ACTION TAKEN REPORT OF 16TH MEETING

Item No 16 (1): Confirmation of 16th minutes of meeting held on 04-03-2023 and action taken report.

Item No 16 (2): Replacement of convener-

Since Dr. Deepali Malodiya is on leave from last few months due to health issues, so in her absence Dr. Vatsala Gaur assigned as the convener of the committee. Dr. Vatsala Gaur received the charge and successfully proceed the meeting.

Item No 16 (3): To organize an International Women's Day-

RNB Global University in Bikaner celebrated International Women's Day on March 8, 2024. The International Women's Day celebration at RNB Global University in Bikaner served as a reminder of the importance of recognizing and empowering women in academia and beyond. The event not only recognized the achievements of women but also served as a platform to encourage ongoing efforts towards gender equality. The university's commitment to promoting a diverse and inclusive environment was evident throughout the celebration.

Item No 16 (3): Future Events and Activities, Discussion on upcoming events, activities planned by the ICC -

Webinar scheduled on 03-04-2024, 2:00 PM for the same. Although it has organized by the UGC, further the information regarding cyber security also discussed in the University.

The webinar aims to educate regarding the essential practices for maintaining cyber hygiene and ensuring online safely. Fostering awareness and understanding of cyber threats and preventive measures is crucial in today's digital age. The password works as a secret code that opens the door to the digital life. It is highly crucial to make that code enough resilient; also recommended to use two-factor authentication. Therefore, in case if someone else guesses the password, still not able to acquire the content unless have a special code that had generated by the account holder. If someone online is making you uncomfortable, immediately take action against the illicit, report him or her and block that person. Install special software that keeps bad stuff out of your devices. It acts like a security guard for your digital life.
