite faculty members along with students of the University participated in this function.

Teachers Day Celebration

DOC201609050001

(Submit by: Dr. Vikas Sharma, Associate Professor, RNB Global University)

Date: 05th September 2016

Time: 09:30 AM onwards

Venue- Seminar Hall, RNB Global University

RNBian's left no stone unturned to make their teachers emotional by showing their gratitude towards their GURUS on the Teacher's Day i.e 5th September, 2016. RNBian's organised a surprise celebration for the occasion of Teacher's Day by inviting all the faculties in the seminar hall of the campus. Teachers were amazed to see all students who were already waiting for them in hall and all started wishing "Happy Teacher's Day" in chorus. After a while, huge appreciations from students were heard in form of applauding at seminar hall as the celebration began. Various Teacher oriented activities were organised which made the celebration more graceful. The teachers and students enjoyed their heart out and had a wonderful time together.

To express the gratitude for their reverend teachers, Teachers' Day was celebrated on 5th September 2016, by the students of RNB Global University with incredible gusto and zeal. The event, celebrated in the Seminar Hall started with a warm welcome by the students. Priyanka Baid (MBA) in her speech highlighted the importance and meaning of Teachers' Day that left one and all in the audience, eagerly looking forward to the rest of the day. The faculty members talked to the students and reminded them of the tireless labour and love all teachers put towards shaping their students into knowledgeable and compassionate individuals. Members of the Events Forum planned many activities like games, dance, singing etc. for the day. A play was enacted to show the journey of a student from the first day of school to the last. The play also highlighted the heart-warming relationship shared between a teacher and a student. The assembly ended with the vote of thanks by Prof

Chattar Singh, Dean School of Arts and Social Sciences, RNBGU. All the teachers applauded the immense effort of the students for making this day a memorable one.

DOC201608150001

Date: 15th August 2016

Time: 09:30 AM onwards

Venue- RNB Global University Campus

The Pilgrimage began with the RNB campus coming to life on the bright and sunny morning of 15th of August 2016. God's blessings were showered on us as the skies showcased their salutations silently, giving us a deep blue umbrella. This was the first sign in the morning that staged the enigma, as all got to work, as organisers of the various events, the march Past, Hospitality, Escorting, Cultural fiesta and the list thereon is never ending.

The Hon'ble Chief guest, Shree Jagdish Chandra ji, Head, ETV, arrived, gracing the occasion and spreading hues of motivation. His presence in itself speaks volumes that our journey since last year when we took our first step forward till date has been one of successes and achievements

He was received with a lot of pride by the Hon'ble President, RNB Global University, Lt.Gen.R.K.Karwal, PVSM,AVSM,SM**,VSM and by the team RNB. He was then escorted for an interaction with the Hon'ble CHAIRMAN, RNB Global University, Dr. Ram Bajaj and the various dignitaries.

The next was a grand visit of the campus for the Hon'ble Chief Guest where he was accompanied by the Hon'ble Chairman and the Hon'ble President.

Back at the venue there was excitement, hustle bustle, as the parents were arriving with dreams in their eyes, the students were all gathered standing upright to salute the Tricolour, the Army Band was all set to give marching support to the RNB army, and the participants of the cultural fiesta staged their own energy.

As the Hon'ble dignitaries arrived after the campus visit their faces were glowing with the satisfaction of the lavishly laid out spread of the campus that had swayed them off their feet. The Chief Guest moved to the venue and the red carpet was set rolling with the Tree Plantation, which is quiet, synonym, to saying, leaving behind the footprints on the sands of time for the rest to follow.

After a warm welcome, the Hon'ble Chief Guest very benevolently consented to our request to say a few words to our audience. As he started the speech, it was goose pimples, as he was all praises for the endeavour of our Hon'ble Chairman and the team for having worked hard in this land of sand dunes on a University which was now the platform to showcase the best of the talent in the Global entrants. He left us all stunned as he declared that ETV will now be a permanent partner with RNB in all events, and in each step we take as a leap swimming across the competition for carving a niche for ourselves in the field of not only Education, but, Value education.

As he invited interactions, a few students of the first semester and the third semester, asked him questions to kill their anxiety about the job market, avenues and various concerns related with fresher's not only in the media industry but also in the various other verticals. He also promised to each student present with their parents, that as and when the students of RNB, decide to be a part of the growth of Rajasthan as the youth power, ETV, will be ready to embrace them, as a part of the team of ETV, which has its monopoly as the largest media channel in Rajasthan.

It was then the moment of the day as the Hon'ble Chief Guest and the Hon'ble Chairman, Dr. Ram Bajaj unfurled the Tricolour, and the National Anthem saluted the flag as the protocol says, since 70 years.

After the ever versant rejuvenating words of the Hon'ble President the stage was set ablaze with a song as a salutation to the motherland. The next was a performance in acted by the pioneer batch of MBA, and then was the grandiose marathon which left all spell bound.

After this mesmerising spread it was time for tea and interactions where the parents came all out to thank each member of Team RNB in being able to nurture talent so amicably that they could not believe it was the same children who had left home a year back to join RNB.

With this, all left wishing each other a very Happy Independence Day, with loads of pride and happiness and the Pilgrimage took off once Again from the Grounds of the RNB Global University.
