Subject	Installation of Sanitary Napkin Vending Machine & Incinerator in Girls Washroom		

Dear Students,

RNB Global University has always been concerned towards the health & hygiene of its female students & staff members.

In that very direction, University has installed a Sanitary Napkin Vending Machine & Incinerator (used napkin destroyer) in **girls washroom at 3rd floor of academic building.**

The inauguration of these two facilities was done on 04-07-2022 by the Registrar of RNB Global University in presence of female faculty members & female staff.

The vending machine will dispense a sanitary napkin after inserting a 5 Rupee coin. The Incinerator will burn the used napkin.

We hope that this effort of university will be helpful for our girl students and female staff.

For Circulation to-

- All Students
- All Alumni
- IQAC Cell
- Registrar Office
