The BOS Meeting (Management) of FOCM department was held on May 6, 2023. The meeting was chaired by Dr. Shashi Singhal.

As the faculty members proceed with their respective subjects during the semester, they have their own observations regarding the scope for improvement in the existing syllabus and pedagogy. The purpose of the BOS meeting was to **provide an opportunity to all the FOCM faculty members to put forth their suggestions** regarding required changes in the Commerce & Management curriculum in a structured manner.

AGENDA POINTS:

- 1) Changes required in the existing curriculum of MBA, BBA and B. Com(H)
- 2) Additional electives to be introduced in each area of specialisation
- 3) Possibility of adding more areas of specialisation
- 4) Possibility of adding more courses in FOCM
- 5) Any other input of faculty members regarding the curriculum

The following suggestions were given by the Committee Members.

1. It was suggested to include the subjects like **Neuro Marketing and Marketing Analytics** as an elective in marketing, in order to keep up with the emerging trends in the field of marketing, showing up largely due to the increasing influence of technology & social media.
2. In ASE also it was suggested to include one module which could have a bearing with **stories and poetry** so as to make the ASE subject more interesting.

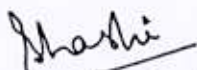

3. It was observed by the members that proper streamlining of **Entrepreneurship** syllabus is required in BBA and B. Com, since we are having combined classes of subjects.
4. It was suggested by the members to remove some repetitive topics in the syllabi of **Team Building & Leadership**
5. It was suggested by the faculty members that one module of NISM should be compulsory for Finance students and inclusion of **specialized accounting** as a finance specialization.

Conclusion/Decision Conveyed- The Chair concluded the meeting by expressing her thanks and appreciation to all the members and Dr. Richa Yadav for their valuable inputs and ensured that all these suggestions have been put on record for the final consideration and approval in Academic Council Meeting.

The BOS Meeting (Commerce) of FOCM department was held on 29-04-2023. The meeting was chaired by Dr. Shashi Singhal.

As the faculty members proceed with their respective subjects during the semester, they have their own observations regarding the scope for improvement in the existing syllabus and pedagogy. The purpose of the BOS meeting was to provide an opportunity to all the committee members to put forth their suggestions regarding required changes in the Commerce & Management curriculum in a structured manner.

Agenda to be discussed-

- 1) Changes required in the existing curriculum of B. Com(H).
- 2) Additional electives to be introduced in each area of specialization.
- 3) Possibility of adding more areas of specialization.
- 4) Any other input regarding the curriculum from the Board members.

The following points were discussed by the faculty members.

- 1- Changes required in the existing curriculum of B. Com(H)- Dr. Naveen Sharma, the external expert of BOS Committee was of the view that the existing syllabus of B. Com is quite comprehensive and completely as per the UGC guidelines. His observation was, that the syllabus is well structured and designed such that it would even be helpful for the students who would like to pursue CA/CS as their career.

According to the *NEP 2020*, the following subjects and their draft syllabus as placed before the meeting were approved-

B.Com I	AECE55000	Environmental Studies (AECC)
B.Com I	BCHC21101	Financial Accounting
B.Com I	BCHC22102	Management Principles and Applications
B.Com I	BCHC21100	Micro Economics
B.Com I	SEC077001	Ability & Skill Enhancement -I
B.Com I	WHNN99000	Workshops/Seminars/Human Values/ Social Service/NCC/NSS
B.Com II	GEC066001	Business Communication (AECC)
B.Com II	BCHC21151	Cost Accounting
B.Com II	BCHC22152	Principles of Marketing
B.Com II	BCHC21150	Macro Economics
B.Com II	SEC077002	Ability & Skill Enhancement -II
B.Com II	WHNN99000	Workshops/Seminars/Human Values/ Social Service/NCC/NSS

- 2- **Additional electives to be introduced in each area of specialization-** It was recommended that detailed guidance be provided to the students regarding MOOCs courses and how they would be able to earn extra credits by enrolling themselves for some or the other relevant courses which would not only add to their knowledge and employability prospects but also help them to enrich their resume. For the specialization in BBA (Foreign trade) and BBA (Digital Marketing), the following new courses are adopted and their detailed syllabus are approved -

BBA V	11009900	Banking and Insurance
BBA V	11019900	Foreign Trade & Indian Economy
BBA V	11020100	Export Import Procedure & Documentation
BBA V	11020000	Digital Marketing & Content Development
BBA V	11020200	Search Engine Marketing & Optimization
BBA VI	11020300	International Relations
BBA VI	11020400	International Economics and Foreign Exchange Management
BBA VI	11020500	Advanced Google Adwords and Online Display Advertising
BBA VI	11020600	Data Analysis & Visualization

- 3- **Possibility of adding more areas of specialization-** It was recommended that the use of SPSS & excel be taught to the B. Com students also. All other specializations offered to the students were found satisfactory.
- 4- **Any other input regarding the curriculum from the Board members-** Dr. Naveen advised that the pedagogy adopted for course like Human Values should be more of activity based rather than having classroom based approach.

