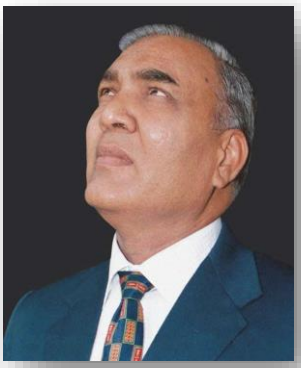
# Message from Hon'ble Chairperson



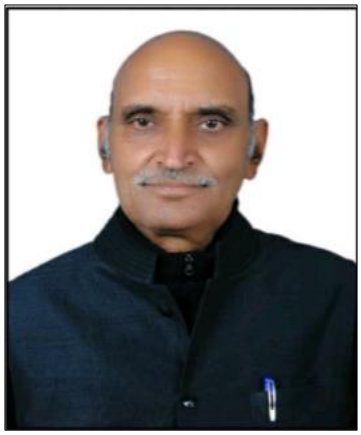
I take this opportunity to welcome young boys and girls as students of the RNB Global University, Bikaner (Rajasthan) INDIA. The University marks RNB Group's philanthropic advent into education under the generous blessings of **Late Seth Jaganathji Bajaj**. Set in the hinter heartlands of the royal city of Bikaner, the University is a perfect backdrop for your pursuit of quality education. The University campus shall act like the prolific exodus so long as you are a student at the RNB Global University since impetus will be always on the process of learning rather than the curriculum.

The University has explored all avenues of technology and logistics to render the very best of infrastructure in every realm for the students. Therefore, the campus is replete with a modern library, world class lecture halls and labs and uninterrupted wireless internet access. The e-Learning studio established within the University campus is a radical approach that could stand to transform the education scenario in the region. It is our understanding that every student is unique and therefore we have devised a flexible curriculum and a contemporary teaching pattern.

The University has a rigid anti-ragging policy and those violating the established norms against ragging shall be punished accordingly. The University also carries severe punishment against those who indulge in smoking, drinking or consume narcotics. It is my sincere advice to the students to immerse themselves in the abundant pool of knowledge from every possible source and emerge as shining graduates of the University. I wish that you not only come out of here with mere intellectual excellence, but also grow morally and spiritually into wonderful human beings.

**Dr. Ram Narayan Bajaj**
**Chairperson, RNB Global University**

# Message From President



A strong believer and practitioner of the dictum "Knowledge is Power", RNB Global University has been on the path of delivering quality education by developing the young human resources on the foundation of ethical and moral values, while boosting their leadership qualities, research culture and innovative skills. This 'temple of learning' has excellent and state-of-the-art infrastructure facilities conducive to higher teaching-learning environment and research. The main objective of the University is to provide higher education of global standards and hence, all the programs are designed to meet international standards. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students. We sincerely believe that it will meet the aspirations of all stakeholders – students, parents and the employers of the graduates and postgraduates of the University.

National Seminars on Marketing, Finance and Human Resource Management and National Conferences on Management topics are basic features of the Management Discipline here. RNB Global University's research, consultancy and innovation are regarded as our pillars of success. In a short span of less than five years of its existence, the University has already commenced registration of Ph.D. Scholars. I strongly believe RNB Global University is marching ahead in the right direction, providing a holistic education to the future generation and playing a positive role in nation building. I am fully confident that the future of academic and research activities in the University is bright. The University will leap forward and reach its desired height in due course of time.

**Prof. (Dr.) Gajendra Singh Rathore**
**President, RNB Global University**

# Message From Registrar

I am pleased to present the Annual Report of RNB Global University for the academic year 2023-24. As the Registrar of our esteemed institution, I take great pride in summarizing the significant achievements, milestones, and progress we have made over the past year.

Our commitment to academic excellence has been unwavering. We have continued to uphold rigorous academic standards, fostering an environment that encourages intellectual curiosity and innovation. This year we welcomed the NAAC Peer Team at our campus and obtained B++ grade. Our faculty and researchers have made notable contributions to their respective fields, producing impactful publications and engaging in cutting-edge projects. The university continues to invest in state-of-the-art facilities and resources to support research endeavors. Our students have excelled in various academic disciplines. The success of our students remains a top priority. We are delighted to witness the accomplishments of our graduates as they embark on successful careers or pursue advanced studies. Our comprehensive support services have played a pivotal role in ensuring the holistic development of our students.

