

Working with ERP and LMS: Training for Faculty

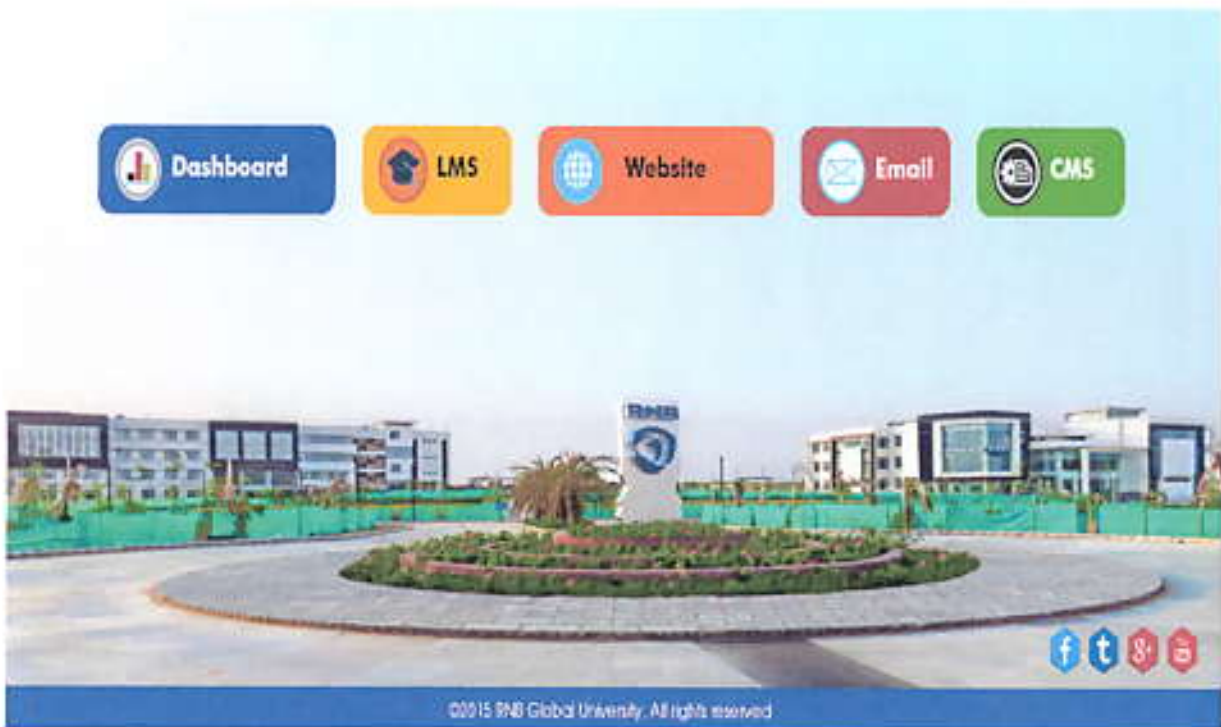

● ●
Link For ERP and LMS

rnconnect.rnbglobal.edu.in

The university has its own ERP system which manage all the activities being conducted in the class room as well in different sphere of educational activities. After taking the class, the faculty are required to upload their class notes/ presentation on LMS system so that the students can download them for their studies.

After Login: Screen will appear as Shown Below.

Screen consist of five Major Categories:

- Dashboard
- LMS
- Website
- Email
- CMS

Dashboard

- A dashboard is a user interface that presents information in a way that is easy to read and view.
- A dashboard is the area where faculties can view, update, edit and apply lots of activities such as follows:
 - Faculty can Edit or Update their Profile
 - Faculty can View the weekly Time Table
 - Faculty can Mark the Attendance
 - Faculty can Enter Marks Subject wise
 - Faculty can Apply Leave and On-duty leave Application
 - Faculty can Track the Periods
 - Faculty can View Calender
 - Faculty can Issuing books from the library
 - Faculty can Raising a ticket for any issues to be resolved
 - Faculty can View the faculty attendance logs

This is also known as Faculty Home Page.

LMS

- LMS stands for Learning Management System
- This is the area where faculties upload their Contents: Class notes, Additional Reading Materials , Assignments, Practice Questions, Useful Video/Content Links and Others as per their subjects respectively.
- LMS facilitates the online feature so that students should submit their assignment at LMS only.
- Assignments, Presentations, Quiz, etc are evaluated through LMS to the students.
- Various Communities are created at LMS, where important notice are display.

Website

- Website interface will connect with the university website link (<http://www.rnbglobal.edu.in/>)

Email

- Email interface will connect directly with the university RNB Gmail account.

CMS

- CMS stands for Campus Management Solution.
- It is a comprehensive and integrated suite that offers a wide range of features to enhance their operational efficiency.
- The comprising modules (Fee, Admissions, Examination, Timetable, Academics and other support functions) are intelligently integrated to minimize effort of administration.

Click at Manage Courses

The screenshot shows the 'Manage Courses' interface for RNB Global University. The user is logged in as AKHAND PRATAP SINGH. The page features a navigation menu on the left with options like 'My Courses', 'My Communities', 'My Actions', 'My Posts', 'My Favourites', and 'My History'. The main content area displays a table of courses with columns for Course Name, Start Date, Enrollment Date, and Reports. A red arrow highlights the course 'DATABASE MANAGEMENT SYSTEM BCA-II-2018(13003200)'. The table also includes buttons for 'Completed Courses', 'Upcoming Courses', and 'Course Template'.