Conclusion/Decision Conveyed- The Chair concluded the meeting by expressing her thanks and appreciation to all the members and Dr. Naveen for their valuable inputs and ensured that all these suggestions have been put on record for the final consideration and approval in Academic Council Meeting.

Definitions

1. Courses of study- Courses of study indicate pursuance of study in a particular discipline. Every discipline shall offer three categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs) and Generic Electives (GEs).

a) Discipline Specific Core (DSC): Discipline Specific Core is a course of study, which should be pursued by a student as a mandatory requirement of his/her programme of study. DSCs shall be the core credit courses of that particular discipline which will be appropriately graded and arranged across the semesters of study, being undertaken by the student, with multiple exit options as per NEP 2020. The DSCs specified in the framework would be identified by the concerned Department as core courses to be taught in a Programme.

For example, for award of single discipline specific Honours degree, such as B.A. (Honours) History, B.Com. (Honours), B.Sc. (Honours) Physics and similar such programmes, DSCs shall be the core courses of History, Commerce and Physics, respectively.

However, to pursue Honours degree programme in a 'Field of Multidisciplinary courses of Study' (rather than a single discipline) such as B.Sc. (Honours) Life Sciences, B.A. (Honours) Social Sciences/ Humanities, the DSCs shall comprise of core credit courses of more than one discipline. For example, for B.Sc. (Honours) Life Sciences programme, a student shall study credit courses

(ii). SEC courses are skill-based courses in all disciplines and are aimed at providing hands-on-training, competencies, skills, etc. SEC courses may be chosen from a pool of courses designed to provide skill-based instruction.

(iii). VAC courses are value based courses which are meant to inculcate ethics, culture, Indian Knowledge systems, constitutional values, soft skills, sports education and such similar values to students which will help in all round development of students.

Features of UGCF

The below mentioned objectives have been reflected in various features of UGCF:

Holistic development of the students shall be nurtured through imparting life skills in initial years. These life skill courses shall include courses on 'Environment and Sustainable Development Studies', 'Communication Skills', 'Ethics and Culture', 'Science and Society', 'Computational Skills', 'IT & Data Analytics', and similar such skills which shall make the students better equipped to deal with the life's challenges.

- Flexibility to the students to determine their learning trajectories and pursuance of programmes of study has been well ingrained in the UGCF. The Framework allows students to opt for one, two, or more discipline(s) of study as a core discipline(s) depending on his/her choice. He/she has been provided the option of focusing on studying allied courses of his/her selected discipline(s) (DSEs) or diversifying in other areas of study of other disciplines. Students have also been provided with the flexibility to study SECs or opt for Internships or Apprenticeship or Projects or Research or Community Outreach at an appropriate stage. In the fourth year, students are provided flexibility to opt for writing a dissertation (on major, minor, or combination of the two) or opt for Academic Projects or Entrepreneurship depending upon their choice and their future outlook, post completion of their formal education.
- Given the extent of plurality of the Indian society and the diverse background to which students belong, multiple exits and provision of re-entry have been provided at various stages of the undergraduate programme to accommodate their requirement and facilitate them to complete their studies depending upon their priorities of life. The earning and accumulation of credits in the Academic Bank of Credit (ABC), and the flexibility to redeem the requisite credit for award of appropriate Certificate / Diploma/Degree, as the per the norms laid down by the UGC and the University, shall be made available to the students to provide the opportunity for lifelong learning as well as for availing academic outreach beyond the superstructure of the programme of study in another University / Institution at the national /international level depending upon individual choice of the student(s).
- UGCF has incorporated multidisciplinary education by embedding within the framework the need to opt for at least four elective papers from any other disciplines other than the one opted as core discipline(s). In fact, if a student desires to obtain (minor) in a particular discipline other than the core discipline (for students pursuing single-core discipline programme), he/she can do so by earning at least 28 credits in that particular discipline.
- The framework does not maintain/support hierarchy among fields of study/disciplines and silos between different areas of learning. As long as a student fulfils the pre-requisites of a course of study, he/she shall be able to study it. Modules or systems of