RNB Global University continues to actively engage with the local and global community. Through various outreach programs in our adopted villages, partnerships, and collaborative initiatives, we strive to make a positive impact on society. Our commitment to social responsibility is reflected in the numerous community service projects undertaken by our students, faculty, and staff. The University has invested significantly in enhancing its infrastructure to provide a conducive learning environment. New facilities, upgraded laboratories, and improved amenities aim to enrich the overall educational experience for our students.

As we reflect on the achievements of the past year, we also look ahead with optimism and enthusiasm. The challenges we face only strengthen our resolve to innovate, adapt, and strive for continuous improvement. Together, as a vibrant academic community, we will chart a course for a future that upholds the values and mission of RNB Global University.

I extend my gratitude to the entire RNB Global University community, faculty, staff, students, alumni, and stakeholders, for your unwavering support and dedication. Your collective efforts have been instrumental in shaping the success of our institution.

Thank you for your continued commitment to RNB Global University.

**Prof. (Dr.) Dipali Gupta**

# Message From Dean Academics

I am delighted to take a moment to celebrate and reflect on the exceptional achievements RNB Global University. The dedication, innovation, and relentless pursuit of excellence by our faculty, students, and staff have made these schools shining examples of academic distinction. RNB Global University's commitment to academic excellence extends beyond individual schools. We have fostered an environment where interdisciplinary collaboration flourishes, allowing students and faculty from diverse backgrounds to work together on projects that transcend traditional boundaries. This approach not only enriches the academic experience but also positions our university as a hub for holistic learning.

The School of Agriculture has long been a beacon of excellence in agricultural research and education. Our faculty members have made significant contributions to the advancement of sustainable farming practices, food security, and environmental stewardship. The School of Law is consistently producing ethical, skilled, and compassionate legal professionals. Our students have excelled in moot court competitions, and our alumni have made significant impacts in various legal fields. The School of Commerce and Management and The School of Engineering and Technology has distinguished itself by preparing our students to thrive in the dynamic world of business and becoming IT professionals. RNB Global University's forward-thinking curriculum, experiential learning opportunities, and industry partnerships have enabled our graduates to become innovative leaders and entrepreneurs. Their success is a testament to the quality of education provided by our esteemed faculty.

I extend my sincere gratitude to all the members of RNB Global University for their dedication and contributions. Your collective efforts have propelled us to these heights of excellence. Let us remain steadfast in our commitment to excellence, inspiring the next generation of leaders and making a positive impact on society.

# Hostel Facilities

**(Boys & Girls Hostel Details)**

| Hostel Type | Floor | Rooms | Students Accommodation |
|---|---|---|---|
| Girls Hostel | 4 | 32 | 96 |
| Boys Hostel | 4 | 48 | 96 |

A University is not merely gauged by the quality of education that it provides, it is also determined on the infrastructure standards that it is conferring onto the students. Accommodation is a very prominent infrastructure facet that reflects the true position of a university. We are highly intended on carving a distinctive difference in every realm of the students. We have therefore been moving at full stead in the development of world class accommodation for our valuable students. We have laid out separate residential block for boys and girls. We have also incorporated a residential complex for our faculty members. Moving away from home is exciting but can be daunting too. At RNBGU, we are committed to making this transition as easy as possible. Facilities included are

- Sufficient and natural lighting & Contemporary Wardrobe
- Furnished rooms with desk/table and bed
- Fully equipped with all electrical fitments
- Internet facilities in every room (Optional)
- Washrooms
- Laundry facility (Optional)
- LED TV & DTH (Optional)

It is our innate desire to provide the very best of facilities to the students. We, therefore, engaged the services of leading architect and interior designer to deliver an architectural design that is both contemporary and modern. The room layout is designed in such a manner that there are well laid out spaces in every room. It has also been ensured that each room is bestowed with a sufficient supply of natural light. The dining hall is designed to hold substantially large crowd so that there is sufficient free space for resident students. We have enforced 24-hour security for all the residential blocks in the University. The pathways and the open areas around the hostel blocks are sufficiently illuminated to ensure absolute safety for the students and faculty. We have also installed IP cameras at all vantage points for added security. Students can indulge in games such as Table Tennis, Carrom, Chess, etc. We also have installed LED TV screens in the hostel to meet the infotainment requirements of the students.

