Tree Plantation 2021

DOC202107080001

**Date: 8<sup>th</sup> July, 2021**

**Time: 09:30 AM onwards**

"The best time to plant a tree was 20 years ago. The second-best time is now." The symbolism - and the substantive significance - of planting a tree has universal power in every culture and every society on Earth, and it is a way for individual men, women and youngsters to participate in creating solutions for the environmental crisis.

RNB Global University in association with Rotary Club Aradhya, Bikaner organizing a Tree Plantation Activity on 08th July 2021 to offer their contribution to make the earth a beautiful place.

RNB Global University organizes Tree Plantation activity every year & this time the university is planning to plant 10,000 trees during monsoon season in and around campus.

## Theme of the camp: I WILL DO MY CITY CLEAN

### Introduction:

RNB Global University has started a Campaign with a hashtag #I WILL DO MY CITY CLEAN". Students were told to do many activities like inspection, cleanliness near the surrounding areas etc.

### Dengue Symptoms

Disease occurs more frequently in the rainy season and immediately afterwards (July to November) in India..

Fever: continuous for 3 to 7 days, Severe headache, joint pain, muscle pain, pain behind eyeballs Nausea, vomiting, and rashes on skin.

In very rare cases, the condition may worsen into dengue hemorrhagic fever, leads to bleeding from nose, gums, in urine and from internal organs.

### Suggestions for People:

- Don't allow water to remain stagnant in and around your house.
- Fill the ditches.
- Clean the blocked drains.
- Empty the room air coolers and flower vases completely at least once in seven days and then refill them.
- Tray below the fridge also to be cleaned regularly.
- Dispose off old containers tins and tyres etc. Properly.
- Keep the water tanks and water containers tightly covered so that the mosquitoes can not enter them and start breeding.
- Keep the surroundings of your house clean.
- Don't litter garbage.
- Don't allow wild herbs etc. to grow around your house.
- Spray insecticidal sprays behind the photo frames, curtains, calendars, corners of house and stores. Use insecticidal sprays in all areas within the house at-least once a week.

### Conclusions:

RNB GLOBAL University took initiative in Dengue Awareness and Precaution activities in the campus as well as outside the campus. Efforts were taken to control breeding of mosquitoes by removing stagnant water and sprinkling disinfectant in the areas.

Visit to "Village Khara on Swachha Bharat, Alcohol free village and plastic free society.

DOC202101130001

(Submitted by: Dr. Meenakshi Sharma)

Date : 13.01.2021  
Time : 11:00 AM to 04:00PM  
Venue : Village Khara  
Participants : SOCM, RNB Global University

  
Faculty Co-ordinator

  
Dean

**Theme of the camp:** Swachha Bharat, Alcohol free village and plastic free society.

**Introduction:**

RNB Global University has organised a village visit to Khara and students of SOCM has actively participated in this drive.

The day kick started with lot of enthusiasm and a spirit of team work rose in everyone's heart. We started RNB Global University around 10:00 am and reached destination.

**About the Camp:**

**Objective of Special camp:**

1. Making education more relevant to present situation to meet the felt needs of the communities and supplement the educations of University, School and college students by bringing them face to face with the community situation.
2. To make aware and motivate people the need and importance of cleanliness, greenery and non use of plastic material
3. To address challenges and barriers for making villages Alcohol free.
4. To involve youth to beautify their villages
5. To motivate youth in keeping nearby Monuments and Cultural Heritage Sites clean
6. To make villages dirt, filth and plastic free and alcohol free.

**list of Topics to Covered during Training:**

1. Challenges in villages related to consuming more Alcohol by some of the people and abusing their partners..
2. Importance of Cleanliness in the village.
3. Need to make villages Plastic Free and How.
4. Sanitation and Hygiene.
5. Handling of wastewater.
6. Climate Change - Use of renewable energy, how to prevent.
7. Social and community actions for green innovations and
8. Medicinal and Local Species Sapling Plantation.

Then the volunteers went on a rally in the village by spreading the messages of plastic free society Anti-Drug- Abuse society, Swachhta, Hand washing etc. Rally by the students of SOCM III Sem in the village during special camp period.

**Conclusion:**

The volunteers after completing as the daily works of the camp, gathered at the meeting point for validatory function of the said camp. Dr. Meenakshi Sharma with all the students tried to convince villagers and making them aware of such things and they also told the villagers about the scientific importance of Health and Hygiene. Students beautifully explained the participants about Health, Hygiene, cons of Alcohol and its impact. Then, Dr. Meenakshi Sharma expressed her sense of gratitude to the volunteers, programme officers and villagers for their outstanding contribution to make to the camp objective based.