4. Design of degrees: Students shall be able to design their own degrees according to their mission and aspiration for a future befitting to their ability and attainment, rather than following the conventional pathway.
5. A student who pursues three years undergraduate degree programme in a specific discipline as a Core course [for example, B.A. (Honours) English, B. Com (Honours), B.Sc. (Honours) Physics and such other Programmes] will earn at least 80 credits in that discipline (from 18 DSCs and at least 2 DSEs of that discipline) and shall be awarded Honours degree in that discipline, if he/she exits after completion of VI semester.
6. A student who pursues three years undergraduate degree programme in more than one discipline as core courses of study (for example B.A. in Social Sciences/ Humanities, B.Sc. in Life Sciences, B.Sc. in Physical Sciences, B.Sc. in Mathematical Sciences, Bachelor in Commerce Studies and such other programmes) he/she shall be awarded Bachelor's degree in that field of multidisciplinary course of study, if he/she exits after completion of VI semester.
7. If a student wishes to pursue four years Honours Degree with research, he/she shall compulsorily opt for a Research Methodology course in either VI Semester or VII Semester as GE.
8. Dissertation/Academic Project/Entrepreneurship in the 4th year shall commence from VII semester and conclude in VIII semester. Detailed outcomes of each track chosen out of these three options shall be notified and assessment at the end of VII and VIII semesters shall be done accordingly.
9. Dissertation may be written in the Major or Minor or Interdisciplinary (combination of Major and Minor) discipline.
10. If a student mentioned at (6) above continues or re-enters the fourth year for pursuing an Honours degree in that field of multidisciplinary study, he/she has to choose only one of the disciplines he/she had studied as core courses of study in the previous six semesters and earn credits from the 2DSCs and 6DSEs of that chosen discipline in the VII and VIII semesters and write dissertation or opt for Academic Project or Entrepreneurship.
11. If a student mentioned at (5) above, continues or re-enters to study the VII and VIII semesters in the same discipline, and writes dissertation mentioned at (9) above, but no Minor discipline is made out (i.e., credits earned in the GEs of any one discipline is less than 28 credits), then he/she shall be awarded 'Honours with Research' with Major in that discipline on successful completion of VIII Semester.
12. A student mentioned at (6) above, shall be awarded 'Honours' degree in that field of multidisciplinary study on successful completion of VIII semester. For example, B.A. (Honours) Social Sciences/ Humanities, B.Sc. (Honours) Life Sciences, B.Sc.(Honours) Physical Sciences, B.Sc. (Honours) Mathematical Sciences and Bachelor in Commerce Studies (Honours). Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(2)(b) and III(3)(b), respectively. For instance, a student who pursues four years B.A. (Honours) in Social Sciences/ Humanities with History, Political Science and Hindi as core courses, shall get Major in History, on successful completion of VIII semester, if he/she earns minimum 80 credits in History from 8DSCs and at least 9 DSEs of History and writes dissertation on a topic related to History. Such a student shall get a Minor in Political Science/Hindi, if he/she earns minimum 28 credits from 6 DSCs and one DSE of Political Science/Hindi.

PROGRAM OBJECTIVE

B.COM Program has four key learning objectives, which are embedded in the curriculum and pedagogy. These objectives help in providing a holistic learning experience to the students. Following are the learning goals of the Under Graduate Program in Management:

1. **Interpersonal Awareness and Working in Teams:** Each student shall demonstrate an ability to work effectively in a team, exhibiting behaviour that reflects an understanding of the importance of individual roles and tasks, and the ability to manage conflict and compromise, so that team goals are achieved.
2. **Critical and Integrative Thinking:** Each student shall be able to identify key issues in a business setting, develop a perspective that is supported with relevant information and integrative thinking, to draw and assess conclusions.
3. **Awareness of Global Issues Affecting Business:** Each student shall be able to identify key relevant global factors, and be able to analyse the impact of the global environment on business issues, as compared with domestic factors.
4. **Effective Oral Communication:** Each student shall be able to communicate verbally in an organised, clear, and persuasive manner, and be a responsive listener.

DURATION OF THE PROGRAM/MAXIMUM DURATION

The B.COM Program shall be of three/ four years with six/eight semesters. A student will be required to complete the program within minimum 3/4 years and maximum a duration of 5/6 years from the date of first registration in the first Semester.

The student shall be required to undergo 5-6 weeks Summer Internship at the end of the Second year (4th Semester) & submit its report in the 5th Semester. Also the student shall complete a **Mini Project** during the program, in the 6th semester during the final/ third year.

An academic year consists two semester, Odd Semester (July-Dec) and Even Semester (Jan-June). Duration of Each semester can increase or decrease. Generally each semester has 15-18 weeks of academic works.

The examination for the I,III,V and VII semesters shall ordinarily be held in the month of November/December and of the II,IV, VI and VIII semesters in the month of April/May or on such dates as may be fixed by the University.