# Students Statistics 2023-2024

RNB Global University accepts admission applications to a wide variety of **Bachelor's, Master's, and Doctoral Degree** programs along with diplomas in certain streams. To apply for admission, the candidate has to meet the eligibility criteria and details mentioned under programs. Those who have appeared for their final year graduation examinations in the current year may also apply for admission to Post Graduate program. RNB Global University offers admission to those applicants who have the highest potential for under/post graduate study and who, with the benefit of their education, are most likely to contribute substantially to society and to their academic or professional fields through teaching, research, or professional practice. We reward Talent with Merit Scholarships in ten different categories.

## FDP on Student Centric Pedagogies in Line with NEP 2020 and Global Competence Parameters

at RNB Global University was a resounding success. Organized under the guidance of Dr. G. S. Karkara (President), Dr. Dipali Gupta (Registrar), Dr. Anil Kaushik (Dean, Law and Arts), Dr. G.S. Rathore (Dean Academics), and Dr. Rakesh Bhargav (Dean Research), the programme aimed to enhance the faculty's research capabilities and teaching methodologies in alignment with NEP 2020. The FDP featured sessions led by distinguished speakers who shared their expertise on various topics, including technology integration, assessment reforms, competency-based education, inclusive education, and multidisciplinary approaches. Faculty members actively participated in interactive workshops and discussions, gaining valuable insights and skills. The program fostered a collaborative learning environment, with participants expressing positive feedback and appreciation. This initiative is expected to significantly contribute to the improvement of teaching, research, and service at RNB Global University.

## Faculty Development Programme on "Qualitative Advancement in Research and NEP-2020"

At RNB Global University, Bikaner, was a comprehensive initiative aimed at enhancing teaching methodologies and faculty skills. This eight-day event, part of the IQAC Expert Talk Series, brought together esteemed speakers to explore key aspects of the New Education Policy 2020, global competence integration, and innovative teaching practices. Sessions covered a range of topics, including experiential learning, ethical value incorporation, gamification, artificial intelligence in personalized learning, and research methodologies. Coordinated by Dr. Ashok Prem, the programme provided faculty members with valuable insights and practical tools to foster student engagement, critical thinking, and holistic development, reinforcing the university's commitment to academic excellence and continuous improvement.

# Recent Placements

The members of placement and training cell devote their time and energy in shaping the future of the students through innovative ways and means. The cell is associated with reputed organizations and invites them or their corporate leaders to organize campus placement at the University.

By collaborating and associating with some of the established organizations and companies, RNB Global University ensures the bright future for their students. The officials in our placement cell assist our students for meeting up a diversified pool of requirements; thus, converting their placements into success. Special sessions on CV/Resume Building, Corporate Etiquettes learning, etc. are also imparted. We will be launching a dedicated job portal for students wherein their CVs/Profiles will be uploaded. This will facilitate them in reaching extensively to companies who will be planning to visit our campus for placements.

We assist students in appearing for placements outside campus too. With a noble and dedicated intention to prepare our students for future, we will leave no stone unturned in transforming them into true leaders for tomorrow. The University has a Placement Cell to arrange employment opportunities for the students pursuing under-graduate, post-graduate and Ph.D. studies in faculties. Students got employment in various public and private sectors with handsome salary packages. Along with the regular placement cell activities, this year under Capacity Enhancement Programme, an interaction with experts from different fields was arranged to provide specialized career guidance to the 1st and 2nd year students.

**Forum Administration**

1) As the Forum operates on the motto of the students, by the students, and for the students, hence students are encouraged to manage the overall activities of club on their own.
2) Membership of the Forum is valid for one year only.
3) Each club will have a Students Council of five members headed by a Student Secretary.
4) Student Council will be elected by all the club members through rigorous interview process by panel of experts.
5) General meeting of the Forum (including all the three clubs) is being convened every month.
6) The Secretaries of the Student Council of all the clubs submits the event calendar and the plan of action to the Convener which will be discussed in the general meeting.

**The Forums are constituted with following hierarchy:**

1. Convener
2. Member Secretary
3. Members

## INFORMATION & BROADCASTING FORUM

Education is a journey of exploring both; the self and the world around, hence at RNB Global University it goes beyond the confines of classroom and curriculum, unleashing creative as well as developing intellectual writing, speaking, thinking, analyzing and technical capabilities of the members from RNBGU student's community. I & B Forum is consisting of three clubs.