**Water Conservation**

(Submitted By: Mr. Ashok Prem, Assistant Professor, School of Law & Convener, I & B Forum,)

Date: 12<sup>th</sup> February 2020

Time: 2:00 PM to 3:00 PM

Faculty Co-Ordinator: Mr. Ashok Prem (SOL) (RNB Global University, Bikaner)

Venue: Room No.-Room No.- 310, Academic Block, RNB Global University, Bikaner

Total no of participant: 25

Organized by I & B Forum, RNB Global University, Bikaner

About the Poster Making Competition:

The aim behind conducting this competition was to check the creative and artistic skills of the students & to bring out the creative expression of the students and to gauge their awareness quotient. RNB global University turned into a world of colorful and imaginative posters during the Poster Making competition held on 12<sup>th</sup> February 2020. The young artists participated in it enthusiastically using their creativity and fine motor skills. The theme for the competition was- "Water Conservation." All the students effortlessly managed to take their imagination to the advanced level.

The theme of this competition was a part of an initiative of the JAL SHAKTI MATRALAYA of Govt of India.

#### PROCEEDING OF THE COMPETITION:

1. Student members of I & B Forum played their role as the volunteer in this competition.
2. Every student has been given a unique code to write on the poster.
3. Student used various color to spread the message of water conservation.
4. Top three participants have been given certificate and their name and poster has been published in February 2020 edition of RNB Times.

#### Judges of the competition:

1. Dr. G. S. Karkara
2. Dr. Manjoo Sarswat
3. Dr. Pallav Goswami

#### Winners of the Competition:

1. Winner: Nikki Agarwal- BBA VI
2. First Runner -up: Sheetal Bothra- BBA II
3. Second Runner-up-Harshita Sharma- BBA-LL.B. II
4. Second Runner-up: Mitali Sewag- BBA IV

#### Schools Involved:

1. School of Law
2. School of Basic & Applied Science
3. School of Commerce & Management
4. School of Engineering & Technology

#### Learning Outcomes:

1. This activity stimulated and developed creativity within students. Poster making is one such activity that is common in many classrooms.
2. The competition created positive effect on the process of learning. The best advantage of poster making was that it facilitated teamwork and understanding along with facilitating creative thinking and extensive research and reading.
3. It provided students with an opportunity to learn by doing, in turn strengthening the learning and student become aware about the importance of water conservation.
4. Students had become able to visually represent the key points and while presenting elaborate on the same which facilitates their retention and recall of events and facts.

### Nukkad Natak-2019

Date	11-10-2019	No.	DOC201910140003
Subject	Nukkad Natak		

Date: 11<sup>th</sup> October, 2019

Time: 05:30PM to 06:30PM

Venue: Bharman Path Park, Bikaner

Organized By: Dr. Vikas Sharma & Students  
(RNB Global University)

### About the Event

Street theatre or Nukkad Natak is a form of theatrical performance and presentation in outdoor public spaces without a specific paying audience. ... Its journey began in India during the time of anti-colonial struggle, essentially by the left-wing theatre activists.

Street plays are an integral part of Indian Tradition. The idea of a street play is to propagate social and political messages in a humorous and sarcastic way and create awareness among the masses.

### Topic- Dharti Bachayo Palstic Hattayo

Under the direction of Terapanth Mahila Mandal Bikaner, a rally was organized by the RNB Global University and Terapanth Mahila Mandal Bikaner on the Senior Citizen Tours Path on single-use plastic boycott. Jai Tulsi Foundation's in-charge Shri Hansraj Daga and Agriculture University Dean Vimala Dukwal flagged off the rally.

"Save environment, remove plastic" gave its message. After that the street plays were presented by the Students of RNB Global University showing the damage caused by plastic. At this time DRM Sanjay Srivastava was present. He praised the event. The President of Mahila Mandal, Mrs. Shanta Bhura, pledged people not to use plastic. Dr. Harmeet, Dr. Gurjeet, Malesh Soni, State President of Nationalist Congress Party OBC category Om Daihiya were also present there. There was full support by Dr. Vikas Sharma and Dr. Neelam Jain and Students of RNB Global University.

