Main Examination Setup Master: 2019RNBSscienceTech – Applicable for Exam

The screenshot shows the 'Exam Setup Master' page in the ION Digital Campus system. The browser address bar shows the URL <https://g01.tcsion.com/SMBPortal/home>. The page title is 'Exam Setup Master'. The main content area displays the following details:

- Code:** EPM00028
- Name:** 2019RNBSscienceTech
- Description:** 100 theory test
- Exam Type:** 2019RNBSscienceTech
- Applicable For:** Exam

Below the details, there are buttons for 'Go Back', 'Save', and 'Cancel'. A section titled 'Project/Viva-Voce' contains a '+ show desc' link and a note: 'Note: Please select atleast/least one mode on the Tree as for Promotion mode'. An 'Exam Level Configuration' table is visible below, with columns for 'Non-Consolidated Grading Scheme', 'Consolidated Grading Scheme', 'Absence Rule', 'Attendance Rule', 'Normalization', 'Capture Setting For Repeat Exam?', 'For Promotion', 'Promotion Type', 'Is Valid?', and 'Open For Capture'. The 'Subject Prop' column is currently selected.

This screenshot shows the same 'Exam Setup Master' page, but with a different configuration. The details section is as follows:

- Code:** EPM00028
- Name:** 2019RNBSscienceTech
- Description:** 100 theory test
- Exam Type:** 2019RNBSscienceTech
- Applicable For:** Exam

The 'Exam Level Configuration' table is also present, but the 'Overall Prop' column is now selected instead of 'Subject Prop'. The page title and navigation elements remain the same as in the first screenshot.
