Alumni Contribution in Cultural and Sports Activities/Events

One of the key ways the Alumni Association positively affects students and the University is by offering support system. Alumni provide guidance to organise the event, encourage them to participate and to put the team efforts. Alumni actively participate in major events such as Founder's Day, cultural activities, social gatherings, and sports events, including INSPIRE (the annual fest) and SPREE (the annual support event).

S.No.	Event/ Fest	Academic Session
