Sub : DELNET Best Practices for Data Sharing and Accessibility among Member-Libraries  
— Request to Contribute Library Records for DELNET Discovery Portal

Dear Sir/Madam,

I take pleasure in informing you that DELNET has recently launched an initiative "DELNET Best Practices for Data Sharing and Accessibility" among the member-libraries. It will significantly contribute in enhancing information sharing and accessibility of library resources among the users of the member-institutions and would further promote the contributions of libraries for making a Digital India. Data Sharing is one of the most important ways to promote equitable access to information by the students, faculty, researchers and scholarly community. It also leads to an extensive and optimum use of library resources for the benefit of users for their academic, research and reference purposes.

We are very much thankful and appreciative of your institution being one of our esteemed member institution. I would like to request you kindly send us the records created in machine readable form in your Library for merging into the DELNET Discovery portal which is accessible 24/7 by member institutions. You will appreciate that the level of resource sharing can enhance only if the records of all libraries are merged regularly from time to time. I request you to kindly send us: 1. Database of Books, 2. List of Current Journals, 3. List of CD's Audio/Video, 4. List of Online Databases, 5. Any other Database which has been compiled. Please mention the details in the enclosed form. We request you to kindly send us your library records now and also quarterly updates (incremental backups).

I would like to reiterate the fact that by sharing your library records with DELNET, your institutional library will derive the following benefits:-

1. Your Library resources will become accessible to users and researchers worldwide among the member-libraries of DELNET. Your institutional library will get more visibility and recognition and it will empower your library.
2. Your own users can access your library records through the Web apart from accessing more than 3.5 crore records of other member libraries. This is beneficial as it enables the users to browse through their own library resources present in DELNET Discovery Portal as the data of each library is assigned a specific location code.
3. A backup copy of contributed records of your library becomes available with DELNET. In case of any crisis like software failure, at your end the backup copy of records can always be taken by your Institution from DELNET.
4. DELNET will be glad to provide "Certificate of Appreciation" for promoting "DELNET Best Practices - Data Sharing and Accessibility" to Member-Libraries for their contributions from time to time. Also Annual Awards will be given to the Best Data Contributing Member-Libraries for their active participation in knowledge sharing activities.
5. The accreditation bodies like NAAC also recommends the Institutions to adopt Best Practices in their Institutions. By participating in this initiative, the libraries will help their Institutions in achieving the desired outcomes in teaching, learning, research activities, etc. by providing access to vast information resources. It will immensely contribute in fulfilling the needs and requirements of the Users' Community.

Please send us your library records (in excel or MARC format) to [sangskaul2003@yahoo.co.in](mailto:sangskaul2003@yahoo.co.in). Please mark a Cc to [sks.delnet@gmail.com](mailto:sks.delnet@gmail.com) and [khushaldelnet@gmail.com](mailto:khushaldelnet@gmail.com). For any technical assistance for data sharing, please contact Mr. Sanjeev Kumar Sinha, Associate Technical Services, Mob: 9810533743 and Mr. Khushal Giri Goswami, Network Assistant, Mob: 9717734478.

I shall be most grateful to you for your kind cooperation and support.

With kind regards,

Yours sincerely,

Memorandum of Understanding (MoU) for Shodhganga/Shodhgangotri  
(A Repository of Theses and Dissertations submitted to the Universities in India)

This Memorandum of Understanding (MoU) is made and entered into on  
17 (Day) 12 (Month) 2011 (Year) between the INFLIBNET Centre, an IUC of  
University Grants Commission located at Gandhinagar, hereinafter referred to as  
'INFLIBNET' and RNB Global University (University / Deemed University /  
Inter-University Centre), here in after referred to as the 'University'.

WHEREAS, INFLIBNET Centre, an Inter-university Centre of the University Grants  
Commission, as its mandate, promotes open access to scholarly content generated in  
universities. The Centre has computers, network, software infrastructure and technical know-  
how required for hosting electronic versions of theses and dissertations in open access with  
interface to search, retrieve and access these content.

WHEREAS RNB Global University (University / Deemed University / Inter  
University Centre) has agreed to take part in the process of digitisation of old theses and  
dissertations (not available in computerized machine-readable format) and building-up of  
digital repository and to promote, share and host its ETD in 'Shodhganga: A reservoir of  
Indian theses submitted to the Universities in India' and other universities in open access.  
'Shodhganga' is a name coined by INFLIBNET Centre for referring to the repository of  
Indian Electronic Theses and Dissertations. The word 'Shodh' originates from Sanskrit  
and stands for research and discovery. The 'Ganga' is the holiest, longest and largest river  
in Indian subcontinent which has held heart of its people captive and drawn millions of  
people to its banks since the dawn of history. The Ganga is the symbol of India's age-long  
culture and civilization, ever changing, ever flowing, ever loved and revered by its people.  
'Shodhganga', a repository of theses and dissertations submitted to Indian universities, is  
expected to keep growing to a formidable size as more and more researchers from India  
submit their research works to this ever growing reservoir. Under the initiative called  
'ShodhGangotri', research scholars / research supervisors in universities are requested to  
deposit electronic version of approved synopsis submitted by research scholars to the  
universities for registering themselves for the Ph.D programme.

This Memorandum of Understanding (MoU) defines responsibilities, liabilities and  
commitments of the institutions involved to ensure proper system implementation, to meet  
the objectives pertaining to submission and access to Electronic Theses and Dissertations  
as envisaged by the UGC vide its Notification (Minimum Standards & Procedure for Award  
of M.Phil/Ph.D Degree), Regulation, 2009 dated 1st June, 2009 / amendment made on 5<sup>th</sup>  
May 2010.

NOW, THEREFORE, in consideration of the mutual agreements herein contained,  
INFLIBNET and the University agree to the following terms and conditions:

'Shodhganga/Shodhgangotri' to the University with accompanied software

theses and dissertations in ETD repositories designed for this purpose. The  
INFLIBNET will take the responsibility of keeping the data intact and usable,  
keep back-up of the data so as to avoid its loss. The INFLIBNET will deploy