### Radio Club

This club provide quality on-air programmes for RNB Global University and its coverage area. The club also involve the community it seeks to serve through activities, programs, special events, and community service.

### Editorial Club

Student Council of the club would be responsible for the publication of the newsletter-"The RNB Times" The Newsletter is being circulated among all the students, faculty members and external people as well. This club also helps in Preparation of booklets for seminars and conferences.

### Social Media Club

The core objective of this club is to teach, educate, create awareness, and impart knowledge and skills of various disciplines of social media platforms to the university students. Moreover, club is responsible for publicizing the events and activities by uploading photos, videos and related reminders about the Events.

### Movie Club

Learning from various mediums of expressions has been an integral part of education with this understanding, Movie Club will showcase movies as per the interest of the students. The purpose of this club is mainly learning through entertainment. The activities carried out by the Film Club will encourage students to develop a different perception regarding the films. The movies screened mainly focuses on the managerial skills like leadership, team spirit, group dynamics, creativity, self-motivation etc.

# EVENTS FORUM

## Cultural Club

University aims to encourage student's interest, participation, and responsibility in the ingenious field through a variety of cultural events as proposed by the club. The clubs provide a learning experience for the members as students are responsible for the organizing, funding, public relations, regulating, and scheduling activities for these clubs under the direction of the faculty coordinator.

## Theatre Club

The Theatre Club provides University with ~~a~~ drama programs, the area with as a source of entertainment. Students also conduct Nukkad Natak on prominent social themes and messages where they express themselves and take this opportunity to give back to the community. All of the members of the University community are invited to participate.

## NSS Club

Aimed at developing student's personality through community service, NSS is a voluntary associationof students of the University. The cardinal convener of the NSS programme is that it is organized by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation building.

# NCC CLUB

NCC is important as every student although every student may not get opportunity to be a part of these activities where they can develop a good personality. It is a platform where cadets can meet many people, and this helps in their socializing skills. It inculcates a sense of teamwork and self-discipline at an early age. The club is proposed & the university has applied for the same to Directorate General of NCC.

# STUDENTS CLUB

The University strongly believes that the special talent of students can be nurtured by him or her individually also. Therefore, students are given the leverage to create clubs so that students with likeminded interests can join hands and work towards the creation of a team.

**The prominent student clubs that shall be in vogue soon after the commencement of the first academic session are-**

- Theatre Club
- Music Club
- Dance Club

These clubs-also act as the perfect launching pad for the budding talents among the students. Further, the clubs play a guiding role in developing the talent among the students. The University offers all support to the students to ensure that they render an enhanced performance and win accolades for themselves and also the University. The University carries the noble intention of creating a star of every student who takes part in an event in any arena. The University thus conducts various Intra University events on a periodic basis and reward the best performers suitably.

These students are then be launched on the national stage of Inter University competitions held at the University on an annual or biannual basis so that they can compete with students from other universities. The University nurtures students with extra ordinary talent in the arena of song, dance or theatre. We provide them with all the assistance to perform at various national level competitions and help them bolster their careers to the highest pinnacle. In order to ensure that the students accumulate all the above aspects along with their academic education, we have devised several sporting avenues that will effectively enhance their physical fitness, mental spree and also accentuate their academic prowess.

**Workshop on "Life Skills" - CSR Activity of Barclays Training Program Oct 20, 2023**

RNB Global University conducts a Workshop: 17th to 20th Oct 2023, 04 days Event: "Life Skills" - CSR Activity of Barclays Training Program in the University campus. Expert Trainer(s): Ms. Hardeep Kaur- Corporate Trainer Organization, Rubicon Skill Development. Life Skills are abilities for adaptive and positive behaviour that enable humans to deal effectively with the Demands and Challenges Of Life. The term “Life Skills” refers to the skills you need to make the most out of life. Life skills as the word describes, are abilities required to effectively deal with the demands and the challenges of life. Students required life skills to lead a happy life with positive attitude that enables them to become an engaged member of the society. But what sprouts as a gap here is the mismatch between what students learn during their lessons and what they face outside the classroom. Keeping the main objective of preparing the students in identifying learning gaps and to work in collaboration with their colleagues in a respectful manner.