## A Report on Tree Plantation Drive at RNBGU

### Introduction

The RNB Global University has successfully organized a Tree Plantation Campaign on Aug 29, 2019 in association with Rotary Club Aadhya, Bikaner. All the students and teachers participated in this program. Also, some local municipality department officers have participated in our program.

### Objective:

Trees play an important role in reducing the air pollution and to maintain the good quality air level in an environment. Trees are also useful to reduce the erosion of soil which may lead to high flood situation. So, every individual shall try to plant as many trees as possible. Because day by day pollution level in an environment is becoming worse. Hence to overcome this situation tree plantation is the only solution we have.

### Outcome of Activity:

1. Students understood importance of tree plantation and types of trees which are beneficial to maintain clean environment.
2. Students realized impact of air pollution on society.

### Outline of Activity:

The objective of this activity to plant as many trees in available area which are beneficial to environment.

No. of trees planted: 300

Students also made some posters and banners on the importance of tree plantations. We pasted banners and posters in the area around our school. So that people read these and know the importance of tree plantation. After our goal of planting 300 trees is achieved, we come to our school. The Dean of our University gave a passionate speech on the topic of Tree Plantation and its use for all. Finally, the program ended with the singing of the national anthem.

## A Report on Tree Plantation Drive at RNBGU

### Introduction

To celebrate the onset of monsoons and in order to foster the importance of forest, biodiversity and conservation of ecosystem, RNB Global University organized a plantation drive at the University Campus in association with Rotary Club Aadhya, Bikaner. Over 500 saplings were planted by the students, Staff members of RNB Global University and Rotary Club Aadhya officials.

Staff members of RNBGU actively participated in the programme by planting tree saplings includes fruit bearing, flower bearing and shade bearing varieties to develop a healthy, eco-friendly environment in the University campus. Students not only planted these young saplings but also volunteered to nurture them till the time they get firmly rooted in the ground. The students gained an invaluable experience from this small expedition. They gained knowledge about the different species of plants and also got to know about the procedure of planting trees. The students displayed exemplary enthusiasm in contributing towards this important environmental cause.

One can see the success of previous year's plantation drives inside the University campus with the plants having grown sizably tall. Tree planting event connected the students to the benefits of trees and fostered environmental sensitivity in them. It also brought them closer to the environment.

## A Report on RNBian's Promotes Cleanliness by Nukkad Natak on Gandhi Jayanti

### Introduction

#### "Cleanliness Is Next to Godliness." - Mahatma Gandhi.

RNB Global University embarked on an extensive drive to educate and inspire residents of Bikaner to promote the cleanliness among the entire city, state and country. Students of Event Forum of RNB Global University, organized a series of Nukkad Natak to create social awareness in the different parts of Bikaner on 2nd October 2018 on the eve of Gandhi and Shastri Jayanti.

In a bid to enhance awareness about the importance of cleanliness, on daily life among the common people, RNBian's decided to use visual medium to draw everyone's attention. Elaborating on this, one of the organisers of this awareness endeavour, says, "We have organized many street plays today at different locations of the city of Bikaner. The idea is to strike a connect with the people through these plays and that's the reason why we have chosen some of the busiest streets in the city to stage these plays." The theatrical campaign begins at 5 PM and ends at 7PM. Each play highlighted different issues related to cleanliness. Students communicated the message that Clean and green makes perfect scene in the country and this is by which we can achieve the dream of mahatma Gandhi- Father of Nation.

These apart, students are also planning to reach to people and market places to create awareness for cleanliness and inculcate this in their habits.

DOC201701080001

**Date: 08<sup>th</sup> January 2017**  
**Venue- Bhraman Path, Bikaner**

**Time: 09:30 AM onwards**

Maanavta Ki Unchi Udan (a social initiative by RNB Global University) organized its maiden Nukkad Natak (Street Play) by the students of RNB Global University at Bharaman Path, Civil Lines on 8 Jan 2017 at 8:00 am.

RNBGU, the harbinger of social development took this initiative to inspire it's students to make their own mark in the world of social responsibility. This initiative aimed to reform the social system by simple yet effective expression of youth. A change in true sense could only be achieved if message transcends the confined walls of ego and reaches to the hearts of common people. Two Nukkad Natak were performed on themes like "Food Wastage" and "Swachh Bharat Abhiyan" which stirred up emotions, created awareness and led the way for positive change in society.

The Registrar Prof. Mahendra Ghadoliya, Deputy Registrar Dr. Manjoo Saraswat, Deans and Faculty Members of the RNBGU graced this event as audience along with other members of the city.