REGISTRATION AT THE START OF EVERY SEMESTER

Every semester, students admitted to a program should register him/her for the next Semester. The student must also register for the elective courses, if any, (both discipline specific and open electives) that he/she wishes to take in that particular semester (especially in the final year/last 2 semesters).

- Soft-Skills and Personality Development sessions by in-house faculty and external experts to improve the employability of the students.
- Field trips and industrial tours.
- Well planned assignments, group activities, presentations, role plays and projects to encourage industry centric learning.

CONTINUOUS ASSESSMENT

A continuous assessment system in semester system (also known as internal assessment/comprehensive assessment) is spread throughout the duration of the course and is done by the teacher teaching the course/subject. The student gets an opportunity to learn more using the continuous learning method. The students do not keep the things for last one month and would learn throughout the semester. The continuous assessment provides a feedback on teaching learning process. The feedback after being analyzed is passed on to the concerned student for implementation and subsequent improvement. As a part of concurrent evaluation, the learners shall be evaluated on a continuous basis by the University to ensure that student learning takes place in a graded manner.

Students can refer to the semester/year wise "Program Assignment chart" to get a better idea on the format/style & number of assignments they need to take in a particular semester/year. The assignments are designed in such a way that helps in the holistic growth of the students along with creating confidence & bettering the communication skills.

ASE- ABILITY AND SKILL ENHANCEMENT

Ability and Skill Enhancement (ASE) is the umbrella under which various spikes like training modules on communication skills, business etiquettes, technical terminology, vertical study, understanding requirements of various specializations and many such topics are taught which render in helping the students prepare for the Global Entrant. ASE has been conceptualized with a view to explore the dynamics and techniques of effective interpersonal communication and to reinforce confidence in students by concentrating on what works about the individual. We believe that students need to not only develop academically but develop the ability to survive in the modern world.

Aim of ASE is:

1. To convert the conceptual understanding of communication into everyday practice and to train students to apply concepts/ideas in their own experience.
2. To create a learner-language interface enabling students to exercise control over language use.
3. To exercise control over language use and sensitize students to the nuances of the four basic communication skills – Listening, Speaking, Reading and Writing.
1. To give them the skill sets that would help them grow professionally.

Along with imparting education and academic proficiency to students, we prepare them for situations beyond academics also. Inclusion of co-curricular and extracurricular activities under ASE is facilitating a comprehensive development of students. ASE focuses on body language, communication interpersonal and presentation skills by teaching them

- Enhance and/or expand the student's knowledge of a particular area(s) of management.
- Expose the student to professional role models or mentors who will provide the student with support in the early stages of the internship and provide an example of the behaviours expected in the intern's workplace.

Internships are taken after the end of the 4th semester for a period of 4-5 weeks. It carries 6 credits & the student needs to submit his/her Summer Internship Report in the 5th semester. For the ease of students understanding, summer internship is evaluated for a total of 150 marks for Weekly Reports, Project Report, and Presentation & Viva Voce & later converted into grade & grade points as per the University Examination Policy.

Complete document/guidelines are available for the help/assistance of the students for SIP. Students can refer to the **B.COM Summer Internship & Project Instructions & Assistance Document** to get a better idea on the Formats, Style, Project reports, Marks breakup & scoring criteria, etc.; enabling students a better perspective & understanding on benefiting the maximum from such dedicated & sincere efforts by RNB Global University for organizing such Summer Internship program for its students.

The complete SIP reporting & evaluation pattern is again a very unique & well-structured industry academia learning efforts of RNBGU.

MINI PROJECT

Every student needs to take up a Mini Project in the 6th semester. It carries 4 credits. The projects are mainly Industry oriented either on Primary Research with a local Industry or a secondary research of a company of national or international repute.

The project is to be pursued by him / her under the supervision of an Internal Faculty supervisor, which is to be appointed by the Dean.

Prior to starting a research, students must go through the proposal stage, during which students will develop their proposal and have it reviewed by his/her research advisor.

The student needs to submit his Mini Project report in duplicate at least four weeks prior to the commencement of the End Term Examination of the Sixth Semester.

For the ease of students understanding, Mini Project is evaluated for a total of 150 marks of which 50 marks are for 5 Working Reports of 10 marks each (minimum duration between 2 reports is 1 week & maximum duration between 2 reports is 1 fortnight), 50 marks for final Project Report, & 50 marks towards Presentation & Viva Voce. Marks obtained are later converted into grade & grade points as per the University Examination Policy.

50 marks based on the 5 working reports will be evaluated internally by the Supervising Faculty. Project Report along with Presentation & Viva Voce shall be evaluated by an External Examiner appointed by the University for a total of 100 marks (50 marks for Project Report & 50 marks for Presentation & Viva Voce).
